Sisters In Arms Catholic Nuns Through Two Millennia:

Sisters in Arms Jo Ann McNamara, 1996 History has until recently minimized the role of nuns over the centuries In this volume their rich lives their work and their importance to the Church are finally acknowledged Jo Ann Kay McNamara introduces us to women scholars mystics artists political activists healers and teachers individuals whose religious vocation enabled them to pursue goals beyond traditional gender roles *Catholic Culture in the USA* John Portmann, 2010-02-10 This study of Catholicism articulates how theological teachings trickle down from the Vatican and influence decisions about food marriage sex community celebrations and medical care *Democratization of Indian Christianity* Ashok Kumar Mocherla, James Ponniah, 2024-02-13 This book highlights the transformative potential of democratic Church and Christian community in India In the light of both ongoing and also to some extent foregone sociopolitical and theological challenges confronting Indian Christianity this book invokes the need to democratize Indian Christianity in terms of its theology liturgy teachings practices resources leadership roles and institutional power relations sharing by keeping contemporary social realities of Indian Christians at the core of its approach and discourse It explores internal challenges of caste class gender and regional contestations and external forces of communalism and majoritarianism confronting Indian Christianity today Further it underlines the importance of dignity equality fraternity freedom and responsibility emerging at an organizational level through strong mechanisms of deliberation decision making and execution A major contribution to religious studies in India this book will be of great interest to scholars and researchers of religion especially Christian theology South Asian studies politics and sociology *Internationalists in European History* Jessica Reinisch, David Brydan, 2021-01-28 Representing a crucial intervention in the history of internationalism transnationalism and global history this edited collection examines a variety of international movements organisations and projects developed in Europe or by Europeans over the course of the 20th century Reacting against the old Eurocentricism much of the scholarship in the field has refocussed attention on other parts of the globe This volume attempts to rethink the role played by ideas people and organisations originating or located in Europe including some of their consequential global impact The chapters cover aspects of internationalism such as the importance of language communication and infrastructures of internationalism ways of grappling with the history of internationalism as a lived experience and the roles of European actors in the formulation of different and often competing models of internationalism It demonstrates that the success and failure of international programmes were dependent on participants ability to communicate across linguistic but also political cultural and economic borders By bringing together commonly disconnected strands of European history and history from below this volume rebalances and significantly advances the field and promotes a deeper understanding of internationalism in its many historical guises The volume is conceived as a way of thinking about internationalism that is relevant not just to scholars of Europe but to international and global history more generally *Nano Nagle* Deirdre Raftery, Catriona Delaney, 2018-10-22

The first biographical study of Nano Nagle the foundress of the Presentation order of nuns that positions her within Irish social history and assesses her vast international legacy Nano Nagle The Life and the Education Legacy draws on archival materials from three continents providing a compelling account of how one woman's extraordinary life challenged social constraints and championed social justice and equality Leading education historian Deirdre Raftery has produced not only a vital new biographical study of an exceptional Irish woman but also a study of how thousands of Irish women joined the Presentation order of nuns and taught in their schools all over the world Within that is the story of the Irish female diaspora in Newfoundland India North America England Australia Africa and the Philippines Nano Nagle The Life and the Education Legacy throws open a new window on an unknown aspect of Irish social history while also demonstrating Ireland's significant contribution to the global history of female education *Pathways to Religious Life* Thomas Gaunt, SJ, 2018-07-05

The history of religious life in the Catholic Church has been filled with change periods of membership growth and decline shifts in the types of ministries and changes in the ethnic and socioeconomic backgrounds of the men and women who join Today as the numbers of new members diminish some say that the very future of religious life is in jeopardy What is the state of religious life in the United States today Which institutes are increasing in membership and which are decreasing or ceasing to exist From what ethnic and socioeconomic populations are they drawing their members What new religious institutes and ecclesial movements are being founded and how successful are they What influences a young man or woman to consider religious life today How are religious from other countries shaping religious life here as they come to the US to minister Many of these questions can be addressed by data from studies of religious life in the US which the Center for Applied Research in the Apostolate CARA has conducted over the last ten years The impact of the individual's family dynamics and educational experience before their entrance into religious life is examined here as well as the influence of an increasing number of Catholic volunteer programs The emergence of lay associates in religious institutes and the birth of new religious institutes since Vatican Council II in the United States are investigated as new ways of living religious life The increase in the number of sisters and priests studying and ministering in the United States from other countries is examined for its impact on religious life The authors' findings yield valuable recommendations for religious institutes and vocation directors who wish to attract new members Who Shall Take Care of Our Sick? Bernadette McCauley, 2020-03-03 This rich history chronicles the prominent role of Catholic women religious in establishing the hospitals at the core of New York City's extensive Catholic medical network Beginning with the opening of St Vincent's Hospital in 1849 Bernadette McCauley relates how determined and pragmatic women of faith worked over the next eighty years to place the Catholic Church in the mainstream of American medicine Exploring the differences and similarities between Catholic hospitals and other hospitals McCauley describes the particular cultural sensibility and management style that informed Catholic health care and gauges the ultimate success of Catholic efforts Visionary sisters established managed and staffed the hospitals and they sat on

