Sites To See Historical Markers In Tulare Country:

Sites to See Annie Rosalind Mitchell,1983 *Report of Historical Landmarks Committee of the Native Daughters Golden West* Native Daughters of the Golden West. Historical Landmarks Committee,1902 **Historic Tulare County** Chris Brewer,2004 *A Selected and Annotated Bibliography on California's Central Valley by Geographic and Subject Theme* Patricia L. De Cos,1996 *Mineral King Recreation Development* Sequoia National Forest,1976 **California Historical Landmarks** ,1979 *Proceedings of the Society for California Archaeology* Society for California Archaeology. Meeting,1988 *Draft Environmental Statement* United States. Bureau of Reclamation,1973 *Central Valley Project Water Use* ,1975 **Southern California Quarterly** ,2000 **The Heart of California** Aaron Gilbreath,2020-11 2022 Oregon Book Award Finalist A vivid journey through California s vast rural interior The Heart of California weaves the story of historian Frank Latta s forgotten 1938 boat trip from Bakersfield to San Francisco with Aaron Gilbreath s trip retracing Latta s route by car during the 2014 drought Latta embarked on his journey to publicize the need for dams and levees to improve flood control Gilbreath made his own trip to profile Latta and the productive agricultural world that damming has created in the San Joaquin Valley to describe the region s nearly lost indigenous culture and ecosystems and to bring this complex yet largely ignored landscape to life The Valley is home to some of California s fastest growing cities and by some estimates produces 25 percent of America s food The Valley feeds too many people and is too unique to be ignored To understand California you have to understand the Valley Mixing travel writing historical recreations western history natural history and first person reportage The Heart of California is a road trip narrative about this fascinating region and its most important early documentarian **California Federation News** ,1925 **The Bicentennial of the United States of America** American Revolution Bicentennial Administration,1977 **HIST SPOTS OLD EDN** Hero Eugene Rensch,Ethel Grace Rensch,Mildred Brooke Hoover,1966 Now in a one volume revised edition this encyclopedia of California historical information remains an ideally practical reference to the state From the dust jacket front flap *Historic Spots in California* Douglas E. Kyle,Hero Eugene Rensch,Ethel Grace Rensch,Mildred Brooke Hoover,William Abeloe,2002-09-06 The only complete guide to the historical landmarks of California this standard work has now been thoroughly revised and updated The edition is enriched by some 200 photographs most of which were taken by the reviser and all of which are new to this edition Since the last revision in 1990 enormous changes have taken place within the state many landscapes and buildings have been greatly altered and some are no longer in existence Every effort has been made through personal observation to record the present condition of the landmarks and to provide clear and accurate descriptions of their locations The text is written with the idea that the reader might use the book while traveling around the state and thus mileage and signposts have been given where it was thought helpful For this new edition the reviser has added additional information on the state s geography the presence of Native Americans and state and local museums To provide historical background the reviser has

written a short historical overview The chapters of the book are organized by county in alphabetical order A rough chronology is followed for each county beginning with pertinent facts on geography continuing with Native American life the coming of the Spaniards and other Europeans the American conquest of the 1840s and in those areas where it had a major impact the gold rush The text then continues into the period of intensive agricultural development railroads industrialization the growth of cities the effects of World War II and on into more recent times The bibliography like the text has been updated to 2001 and includes some of the established classics in California history as well as more recent material Reviews of the Fourth Edition Prodigious in detail and scope this is the definitive guide to historical landmarks in California and a valuable resource not only for travelers but also for anyone interested in California history California Highways This is an outstanding and accessible piece of scholarship one that every student of California will value San Francisco Chronicle Kyle and Stanford University Press are to be lauded for this monumental undertaking Southern California Quarterly California Historical Landmarks California. Department of Parks and Recreation,1967 **Stamps**,1948 **The Texas Frontier and the Butterfield Overland Mail, 1858-1861** Glen Sample Ely,2016-03-04 This is the story of the antebellum frontier in Texas from the Red River to El Paso a raw and primitive country punctuated by chaos lawlessness and violence During this time the federal government and the State of Texas often worked at cross purposes their confused and contradictory policies leaving settlers on their own to deal with vigilantes lynchings raiding American Indians and Anglo American outlaws Before the Civil War the Texas frontier was a sectional transition zone where southern ideology clashed with western perspectives and where diverse cultures with differing worldviews collided This is also the tale of the Butterfield Overland Mail which carried passengers and mail west from St Louis to San Francisco through Texas While it operated the transcontinental mail line intersected and influenced much of the region s frontier history Through meticulous research including visits to all the sites he describes Glen Sample Ely uncovers the fascinating story of the Butterfield Overland Mail in Texas Until the U S Army and Butterfield built West Texas s infrastructure the region s primitive transportation network hampered its development As Ely shows the Overland Mail Company and the army jump started growth serving together as both the economic engine and the advance agent for European American settlement Used by soldiers emigrants freighters and stagecoaches the Overland Mail Road was the nineteenth century equivalent of the modern interstate highway system stimulating passenger traffic commercial freighting and business Although most of the action takes place within the Lone Star State this is in many respects an American tale The same concerns that challenged frontier residents confronted citizens across the country Written in an engaging style that transports readers to the rowdy frontier and the bustle of the overland road The Texas Frontier and the Butterfield Overland Mail offers a rare view of Texas s antebellum past *Periodical Source Index* ,1992 **History of Tulare and Kings Counties, California** Eugene L. Menefee,Fred A. Dodge,1913
