and that was orders to report to Washington Reg attended a function at the White House the President of the United States presented him with the Medal of Honor and at the same time promoted him to Lieutenant Commander It was a proud moment for the entire O'Brien family Chuck and Lynda came up from Florida for the presentation and someone new to the family also attended as Reg's guest The Guantanamo Sting turned out to be the biggest take down of not only the Catroni family from New York City but seventeen Navy officers located in the US Guantanamo Bay and several bases in Europe Most of the Navy officers ended up doing time at Leavenworth the military prison Elias's fears proved to have a solid foundation when two NCIS officers were included in the disgraced group of corrupt officers To top it off it was icing on the cake when the investigation proved that the poppies for the heroin came from Iran The profits funneled to terrorist's organizations that had been involved in hijacking American planes and attacks on innocent American civilians visiting Europe Hundreds of Americans had died in hijackings and literally millions of American youth had suffered the horrendous pain of drug addiction The CIA became involved in the Guantanamo Sting because of the terrorist connections Several heroin labs in Iran exploded mysteriously A definite outbreak of deathly food poisoning in the terrorist training camps in both Iran and Libya also took place Persons unknown depleted the secret bank accounts in Switzerland of those terrorist organizations The Swiss bankers cooperated and the CIA handed over compromising pictures of the Bankers and their mistresses in return I did my duty in Vietnam because I had sworn an oath to serve and protect my country It would have been easier to play the saxophone in a military band where the worst damage I could have done is hit a wrong note at an officer's dance or got a split lip if a drunk banged into me while I was playing the sax On the other hand I could have joined the National Guard became a pilot and then simply walked away from my obligations when the going looked like it was going to get tough Yes I could have if my family had the connections and I had the desire to cleanse my records

Corner where there's death amongst the dahlias Daphne Brewster has gladly swapped south London for Pudding Corner a Norfolk hamlet full of quintessentially English charm With a mix of stone cottages Georgian architecture and Victorian Gothic houses all nestled together and surrounded by fields of gold and green Pudding Corner and its neighboring village of Pepperbridge seem as far from the bustle of city living as one can get For Daphne joy at moving into beautiful Cranberry Farmhouse with her husband James and their three young children is tempered by some concerns about being the only Black woman for miles around But within a few short months Daphne has become known as the parish's Vintage Lady and has set up her own shop Business is thriving and so is her family As for Pudding Corner it's rapidly revealing itself to be filled with complicated intertwined lives on par with anything she left behind Then the local school's headmaster is found dead in his allotment patch unleashing a storm of secrets and scandal Even a sleepy village has its social hierarchy and as her new friend Minerva becomes a target of whispers and speculation Daphne can't resist getting involved Fighting for the underdog comes as naturally as sourcing the perfect vintage piece But there is more at stake here than Daphne could have guessed and a killer who has succeeded once is all too willing to try again **Local Library, Global Passport** J.
