Dreamers and Schemers Frank Bongiorno, 2022-11-01 A landmark book the first full political history of Australia In this

compelling and comprehensive work renowned historian Frank Bongiorno presents a social and cultural history of Australia s political life from pre settlement Indigenous systems to the present day Depicting a wonderful parade of dreamers and schemers Bongiorno surveys moments of political renewal and sheds fresh light on our democratic life From local pubs and meeting halls to the parliament and cabinet from pamphleteers and stump orators to party agents and operatives this enthralling account looks at the political insiders in the halls of power as well as the agitators and outsiders who sought to shape the nation from the margins A work of political history like no other Dreamers and Schemers will transform the way you look at Australian politics With acuity and grace Bongiorno divines the soul of the nation All told with a cheeky eye for detail and nose for skullduggery by a historian in full archival narrative and rhetorical flight A landmark work Clare Wright Bongiorno is one of our premier historians and this is his masterwork An original take on our politics and people written with an open mind and warm Australian heart George Megalogenis Penetrating and vividly written this a political history that broadens our understanding of politics one that offers genuinely fresh insights and resists tidy generalisations From First Nations politics to the democracy sausage Dreamers and Schemers never disappoints It will stand as one of the most essential works in Australian history for decades to come Mark McKenna Shortlisted for the Australian History Prize in the NSW Premier s History Awards A General Biographical Dictionary John Gorton, 1828 Defence Policy-Making Arthur Tange, 2008-07-01 Sir Arthur Tange was perhaps the most powerful Secretary of the Australian Defence Department and one of the most powerful of the great mandarins who dominated the Commonwealth Public Service between the 1940s and the 1970s His strong and often decisive influence on both administration and policy was exerted by virtue of his intellectual capacity his administrative ability and the sheer force of his personality Controversies from his time in Defence including those associated with the Tange report and the Tange reforms echo to this day and it is still easy to identify both staunch admirers and vitriolic critics in defence and public service circles Tange wrote this account in his last years It is a memoir based largely on memory supplemented by limited reference to documentary material that focuses upon his career after he came to Defence in 1970 It records his own account of his part in those administrative reforms and policy shifts as well as his involvement or non involvement or alleged involvement in several of the political crises of the 1970s including the downfall of John Gorton as Prime Minister and the dismissal of the Whitlam Government Consent of the People David Kemp, 2022-10-18 Consent of the People Human Dignity through Freedom and Equality 1966 2022 explores how Australia s founding Enlightenment ideals were shaped into a unique national liberalism embodied in liberal democratic institutions political parties and shared values Despite intense partisan loyalties conservative and radical resistance and a politics of unequal power and influence inequality was addressed and personal freedom strengthened This final book in the landmark five volume Australian Liberalism series examines the place of liberal ideas in governments from Harold Holt to Scott Morrison It shows how reform urgency led to the nation's greatest political crisis in 1975 how prime ministers Fraser and

Hawke struggled to manage an economy dominated by powerful union business and global interests how during twenty four crucial years Hawke Keating and Howard led one of the nation's greatest reform eras and how social reform continued despite the leadership instability of the post Howard era David Kemp assesses political parties as the instruments of reform and the difficulties of achieving reform in the public interest highlighting the dangers of factionalism and loss of purpose He examines how an international revival of liberal thought and rising levels of education revolutionised Australian society and politics creating a moral and moralistic ruling class In a remarkable half century Australians strove with growing success to achieve their dreams The Whitlam Mob Mungo MacCallum, 2014-07-23 We were a motley mob we sans culottes of Canberra In this vastly entertaining book Mungo MacCallum captures the spirit of a nation changing time He portrays the Whitlam government s key figures from Gough and Margaret to Lionel Murphy Bill Hayden and Jim Cairns as well as the other mob in opposition Billy McMahon John Gorton Malcolm Fraser and many more The Whitlam Mob addresses some crucial questions What was the night of the long prawns Who was the playboy of the parliament And who was the toe cutter This is Mungo at his best vivid and barbed nostalgic but always clear eyed Pivot of Power Paul Strangio, Paul 't Hart, James Walter, 2017-08-28 The prime ministership remains the main prize in Australian politics but it is a precarious one Leadership turnover in recent years has seen more prime ministers rise and fall than at any time since the decade after federation What explains this volatility The Pivot of Power is the second volume in a unique blend of collective biography and institutional history that shows the skills limitations and passions of incumbents are only part of the story The ways in which prime ministers thrive and fail are influenced by the resources at their command the evolving nature of the parties they lead the daunting public expectations they face under a relentless media gaze and the challenges that history throws at them Recent changes in these areas have had a destabilising effect and made the role of prime minister more onerous than ever After decades of strong national leadership the office has rarely seemed quite so confounding as it does for its contemporary holders The Pivot of Power explains how this has come about And its rich account of prime ministerial fortune since the mid twentieth century yields historical lessons for overcoming the current malaise **The A to Z of Australia** James C. Docherty, 2010-04-01 The last continent to be claimed by Europeans Australia began to be settled by the British in 1788 in the form of a jail for its convicts While British culture has had the largest influence on the country and its presence can be seen everywhere the British were not Australia s original populace The first inhabitants of Australia the Aborigines are believed to have migrated from Southeast Asia into northern Australia as early as 60 000 years ago This distinctive blend of vastly different cultures contributed to the ease with which Australia has become one of the world s most successful immigrant nations The A to Z of Australia relates the history of this unique and beautiful land which is home to an amazing range of flora and fauna a climate that ranges from tropical forests to arid deserts and the largest single collection of coral reefs and islands in the world Through a detailed chronology an introduction appendixes a bibliography and cross referenced

dictionary entries on some of the more significant persons places and events institutions and organizations and political economic social cultural and religious facets author James Docherty provides a much needed single volume reference on Australia from its most unpromising of beginnings as a British jail to the liberal tolerant democracy it is today and Biographical Album of St. Joseph County, Michigan ,1889 Portrait and Biographical Album of St. Joseph County, Michigan ...
