Norroena ,1906 Norrcna: The Arthurian tales ,1906 **Le Morte d'Arthur** Thomas Malory,2020-07-09T17:41:32Z

Thomas Malory did not invent the stories of Arthur King of Britain but it is fair to say that he reinvented them Although the legends were already hundreds of years old by the fifteenth century the contemporary stories of Arthur in Malory s day were primarily French The French had added many of the elements familiar to modern readers among them Lancelot and the search for the Holy Grail Malory combined edited and added some of his own material to the stories available to him and in the process created a uniquely British work It was his printer Caxton who gave it a French name Le Morte d Arthur is the source material for almost all modern retellings of King Arthur and his knights from Hollywood movies and musicals to Nobel prize winning writers Malory s identity is still in some dispute as there are several men of various spellings of the name to choose from Sir Thomas Malory from Newbold Revel in Warwickshire is the most popular choice but his life of crime he was a rapist and serial thief at the minimum seems to be at odds with the acts of chivalry and moral code present in this book It is known from the author s own notes that he wrote the book while in prison perhaps he was trying to make amends for his crimes Regardless the result was to give new life to King Arthur and his Knights of the Round Table This book is part of the Standard Ebooks project which produces free public domain ebooks
