The Good Sister Karen Crane, 2006-03-01 Things Are Rarely What They Seem If Mattie Owens had been the one to get in her car one January morning and drive away from an adoring husband a beautiful home a new baby and a future bright with promise no one would have been surprised and no one would have called the police But it s Mattie s sister Meredith who does these things Meredith the good sister The perfect wife and mother The one who always does everything right It s Meredith who disappears leaving rebellious wild child Mattie to pick up the pieces Stepping out from Meredith s shadow forces Mattie to uncover painful truths about her own life and her perfect sister even as it forges a bond between Mattie and her sister s husband Collier a man who makes her realize her hidden strengths The more she steps into Meredith s role the more she realizes that she may have finally come home The author of more than forty novels Karen Crane has lived on both the Atlantic and Pacific coasts but prefers the Green Country of Northeastern Oklahoma Though she spent her childhood in a small town she now lives in Tulsa with her husband a professional photographer They have three children and two Miniature Schnauzers

Music Guide to Country Michael Erlewine, 1997-06 Reviews and rates the best recordings of country artists and groups provides biographies of the artists and charts the evolution of country music Simple Scrapbooks Stacy Julian, Gayle Humpherys, 2000 Boxes of family photographs may invite conflicting feelings of joy and guilt how to assemble all of those pictures in a meaningful way for the entire family to enjoy Julian's new book will inspire the scrapbook enthusiast regardless of skill level to try something different a simple scrapbook **Beyond Nostalgia** Ruth E. Ray, 2000 For three years Ruth E. Ray visited and participated in eight writing groups at six senior centers in inner city and suburban Detroit looking for ways in which the elderly fashion their memories through personal narrative Her innovative book involves the reader in the construction of life stories as a richly rewarding and highly social process that often reveals the types of relationships that dominate the lives of group members the majority of whom are women Because Ray wrote and responded herself and shares her anxiety and triumph in presenting her writing to women old enough to be her mother some of a different race and class Beyond Nostalgia is an excellent primer for professionals working with diverse groups in a variety of settings It is also an important contribution to the emerging field of feminist gerontology Ray's book demonstrates its own thesis that the presentation and negotiation of life stories in writing groups initiates change and personal growth among older people Drawing on personal observations the give and take of meeting conversations lengthy interviews and the life stories themselves Ray tells a story of adult development through personal narrative She recreates the group process through which age peers begin to articulate what life means both individually and collectively The writing groups of older adults that Ray studied challenged their members to consider not just cultural influences but generational effects on the evolving content and structure of their life stories Age Ray argues has been largely ignored by feminists and she makes a strong case for the need to learn how women make meaning of their lives across the life span As an important document and analysis of that process Beyond Nostalgia should appeal to academics and practitioners in women's studies composition studies gerontology developmental psychology sociology social work and linguistics and to anyone who works with older people **The Book of Burwell Students**, 2007-10-01 The Book of Burwell Students offers a rare glimpse into the world of women's education in the antebellum South From 1837 to 1857 Anna and Robert Burwell ran the Burwell Female School in Hillsborough North Carolina educating more than two hundred young women The Book of Burwell Students illuminates a time and place now preserved as the Burwell School Historic Site The late historian Mary Claire Engstrom wrote informative biographical

sketches of many Burwell students offering insight into life in antebellum Hillsborough inside and outside of school and the seminal role of Anna Burwell in shaping the students lives