hospital boards and served as administrators at a time when women rarely occupied positions of leadership in business McCauley illustrates how they at once embraced the world of God and the world of man playing an unheralded role in the development of the modern hospital while serving the daily needs of New York's immigrant poor Encompassing such issues as immigration the education of nurses and doctors hospital care and organization and the role of women in the Catholic church this extensive study is a valuable resource for scholars and students in the history of medicine history of nursing American religion and women's history *Common Threads* Sally Dwyer-McNulty, 2014 *Common Threads A Cultural History of Clothing in American Catholicism* **Convent Life in Colonial Mexico** Stephanie Kirk, 2018-10-18 A valuable and logical step in the progression of critical studies on convent writing We have moved from seeing women writers as working at the margins to seeing them as writing subjects Latin American Research Review Consider's nuns not as merely secular or religious writers but through the lens of interdisciplinary study as multifaceted historical agents The importance of the kind of innovative theoretical work undertaken by this text cannot be over emphasized and will offer a both provocative and illuminating read to scholars in a broad range of disciplines Journal of International Women's Studies Kirk reconstructs aspects of the lives of colonial nuns through close up readings of select manuscripts and additionally of published primary sources A lively and provocative addition to the literature on colonial Mexico that offers new insights into the dynamics of religious community Bulletin of Latin American Research A thought provoking contribution to our understanding of community building among colonial Latin American women A Contracorriente A timely scholarly contribution to the field of gender and religion Presents a fresh look at convent literature by specifically analyzing alliances friendships and communities Colonial Latin American Historical Review An interesting and ambitious study of the discourses associated with convent life in Mexico Catholic Historical Review *Roman Catholicism in America* Chester Gillis, 2020-03-24 Who are American Catholics and what do they believe and practice How has American Catholicism influenced and been influenced by American culture and society This book examines the history of American Catholics from the colonial era to the present with an emphasis on changes and challenges in the contemporary church Chester Gillis chronicles America Catholics where they have come from how they have integrated into American society and how the church has influenced their lives He highlights key events and people examines data on Catholics and their relationship to the church and considers the church's positions and actions on politics education and gender and sexuality in the context of its history and doctrines This second edition of *Roman Catholicism in America* pays particular attention to the tumultuous past twenty years and points toward the future of the religion in the United States It examines the unprecedented crisis of sexual abuse by priests the legal moral financial and institutional repercussions of which continue to this day and the bishops role in it Gillis also discusses the election of Pope Francis and the controversial role Catholic leadership has played in American politics **Encyclopedia of Women in World Religions** Susan de-Gaia, 2018-11-16 This reference offers reliable knowledge about women's diverse faith practices

throughout history and prehistory and across cultures Across the span of human history women have participated in world building and life sustaining cultural creativity making enormous contributions to religion and spirituality In the contemporary period women have achieved greater equality with more educational opportunities female role models in public life and opportunities for religious expression than ever before Contemporaneously with this increased visibility women are actively and energetically engaging with religion for themselves and for their communities Drawing on the expertise of a range of scholars this reference chronicles the religious experiences of women across time and cultures The book includes sections on major religions as well as on spirituality African religions prehistoric religions and other broad topics Each section begins with an introduction followed by reference entries on specialized subjects along with excerpts from primary source documents The entries provide numerous suggestions for further reading and the book closes with a detailed bibliography

