

ALEXANDER MACKENZIE and his EXPLORATIONS

Sir Alexander Mackenzie
From portrait by Sir Thomas Lawrence

Sir Alexander Mackenzie Explorer Fur T

JAMES CONSTANTINE PILLING

Sir Alexander Mackenzie Explorer Fur T:

Sir Alexander Mackenzie Humphrey Hume Wrong, 1927-01-01 Biography by Assistant Professor of History at the University of Toronto Suitable grades 7 and up [Sir Alexander Mackenzie, Explorer and Fur Trader](#) Hume Wrong, 2013-03-01 Bonded Leather binding **Dictionary of Canadian Biography / Dictionnaire Biographique Du Canada** Frances G. Halpenny, Jean Hamelin, 1983-11 The Dictionary of Canadian Biography is the definitive biographical reference work in Canadian history No serious student of Canada's past can function without access to this thorough balanced and reliable source R Hall Globe and Mail *Alexander Mackenzie, Explorer* James K. Smith, 1973 Biography of Alexander Mackenzie Scottish explorer and North West Company fur trader of 18th century Canada who discovered the Mackenzie River and who was the first man to reach the Pacific overland north of Mexico Includes maps photographs list of Indian groups encountered by Mackenzie and bibliography **Harold Innis on Peter Pond** William J. Buxton, 2020-02-06 Best known for his writings on economic history and communications Harold Innis also produced a body of biographical work that paid particular attention to cultural memory and how it is enriched by the study of neglected historical figures In this compelling volume William Buxton addresses Innis's engagement with the legacy of the fur trader and adventurer Peter Pond Harold Innis on Peter Pond comprises eight texts by Innis including his 1930 biography of Pond as well as his writings on the explorer's myriad activities The book also features a collection of eight letters exchanged between Innis and Florence Cannon a descendent of Pond with a strong interest in her ancestor's life and times and an unpublished 1932 article on Pond's 1773-75 activities as a fur trader on the upper Mississippi written by Innis's former student R Harvey Fleming Situating Innis's writings on Pond in relation to his broader body of biographical work Buxton interprets what these texts tell us about Innis's intellectual practice historiography and the writing of biography The book explores how Innis's perspectives shifted with changing intellectual and political circumstances and shows that his advocacy of Pond as an unrecognized father of confederation challenged conventional views of Canadian nation building A critical edition of previously overlooked biographical texts Harold Innis on Peter Pond traces what these writings disclose about the biographer's character and values even as they discuss their subject **A Reading List in History for Senior High Schools** District of Columbia. Board of Education, 1933 **Coalition Warfare** Roy A. Prete, 1984-03-09 The essays that comprise this volume clearly demonstrate that coalitions have dramatically altered the shape of war Paul Kennedy's overview of coalitions over the past century shows that with coalitions firmly established as viable in the minds of strategists wars have become markedly lengthier bloodier and much more expensive Three of the essays focus on explicitly military aspects of the two world wars Norman Stone's on the Austro-German Alliance 1914-18 Ulrich Trumpener's on the German-Ottoman Coalition 1914-18 and Ian Nish's on the Greater East Asian Co-prosperity Sphere J. L. Granatstein pursues a contrasting though equally enlightening course focussing on Hume Wrong the functional principle and the difficulties inherent in Canada's role in the diplomacy of

the post World War II era In keeping with the immediacy of Granatstein s concerns is John Erickson s lucid presentation of Soviet military philosophy a matter of crucial and immediate concern This book will be of interest to military historians political scientists and the more general reader intrigued by military history and philosophy These essays edited and compiled by Keith Neilson and Roy Prete who teach in the Department of History at the Royal Military College Kingston were presented at the Eighth Royal Military College Military History Symposium **First Across the Continent** Barry M.
