## **Situations Delicates:**

**Political Equilibrium: A Delicate Balance** Peter C. Ordeshook, K.A. Shepsle, 2012-12-06 Peter C Ordeshook and Kenneth A Shepsle If the inaugural date of modern economics is set at 1776 with the publication of Adam Smith's *The Wealth of Nations* then the analytical tradition in the study of politics is not even a decade younger commencing nine years later with the publication of the Marquis de Condorcet's *Essai sur l'application de l'analyse à la probabilité des décisions rendues à la pluralité des voix* The parallel however stops there for unlike Smith and other classical economists who laid an intellectual foundation upon which a century of cumulative scientific research proceeded analytical political science suffered fits and starts Condorcet himself acknowledges the earlier work predating the *Essai* by some fourteen years of Borda and from time to time during the nineteenth century their contributions were rediscovered by Dodgson Nanson and other political philosophers and arithmeticians But by century's end there was nothing in political science to compare to the grand edifice of general equilibrium theory in neoclassical economics Despite roots traversing two centuries then the analytical study of politics is a twentieth century affair The initial inspiration and insight of Condorcet was seized upon just after World War II by Duncan Black who wrote several papers on the equilibrium properties of majority rule in specific contexts Black 1948a b He expanded upon these themes in his now deservedly famous monograph *The Theory of Committees and Elections* and the lesser known essay with R A **The Collaborative Partnership Approach to Care - A Delicate Balance** Laurie N. Gottlieb, RN, MSc(A), PhD, Nancy Feeley, RN, MSc(A), PhD, Cindy Dalton, 2005-11-08 The Collaborative Partnership Approach to Care A Delicate Balance 1e brings together the insights and discoveries by expert clinicians and teachers who use a collaborative approach to care The primary focus of this book is on the relationships between professionals and the people they care for not just between professionals Based on the McGill Model of Nursing the authors stress the value of working in collaboration with the client family or community Written for nursing students of all levels it also will be of interest to health care and mental health professionals Uses a variety of formats to present ideas about collaboration Describes ideas about collaboration from the perspective of expert clinicians who have been using collaboration as their approach to nursing care Integrates quotes from interviews with expert clinicians to illustrate ideas about collaboration Uses examples from clinical practice to help the reader understand how these theoretical ideas are translated into practice Describes ideas used in teaching students about collaboration Raises questions that can guide further research in this area **The Delicate Balance** Chris Evans, Judith Freedman, Richard E. Krever, 2011 Few aspects of revenue law generate stronger feelings than the exercise of discretionary power by tax administrations A delicate balance often needs to be struck between the legitimate needs of revenue authorities and the equally legitimate interests and rights of taxpayers On the one hand the executive and administration need to have sufficient capacity to apply the law on the other there is a need to maintain the principle of the rule of law that it is the elected legislature and not the executive or tax administration that

establishes tax burdens The chapters in this volume explore that delicate balance The Delicate Balance Tax Discretion and the Rule of Law considers the critical questions that arise from the intersections of tax discretion and the rule of law in modern common and civil law jurisdictions What do we mean by tax discretion and how does it vary in conceptual and practical terms in different tax regimes What role should discretion play in tax systems that operate under the rule of law and how large should that role be What are the legal political institutional and other constraints that can prevent abuse of discretion To what extent can and should the legislature safely delegate discretionary powers to tax administrations

