Sinn Féin A Hundred Turbulent Years:

Sinn Féin Brian Feeney,2002 Uncompromising and controversial Sinn Féin has survived an extraordinary history in politics and has seen some of the most famous political names in Ireland pass through its ranks Brian Feeney presents this illustrated history of the party **Sinn Féin** Brian Feeney,2002 The dual function the voice of national identity and a political party has played a determining role in the unique history of Sinn Féin From its origins as an intellectual and political ginger group founded by Arthur Griffith at the beginning of the last century to foster independence from the British Empire Sinn Féin has today become a powerful force in Ireland North and South led by Gerry Adams and Martin McGuinness This book traces Sinn Féin's zigzag path towards constitutional politics presents a critical analysis of Sinn Féin's personalities and policies over the century and shows how it has arrived at last in government in the North with hopes of a future role in coalition in the Republic and confidently predicting a united Ireland **Irish Political Prisoners 1960-2000** Seán

McConville,2021-03-30 This is a comprehensive detailed and humane account of the thousands who came into custody during the years of the Northern Ireland conflict and how they lived out the months years and decades in Irish and English maximum security prisons Erupting in 1969 the Northern Ireland troubles continued with terrible intensity until 1998 The most enduring civil conflict in Western Europe since the Second World War cost almost 4 000 lives inflicted a vast toll of injuries and wrought much destruction Based on extensive archival research and numerous interviews this book covers the jurisdictions of Northern Ireland the Republic of Ireland and England providing an account of riots escapes strip and dirty protests and hunger strikes It paints a picture of coming to terms with sentences some of which lasted for two decades and more Republicans and loyalists male and female prisoners officials and staff families supporters clergy and politicians all played a part and all were changed The narrative includes some of the most remarkable events in prison history anywhere mass breakouts organised cell fouling and prolonged nakedness and hunger striking to the death there are also accounts of the prisoners very effective parallel command structure The book shows how Anglo Irish and intra Irish relations were profoundly affected and how the prisoners involvement and consent were critical to the Good Friday Agreement that ended the long war The final part of a trilogy dealing with Irish political prisoners from 1848 to 2000 by renowned expert Seán McConville this is an essential resource for students and scholars of Irish history and Irish political prisoners it is also a major contribution to the study of imprisonment **'The Age-old Struggle** Jack Hepworth,2021 The Age Old Struggle analyses the internal dynamics of Irish republicanism between the outbreak of the Troubles in 1969 and the Good Friday Agreement of 1998 Drawing upon the words and writings of more than 250 Irish republicans this book scrutinises the movement's historical and contemporary complexity Yet it also examines the centripetal forces which connected republican organisations through decades of struggle **Official Irish Republicanism, 1962 to 1972** Sean Swan,2007-06 A history of the Official Irish Republican movement from the IRA's 1962 ceasefire to the Official IRA's permanent ceasefire in 1972 The

civil rights movement the outbreak of violence in August 1969 the links with the communist party the Official IRA's campaign the ceasefire and later developments towards Sinn Féin the Workers Party are explored This book is the first in depth study of this crucial period in the history of Irish republicanism Using his unprecedented access to the internal documents of the movement and interviews with key participants Swan's work will transform our understanding of this transformative period in the history of the movement Henry Patterson Author of *The Politics of Illusion A Political History of the IRA and Ireland Since 1939* There is much fascinating material and also much good sense Richard English Author of *Armed Struggle A History of the IRA and Radicals and the Republic Socialist Republicanism in the Irish Free State* [Dissident Irish Republicanism](#) Max Taylor, P.M. Currie, 2011-07-15 This collection of papers examines the current rise in violence by Dissident Irish Republicans and its impact on the Northern Ireland Peace Process The work will address advanced undergraduate and graduate students in Terrorism Studies Irish Politics Political Violence and Conflict Studies **Religious Leaders and Conflict Transformation** Nukhet A. Sandal, 2017-02-16 The book introduces a theoretical framework to understand the role of religious leaders in conflict transformation and peacebuilding *The Origins and Rise of Dissident Irish Republicanism* John F. Morrison, 2013-12-19 Throughout its history the Irish Republican Movement has been beset by splits The former paramilitary and author Brendan Behan famously quipped that The first thing on the agenda was always the split In this in depth research Morrison analyses the splits through his extensive range of interviews with leadership and rank and file members of the political and paramilitary wings of the Movement This timely analysis shows how the splits have both aided the politicization of Sinn Féin and the Provisional IRA while in parallel they have brought about the recent intensification of dissident Republican paramilitary activity He charts the rise of groups including the Real IRA Continuity IRA and the newly emerging New IRA By applying his unique process model of splits Morrison provides an insightful analysis of this long lasting terrorist movement *Remembering the Year of the French* Guy Beiner, 2007-02-01 Remembering the Year of the French is a model of historical achievement moving deftly between the study of historical events the failed French invasion of the West of Ireland in 1798 and folkloric representations of those events *The A to Z of the Northern Ireland Conflict* Gordon Gillespie, 2009-09-24 For nearly four decades the conflict in Ireland has embittered relations between the communities living there and spoiled relations between the Republic of Ireland and Great Britain For three decades it escalated punctuated by periodic bloody clashes followed by somewhat calmer periods of tension during which violence of all sorts robberies kidnappings serious injuries and deaths were all too common During the past decade fortunately all sides have realized that armed solutions were unlikely to bring a solution to anyone's problems and that peace should be given a chance Fortunately with the establishment of a new Northern Ireland Executive there is a general acceptance that the conflict is now part of the past The A to Z of the Northern Ireland Conflict covers the history of the Troubles through a chronology covering the Northern Ireland conflict and peace process from 1968 until the formation of the new Northern

Ireland Executive in May 2007 an introductory essay a bibliography and several hundred cross referenced dictionary entries on main events individuals and organizations Researchers with an interest in the Northern Ireland conflict will find this book to be an essential addition to their collection of reference books on the subject
