Leadership Rules: What Leaders Need to Know and Do to Run Great Schools Jo Facer,2024-10-22 What do great leaders need to do to run great schools This exciting new book from Jo Facer takes the theory ideas and vision that so many leaders share and translates it into the small steps that busy school leaders can take that together lead to big positive changes Exploring the

three cornerstones of a great education behaviour curriculum and teaching as well as the oft neglected operations the book outlines the theory and what best practice looks like in each area and then reveals the leadership actions that enable schools to get there Each chapter also features real case studies from school leaders who explain how they have implemented the ideas and the impact they have had in their settings Full of practical sustainable ideas to implement in the short and long term this is essential reading for all leaders in primary and secondary schools

Succession Management the "How To" Puzzle—Solved! Mark Caruso, 2014-03-18 Organizations have risk management strategies and procedures in place for disaster recovery for employee safety for computer system outages and more But not all organizations have an active succession planning strategy in place which is a risk management plan for the key talent in the organization But consider this how much would it benefit your organization to predict leadership openings using data and discussions in the same way that you predict other business risks How much would it reduce your external recruiting costs to address future leadership gaps by proactively developing your top talent with a sense of urgency to avoid or to lessen the negative impact of a predicted leadership opening when it arrives The truth is that eventually each employee will leave the organization Therefore the risk management function of succession planning is the most critical risk management function for organizational success Effective succession planning is a process of fitting together the puzzle pieces of organizational talent needs and employee career interests for the purpose of identifying retaining and developing talent for business success This book provides the strategy and the puzzle pieces you will need to plan and to implement an active and effective succession program for your organization Succession management expert Mark Caruso has created easy to use plans and tools you can use to create and implement a succession strategy that achieves results and doesn't sit on a shelf Use the interview guides and the talent meeting agendas in this book to generate rich talent discussions and to make better talent decisions Refer to the leadership models and ideas in this book to build leadership programs that address the competency needs of your top talent and successors Make sure you have an effective succession plan in place for the most critical important asset of your company your talent
