Winegard, 2024-07-30 From New York Times bestselling author of *The Mosquito* the incredible story of how the horse shaped human history Timothy C Winegard s *The Horse* is an epic history unlike any other Its story begins more than 5 500 years ago on the windswept grasslands of the Eurasian Steppe when one human tamed one horse an unbreakable bond was forged and the future of humanity was instantly rewritten placing the reins of destiny firmly in human hands Since that pivotal day the horse has carried the history of civilizations on its powerful back For millennia it was the primary mode of transportation an essential farming machine a steadfast companion and a formidable weapon of war Possessing a unique combination of size speed strength and stamina the horse dominated every facet of human life and shaped the very scope of human ambition And we still live among its galloping shadows Horses revolutionized the way we hunted traded traveled farmed fought worshipped and interacted They fundamentally reshaped the human genome and the world s linguistic map They determined international borders molded cultures fueled economies and built global superpowers They decided the destinies of conquerors and empires And they were vectors of lethal disease and contributed to lifesaving medical innovations Horses even inspired architecture invention furniture and fashion From the thundering cavalry charges of Alexander the Great to the streets of New York during the Great Manure Crisis of 1894 and beyond horses have shaped both the grand arc of history and our everyday lives Driven by fascinating revelations and fast paced storytelling *The Horse* is a riveting narrative of this
