The Sixth Sense Jessie Haas,2014-09-02 From award winning author

Jessie Haas nine interconnected tales about kids and their love of animals In *The Wake* fifteen year old Kris tries to comfort her great aunt Mil who is grief stricken over the death of Puttins her old cat and longtime companion With her grave golden brown eyes and long graceful paws The Greyhound is almost human and Kris s friend Phillip is determined to save this special endangered dog Even if her father doesn t understand her love of animals Kris realizes that your Extended Family can be as big as you want it to be including cherished pets and not just your sometimes unlovable blood ties Horse Man is James MacLiesh who believes he was bred to ride just as horses were bred to be ridden And in the title story James is torn between loyalty to his faithful horse Robbie and his dreams of glory with a sleek majestic steed named Avatar Everything changes when horse and rider get lost and James has to depend on Robbie whose ancient animal understanding lights the trail home and leads them to a surprising destination These and the other stories in this collection illuminate the powerful enduring bond between animals and people *The wild ass' skin and other stories* Honoré de Balzac,1897

The Descent of Man and Other Stories Edith Wharton,2020-09-29 Will writers ever recover that peculiar blend of security and alertness which characterizes Mrs Wharton and her tradition E M Forster *The Descent of Man and Other Stories* offers the author s well known depictions of upper class life in New York but also exhibits her remarkable talent in tales of humorous irony history and the supernatural Originally published in 1904 *The Descent of Man and Other Stories* features the author s nuanced prose and sharply observed characters in a chain of unforgettable tales In several Wharton examines marriage which was frequently arranged in her era The author digs deep into her characters to find what can hold a marriage together or slowly pull it apart The difficulty of establishing and maintaining honest relations in a highly stratified and proper society is a consistent challenge for her characters especially in the title story in which a man of principle finds himself misunderstood and forced to potentially compromise his beliefs Wharton also affords glimpses into the trials of being an author drawing both drama and humor from the profession There s a chance to sample the author s ghostly fiction which has long been appreciated by aficionados of the macabre This is a showcase for the author s range of interests and for her remarkable ability to tell memorable stories that strike to the heart With an eye catching new cover and professionally typeset manuscript this edition of *The Descent of Man and Other Stories* is both modern and readable **The JimmyJohn Boss**
