Sebastian Brünink

Six White Horses:

How to Read the Bible James L. Kugel, 2012-05-01 James Kugel's essential introduction and companion to the Bible combines modern scholarship with the wisdom of ancient interpreters for the entire Hebrew Bible. As soon as it appeared, *How to Read the Bible* was recognized as a masterwork, awesome, thrilling. The New York Times wonderfully interesting, extremely well presented. The Washington Post and a tour de force, a stunning narrative. Publishers Weekly: Now this classic remains the clearest, most inviting and readable guide to the Hebrew Bible around and a profound meditation on the effect that modern biblical scholarship has had on traditional belief. Moving chapter by chapter, Harvard professor James Kugel covers the Bible's most significant stories: the Creation of the world, Adam and Eve, Cain and Abel, Noah and the flood, Abraham and Sarah, Jacob and his wives, Moses and the exodus, David's mighty kingdom, plus the writings of Isaiah, Jeremiah, and the other prophets, and on to the Babylonian conquest and the eventual return to Zion. Throughout, Kugel contrasts the way modern scholars understand these events with the way Christians and Jews have traditionally understood them. The latter is not, Kugel shows, a naïve reading; rather, it is the product of a school of sophisticated interpreters who flourished toward the end of the biblical period. These highly ideological readers sought to put their own spin on texts that had been around for centuries, utterly transforming them in the process. Their interpretations became what the Bible meant for centuries and centuries until modern scholarship came along. The question that this book ultimately asks is: What now? As one reviewer wrote, Kugel's answer provides a contemporary model of how to read Sacred Scripture amidst the oppositional pulls of modern scholarship and tradition.

How to transcend a happy marriage (TCG Edition) Sarah Ruhl, 2019-09-03 This new play is a subversive enchantment. It is part absurd domestic seriocomic, part erotic magic realism, unflinching about taboos and about questioning that just maybe monogamy isn't enough. Linda Winer, *Newsday*. Over dinner with another married couple, George and her husband grow fascinated by stories of their friend's new acquaintance, an intriguing younger woman named Pip. What begins as an innocent intellectual discussion turns into a sexually explosive New Year's Eve party after George extends an invitation to Pip, and her two live-in boyfriends raise the question: What ultimately binds human beings together?

Entertaining Unplugged Children Christine Grant, 2016-10-14 *Entertaining Unplugged Children* was written to assist parents and children in their quest to find entertaining things to do when children are unplugged from the various technologies. Outdoor play with a lot of kids and indoor things with a few children are covered. Being unplugged does not necessarily mean doing physical activities; so quiet activities are also explored, from kids' songs to nursery rhymes and prayers. There are even a few arts and craft activities, but that would be another book in itself. Have fun learning, sharing, or revisiting things that you might have done growing up.

Bert Weedon's Play In A Day Bert Weedon, 2021-11-15 The full eBook version of Bert Weedon's *Play in a Day* in fixed layout format. *Play in a Day* remains the world's most successful guitar tutor.