**The Delicate Child** Maurine Gee, Helen McIntyre, 1926 *A Delicate Choreography* David Sabeen, 2023-10-24 The origins of the incest taboo have puzzled many of the most influential minds of the West from Plutarch to St Augustine St Thomas Aquinas Martin Luther David Hume Lewis Henry Morgan Sigmund Freud Emile Durkheim Edward Westermarck and Claude Lévi Strauss This book puts the discussion of incest on a new foundation It is the first attempt to thoroughly examine the rich literature from philosophical theological and legal treatises to psychological and biological genetic studies to a wide variety of popular cultural media over a long period of time The book offers a detailed examination of discursive and figurative representations of incest during five selected periods from 1600 to the present The incest discussion for each period is complemented with a presentation of dominant kinship structures and changes without arguing for causal relations Part I deals with the legacy of ecclesiastical marriage prohibitions of the Middle Ages Historians dealing with the Reformation have wondered about the political and social implications of theological debates about the incest rules the Enlightenment opted for sociological considerations of the household and a new anthropology based on the passions Baroque discourse focused upon sexual relations among kin by marriage while Enlightenment and Romantic discussions worried the intimacy of siblings The first section of Part II deals with the six decades around 1900 during which European and American cultures obsessed about the sexuality of women Almost everyone concurred in the idea that mother made the family what it was that she configured the household kept the lines of kinship vibrant and stood at the threshold as stern gatekeeper and many thought that she managed these tasks through her sexuality and an eroticized relationship with sons Another story line taken up in the section Intermezzo this one about the physical and mental consequences of inbreeding appeared after 1850 To what extent do close kin marriages pose risks for progeny At its center lay the incest problematic now restated Is avoidance of kin genetically programmed Do all cultures know about risks of consanguinity As for the twenty first century evolutionary and genetic assumptions are challenged by a living world population containing roughly one billion offspring of cousin marriages Part III deals with one of the perhaps most remarkable reconfigurations of Western kinship in the aftermath of World War I The shift from an endogamous to an exogamous alliance system centered on the nuclear family An historical anomaly this family form began to dissolve almost as soon as it came together and in the process shifted the focus of incest concerns to a new pairing father and daughter By the 1970s when the father daughter problematic swept all other considerations of incest aside that

relationship had come to be modeled for the most part around power and its abusive potential As for incest its representations in the last three decades of the twentieth century no longer focused on biologically damaged progeny but rather on power abuses in the nuclear family sexual abuse By the mid 1990s Western culture at least partly redirected its gaze away from father and daughter towards siblings especially towards brothers and sisters and the sexual boundaries and erotics of their relationships Correspondingly siblings became a model organism for psychotherapy evolutionary biology and the science of genetics

**The Delicate Dance** Paula Heariold-Kinney,2020-12-10 The Delicate Dance Living White Being Black A Memoir By Paula Heariold Kinney Societal forces that shaped her life as a black woman impact Paula s life She finds herself attempting to fit into a dominant white society She describes events from childhood to present that contributed to her life experiences She addresses her parents endeavors to teach her how to assimilate and to value the white culture in order to succeed in life She finds herself concealing her cultural identity when she is in an all white environment A hurtful childhood encounter shaped her mindset in believing being black was a negative attribute As a four year old she experienced a very negative situation which launched the beginning of a trajectory that compelled her to transform her life by assiduously working diligently to assimilate into a white society She captivates the love and strong foundation of growing up in a black family Yet the complexity of doing a delicate dance between two cultures was not without anguish Paula shares both her outward journey and her inward journey Although she becomes a successful professional woman it was fraught with experiencing emotional mental and psychological consequences

*A Most Delicate Monster* Jean Dartnall,1998-12-31 A Most Delicate Monster will be particularly useful for practitioners The focus is on the running of small special libraries and particularly the one person library A professional outlook is maintained without neglecting the full range of tasks required in a one person library The practical orientation is supported by the use of checklists Although the book is written with special librarians in mind others will find it useful especially solo librarians

**Cold CEO and Delicate Wife** Da Moshenqianshou,2019-12-30 Ling Feng could only feel that there was a ferocious beast roaring non stop inside her body roaring angrily After that it finally burst open the cage as if it couldn t take the rage anymore He tightened his fist and abruptly smashed it against the wall creating another deafening crash This is how you treat my trust Greem Greem this is how you challenge my bottom line That s how you made our relationship worse Green Very well since that is the case I shall grant you your wish

**Burning Bridges of the Delicate** KDM,2014-11-14 Burning Bridges is a much deeper and darker look at social political and emotional issues Poems that go from full rage to a softened view about life The collection is meant to cause discussion and maybe even some controversy

