Hossein-zadeh,2006-08-05 This wide ranging interdisciplinary analysis blends history economics and politics to challenge the prevailing accounts of the rise of U S militarism While acknowledging the contributory role of some of the most widely cited culprits this study explores the bigger but largely submerged picture the political economy of war and militarism **Feature Selection and Enhanced Krill Herd Algorithm for Text Document Clustering** Laith Mohammad Qasim Abualigah,2018-12-18 This book puts forward a new method for solving the text document TD clustering problem which is established in two main stages i A new feature selection method based on a particle swarm optimization algorithm with a novel weighting scheme is proposed as well as a detailed dimension reduction technique in order to obtain a new subset of more informative features with low dimensional space This new subset is subsequently used to improve the performance of the text clustering TC algorithm and reduce its computation time The k mean clustering algorithm is used to evaluate the effectiveness of the obtained subsets ii Four krill herd algorithms KHAs namely the a basic KHA b modified KHA c hybrid KHA and d multi objective hybrid KHA are proposed to solve the TC problem each algorithm represents an incremental improvement on its predecessor For the evaluation process seven benchmark text datasets are used with different characterizations and complexities Text document TD clustering is a new trend in text mining in which the TDs are separated into several coherent clusters where all documents in the same cluster are similar The findings presented here confirm that the proposed methods and algorithms delivered the best results in comparison with other similar methods to be found in the literature Soldier Girls Helen Thorpe,2014-08-05 A raw intimate look at the impact of combat and the healing power of friendship People the lives of three women deployed to Afghanistan and Iraq and the effect of their military service on their personal lives and families named a best book of the year by Publishers Weekly In the tradition of Adrian Nicole LeBlanc Richard Rhodes and other masters of literary journalism Soldier Girls is utterly absorbing gorgeously written and unforgettable The Boston Globe Helen Thorpe follows the lives of three women over twelve years on their paths to the military overseas to combat and back home and then overseas again for two of them These women who are quite different in every way become friends and we watch their interaction and also what happens when they are separated We see their families their lovers their spouses their children We see them work extremely hard deal with the attentions of men on base and in war zones and struggle to stay connected to their families back home We see some of them drink too much have affairs and react to the deaths of fellow soldiers And we see what happens to one of them when the truck she is driving hits an explosive in the road blowing it up She survives but her life may never be the same again Deeply reported beautifully written and powerfully moving Soldier Girls is a breakthrough work What Thorpe

accomplishes in *Soldier Girls* is something far greater than describing the experience of women in the military. The book is a solid chunk of American history. Thorpe triumphs. *The New York Times Book Review* **American Municipalities** John MacVicar, Frank G. Pierce, 1918 **Journal** South Carolina. General Assembly.
