Peter Scott

Sinister Abbey:

A Complete Body of Heraldry Joseph Edmondson,1780 Sinister Abbey Elsie Lee,1967 The first mistake Danica Hughes made was talking to the attractive stranger who sat beside her on the airplane jetting her to Europe The second mistake was picking up his attache case by accident and carrying it off with her to her hotel in Paris The third mistake was opening it and discovering its suspicious contents And now Danica knew she could not afford another mistake Caught in a whirlpool of violence and deception torn between a magnetic American wheeler dealer and a devastatingly charming French aristocrat she fled through a labyrinth of terror in an ancient French abbey and one false step would be fatal Publisher

The Face Beyond the Window Peter Scott,2023-09-15 On a winter s evening in 2041 14 year old Tom arrives at Albans School tucked away in an isolated Blue Mountains location west of Sydney a special school for children with disabilities Tom doesn t speak can t hear and has no word recognition Watching Tom s arrival from the school library is Abbey a book that no one has ever read Abbey s desperate need to be read drives her to find a way to communicate with Tom and unleashes a terrifying and thrilling adventure They encounter a global conspiracy using artificial intelligence to control the minds of the younger generation the inheritors Together they forge an exceptional team to fight back from the very place the global conspirators plan to destroy imagination As they confront increasingly perilous challenges they come to understand why they are like they are and the meaning of partnership Books become the guiding influence as Tom and Abbey light the flame of self belief to rise above their limitations To fight for a new generation s right to freely choose the society in which they want to live and who they want to be *Gothic Novels of the Twentieth Century* Elsa J. This collection of twelve new essays examines some of what Jane Austen has become in the two hundred years since her death Some of the chapters explore adaptations or repurposings of her work while others trace her influence on a surprising variety of different kinds of writing sometimes even when there is no announced or obvious debt to her In so doing they also inevitably shed light on Austen herself Austen is often considered romantic and not often considered political but both those perceptions are challenged her as is the idea that she is primarily a writer for and about women Her books are comic and ironic but they have been reworked and drawn upon in very different genres and styles Collectively these essays testify to the extraordinary versatility and resonance of Austen s books **Monasticon: an account (based on Spottiswoode's) of all**