Treading a Delicate Tightrope Mike Burton,2022-04-29 When Mike Burton became the principal of All Saints College in the Eastern Cape province of South Africa little did he know about the journey on which he was embarking Very soon after taking up the position Mike realised that the vision of the founding organisation was becoming irrelevant as education and politics converged reaching a crisis point in the second half of the

1980s Mike found himself walking the tightrope between the expectations of the funders on the one hand and those of the students and community on the other. Matters reached a tipping point and Mike had to make a decision. As Comrade Mike he elected that the interests of the students and the community take precedence. Mike chose education AND liberation. Mike Burton's *Tightrope* is a gripping personal account that transports the reader back to the liberation struggle of the 1980s and the educational issues that informed policy in the nascent democracy. The book will be of particular interest to those involved in education at the time as well as anybody who observed or was engaged during that turbulent period of change. **The**

**Delicate Art of Bureaucracy** Mark Schwartz. Mark Schwartz, 2020-10-13. Mark Schwartz, author of leadership classics *A Seat at the Table* and *The Art of Business Value*, reveals a new empowering model for the often soul-shattering, frustrating, Kafkaesque nightmare we call bureaucracy. Through humor, a healthy dose of history and philosophy, and real-life examples from his days as a government bureaucrat, Schwartz shows IT leaders and the whole of business how to master the ways of the Monkey, the Razor, and the Sumo Wrestler to create a lean learning and enabling bureaucracy. For anyone frustrated by roadblocks, irritated the business can't move fast enough, or suffering under the weight of crushing procedures, this book is for you. No matter your role, you need a playbook for bureaucracy. This is it. With this playbook, you can wield bureaucracy as a superpower and bust through it at the same time. [In the Cave of the Delicate Singers](#) Lucy Taylor, 2015-07-15.

*In the Cave of the Delicate Singers* by Lucy Taylor is a horror story about a woman with a rare form of synesthesia who can feel sound waves and the dangerous rescue mission she undertakes in a cave with a nasty past. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. [Things I wish I knew sooner 3](#) Dennis Schjødt Hansen, 2024-02-15.

*Things I Wish I Knew Sooner 3* Dennis Schjødt Hansen returns with a compelling collection of life lessons combining personal anecdotes with universal insights in a narrative that is both intimate and far-reaching. Each chapter is a reflection on a fundamental truth, exploring themes of resilience, growth, relationships, and mindfulness. Dennis invites readers into his world, sharing stories that range from navigating career challenges to fostering meaningful connections. He discusses the importance of learning from failure, the art of balancing personal and professional life, and the significance of embracing change. There's a focus on cultivating self-awareness and understanding the impact of our choices on our journey. A recurring theme is the value of perspective: seeing the beauty in the ordinary and finding joy in life's simple moments. Dennis emphasizes the power of gratitude, the strength found in vulnerability, and the courage required to be true to oneself. *Things I Wish I Knew Sooner 3* isn't just about imparting wisdom; it's about igniting a conversation with the reader. It's an invitation to pause, reflect, and consider one's path. The book challenges readers to question their assumptions, to seek out their own truths, and to embrace life's lessons with an open heart. Throughout, Dennis's writing is relatable and heartfelt, speaking to the shared human experience. His insights are punctuated with moments of clarity and revelation, offering readers a mirror to their own lives. This book is an invaluable companion for anyone at a crossroads looking for guidance or

simply seeking a deeper understanding of life's journey. It's a testament to the power of reflection, the beauty of growth, and the endless possibilities that life offers. In *Things I Wish I Knew Sooner*, every page is an opportunity for growth, every chapter a step towards a more fulfilled and mindful life. Join Dennis on this journey of discovery and be part of a story that continues to unfold with each reader it touches.