Ordering Women's Lives Julie Ann Smith,2016-12-05 This book takes an innovative approach to the study of the penitentials and nunnery rules and the ways in which these texts impinged upon the lives of female audiences The study emphasises the importance of the texts for the promotion of Christian values and of the expectations of churchmen in the construction of appropriate Christian behaviour for women in the early medieval West These texts constitute the only written works which would have had direct influence upon the lives of lay and religious women The work focuses upon the elements of the penitentials which provided female specific expectations and these fall largely into two categories of sexuality and pre Christian practices The nunnery rules seldom provided comprehensive sets of behavioural expectations Rather rules emphasised expectations relating to issues of enclosure work and abstinence which came to be perceived as the defining characteristics of religious women **Women Medievalists and the Academy, Two Volumes** Jane Chance,2018-05-22 Long overlooked in standard reference works pioneering women medievalists finally receive their due in Women Medievalists and the Academy This comprehensive edited volume brings to life a diverse collection of inspiring figures through memoirs biographical essays and interviews Covering many different nationalities and academic disciplines including literature philology history archaeology art history theology or religious studies and philosophy each essay delves into one woman s life intellectual contributions and efforts to succeed in a male dominated field Together these extraordinary personal histories constitute a new standard reference that speaks to a growing interest in women s roles in the development of scholarship

and the academy The collection begins in the eighteenth century with Elizabeth Elstob and continues to the present and includes among more than seventy profiles such important figures as Anna Jameson Lina Eckenstein Georgiana Goddard King Eileen Power Dorothy L Sayers Dorothy Whitelock Susan Mosher Stuard Marcia Colish and Caroline Walker Bynum among others

For Peace and For Good Helen Stanton,2017-02-27 For Peace and For Good is the history of the influential Anglican religious order the Community of St Francis Written with the full co operation of the community it sets their story against the wider backdrop of the lives of St Clare and St Francis and the extraordinary surge of women s vocations to the religious life during the Catholic revival in the Church of England It explores the lives of its founding members its growth the various branch houses and the work and ministries in which they engaged in response to God s call First hand accounts by Sisters bring to vivid life the story of a community responding with courage and imagination to the needs opportunities and challenges of their times Their stories provide significant insight and inspiration into what Christian discipleship might need to look like in the twenty first century

Monastic Women and Religious Orders in Late Medieval Bologna Sherri Franks Johnson,2014-04-10 Sherri Franks Johnson explores the roles of religious women in the changing ecclesiastical and civic structure of late medieval Bologna demonstrating how convents negotiated a place in their urban context and in the church at large During this period Bologna was the most important city in the Papal States after Rome Using archival records from nunneries in the city Johnson argues that communities of religious women varied in the extent to which they sought official recognition from the male authorities of religious orders While some nunneries felt that it was important to their religious life to gain recognition from monks and friars others were content to remain local and autonomous In a period often described as an era of decline and the marginalization of religious women Johnson shows instead that they saw themselves as active participants in their religious orders in the wider church and in their local communities

Pope Francis and the Event of Encounter John C. Cavadini,Donald Wallenfang,2018-01-19 Since being elected to the Chair of St Peter on March 13 2013 Pope Francis has given unique shape to the meaning of the new evangelization With his emphasis on the concept of encounter and his stunning expression of pastoral ministry in *Evangelii gaudium* the present pontiff has breathed new life into the Christian vocation to evangelize This book brings together the voices of fifteen American Catholic scholars around the theme of Pope Francis and the Event of Encounter Inaugurating the new series Global Perspectives on the New Evangelization this book incorporates a variety of approaches and questions in order to amplify the theology behind the pontificate of Pope Francis and the most recent developments in the new evangelization Among the topics treated in the book are mercy ecology doctrine culture and the life and ministry of Jorge Mario Bergoglio The reader will be delighted with an array of perspectives that promise to give inspiration for embarking on further frontiers of the new evangelization

Portraits of Women in the American West Dee Garceau-Hagen,2013-04-15 Men are usually the heroes of Western stories but women also played a crucial role in developing the American frontier and

their stories have rarely been told This anthology of biographical essays on women promises new insight into gender in the 19C American West The women featured include Asian Americans African Americans and Native American women as well as their white counterparts The original essays offer observations about gender and sexual violence the subordinate status of women of color their perseverance and influence in changing that status a look at the gendered religious legacy that shaped Western Catholicism and women in the urban and rural industrial and agricultural West *Nursing Research* Patricia L.
