Through Phantom Eyes Theodora Bruns,2012-11-05 This is the pivotal volume In it Erik faces challenges both new and frightening when he encounters Christine the woman fate has directed to his lonely heart Just as a river changes the landscape of a country Christine changes the course of Eriks life The year is 1881 and the lonely man Erik enters a period in his life when his full passion finds its true home in the form of the young chorus girl Christine Once he meets her his obsession for her is fueled by his past years of distressing solitude and she becomes the woman he loves and the woman he must have as his own His deformity is the first obstacle in the way of winning her love but her childhood sweetheart Raoul is the bigger obstacle and the biggest challenge He meets these challenges while he also keeps his managers doing his will which is to make Christines career a success Erik works patiently to gain the trust and love of Christine while at the same time he meets the challenge presented by Raouls youth and handsome appearance Violent encounters are inevitable in any love triangle but considering Eriks past life and deformed emotions the
