Government Policy and Farmland Markets Charles Moss, Andrew Schmitz, 2008-06-02 Of immeasurable value to lenders agricultural economists and a host of agribusinesses this unique volume brings together leading farmland authorities in the United States and Canada to examine the economic determinants of land value and the consequences of change in land values As the most basic factor of production in the agricultural enterprise farmland dominates the agricultural balance sheet accounting for an average of 70% of all agricultural assets The authors of this timely book provide expert analysis and review of this subject

Financing Agriculture Into The Twenty-first Century Marvin Duncan, 2019-06-03 This volume is concerned with the paradigm shifts occurring in U S agriculture and its related financial services sector The U S agricultural sector is undergoing rapid change with large segments commonly described as industrialized Often observers focus on the technological and structural changes that the sector is undergoing and ignore other

Ecological Management of Agricultural Weeds Matt Liebman, Charles L. Mohler, Charles P. Staver, 2001-07-19 Concerns over environmental and human health impacts of conventional weed management practices herbicide resistance in weeds and rising costs of crop production and protection have led agricultural producers and scientists in many countries to seek strategies that take

greater advantage of ecological processes and thereby allow a reduction in herbicide use This book provides principles and practices for ecologically based weed management in a wide range of temperate and tropical farming systems After examining weed life histories and processes determining the assembly of weed communities the authors describe how tillage and cultivation practices manipulations of soil conditions competitive cultivars crop diversification grazing livestock arthropod and microbial biocontrol agents and other factors can be used to reduce weed germination growth competitive ability reproduction and dispersal Special attention is given to the evolutionary challenges that weeds pose and the roles that farmers can play in the development of new weed management strategies Characteristics of U.S. Wheat Farming Mir B.