Social Robotics Miguel A. Salichs, Shuzhi Sam Ge, Emilia Ivanova Barakova, John-John Cabibihan, Alan R. Wagner, Álvaro Castro-González, Hongsheng He, 2019-11-21. This book constitutes the refereed proceedings of the 11th International Conference on Social Robotics ICSR 2019 held in Madrid, Spain, in November 2019. The 69 full papers presented were carefully reviewed and selected from 92 submissions. The theme of the 2018 conference is Friendly Robotics. The papers focus on the following topics: perceptions and expectations of social robots; cognition and social values for social robots; verbal interaction with social robots; social cues and design of social robots; emotional and expressive interaction with social robots; collaborative SR and SR at the workplace; game approaches and applications to HRI; applications in health domain; robots at home and at public spaces; robots in education; technical innovations in social robotics; and privacy and safety of the social robots.

*The Delicate Distress* Elizabeth Griffith, 2014-10-17. Actress, playwright, and novelist Elizabeth Griffith (1727-1793) won fame in England with the publication in 1757 of the first two volumes of *Letters Between Henry and Frances*, letters from her own courtship with Richard Griffith, whom she secretly married in 1751. Her first novel, *The Delicate Distress* (1769), focuses on the problems women encounter after marriage: the issue of financial independence for wives, the consequences of interfaith relationships, and the promiscuity of their husbands. Against a backdrop of rural England and Paris of the ancien régime, Griffith reimagines the epistolary novel of sensibility in the tradition of Samuel Richardson and Jean-Jacques Rousseau from a feminist perspective that centers on strong, intelligent, and virtuous women. Two sisters exchange letters about urgent ethical questions concerning love, marriage, morality, art, the duties of wives and husbands, and passion versus reason, while two men correspond about the same subjects. At the story's center is the deep distress of Emily Woodville, a virtuous young newlywed who suspects her husband of infidelity with a French marchioness from his past. The third volume in the series *Eighteenth Century Novels by Women*, *The Delicate Distress* contributes to our understanding of the development of the novel. As Cynthia Ricciardi and Susan Staves show, Griffith's exploration of the psychology of characters who observe and reflect but engage in no grand public actions anticipates Henry James. The editors' introduction places *The Delicate Distress* firmly in the tradition of the English novel, provides the most complete biography available on Griffith's life, and brings together the most important eighteenth- and twentieth-century criticism of the novelist's work.

*The Delicate Balance* Adrienne Evans Johnson, 2011-10-05. Marriage is in crisis. The divorce rate is high, and both men and women have gravitated to roles that are unstable, unhealthy, and unnatural. The thing that we desire the most seems to give the most turmoil. How can it be that God created marriage as the foundational relationship for society, and yet it is the most difficult of relationships? How is it that God said, "It is not good for

man to be alone yet every time man and woman get together their union brings more smoke than fire Is it the two becoming one that creates the problem or the choices we make in marriage God has a wonderful plan for marriage that carefully blooms into a delightful union when you choose Him as your guide Every woman who desires a marriage made in heaven will appreciate Adriennes honest open and real approach to the difficult areas of marriage She shares real life experiences that inspire encourage and re affirm the value of womanhood and the beauty of holy matrimony *Ethical Intersections* Jeanne Daly,2019-03-13 This book presents a collection of essays that aims to make public the social discourse on ethics of health research used by responsible practising researchers in order to demonstrate the detailed and fine consideration given to the ethics of the research task

**Undeniably Yours: Book Two of The Kowalskis** Shannon Stacey,2010-11-01 One night stand two percent condom failure rate happily ever after Bar owner Kevin Kowalski is used to women throwing their phone numbers at him but lately he s more interested in finding a woman to settle down with A woman like Beth Hansen If only their first meeting hadn t gone so badly Beth s tending bar at a wedding when she comes face to face with a tuxedo clad man she never thought she d see again She tries to keep her distance from Kevin but by last call she can t say no to his too blue eyes or the invitation back to his room Then she slips out before breakfast without leaving a note and despite their precautions pregnant Kevin quickly warms to the idea of being a dad and to seeing where things go with Beth After all he s not the player she thinks he is But she s not ready for a relationship and given his reputation it s going to take a lot to convince her to go on a second date with the father of her child 74 000 words
