Sixteen Reasons Why I Killed Richard M Nixon:

Sixteen Reasons why I Killed Richard M. Nixon L. A. Heberlein, 1996 It was in the spring and early summer of 1974 when the impeachment was gearing up that I started getting the Nixon calls People would call in and confess to having killed Nixon

Reinventing Richard Nixon Daniel Frick, 2023-04-21 Nixon is the One proclaimed his campaign paraphernalia Tricky Dick retorted his detractors From presidential savior for conservative America to bête noire for the political Left the Richard Nixon persona has worn many masks and labels In fiction and poetry and pop songs in television and film no other national political figure has so thoroughly saturated our public consciousness with so many contrasting images Focusing on the process of Nixon's continuous reinvention Daniel Frick reveals a figure who continues to expose key fault lines in the nation's self definition Drawing on references ranging from *All in the Family* to Zappa and the Mothers of Invention he shows how Nixon has become one of America's most durable and multifaceted icons in the ongoing and fierce debates over the import and meaning of the last sixty years of national life Examining Nixon's autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon's version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon's state funeral at which Bob Dole's eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick's probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements Whether your image of Nixon is shaped by his autobiography *Six Crises* Oliver Stone's surprisingly sympathetic film *Nixon* John Adams's landmark opera *Nixon in China* or by the saga of Watergate *Reinventing Richard Nixon* expands on all perspectives It shows how through these contradictory mythic stories we continue to reinvent much like Nixon himself our own sense of national identity

Nixon's Shadow David Greenberg, 2003 Nixon's *Shadow* rediscovers the competing images of the protean Richard Nixon showing how each was created and disseminated in American culture and how Nixon's tinkering with his own image often backfired

Let Go the Glass Voice Maureen McCafferty, 1997 An Irish maze mystery that will entangle you with Nora as she tries to unravel the sudden deaths and just as sudden births littering her family tree But to untangle them she first must escape the machinations of a domineering and evil grandmother who never reconciled with leaving Ireland who never reconciled with Italian boyfriends

Alabama author Allen Woodman *Onthebus* ,1999 **The Brainwashing of My Dad** Jen Senko,2021-10-05 After her beloved dad got addicted to right wing talk radio and Fox News Jen Senko feared he would never be the same again Frank Senko had always known how to have a good time Despite growing up in a poverty stricken family during the Depression and having to fight his way to middle class status as an adult he tended to look on the bright side But after a job change forced Frank to begin a long car commute every day his daughter Jen noticed changes in his personality and beliefs Long hours on the road listening to talk radio commentators like Rush Limbaugh sucked her father into a suspicion laden worldview dominated by conspiracy theories fake news and rants about the coastal elite and libtards trying to destroy America Over the course of a few years Jen s dad went from a nonpolitical open minded Democrat to a radical angry and intolerant right wing devotee who became a stranger to those closest to him As politics began to take precedence over everything else in her father s life Jen was mystified What happened to her dad Was there anything she could do to help And most importantly would he ever be his lovable self again Jen began the search for answers and found them as well stories from countless other families like her own Based on the award winning documentary *The Brainwashing of My Dad* uncovers the alarming right wing strategy to wield the media as a weapon against our very democracy Jen s story shows us how Fox News and other ultra conservative media outlets are reshaping the way millions of Americans view the world and encourages us to fight back A *Chronology of the United States Marine Corps: 1965-1969* by Gabrielle M.
