

HISTORICAL
SKETCHES OF LOUISIANA.

CHAPTER I.

THE Spaniards and the French discovered and settled Florida and Louisiana long before Louisiana was known. These early navigators have a direct knowledge of the various affairs and those nations in the same world, and hence in connection with it there will not be abundant knowledge for the sketches of those Nations, particularly as they attend no other source of light on the points presented by truth in the establishment of their Colonies.

After the Spaniards landed on the Florida, nearly twenty years elapsed before they discovered any new American ports. Exploring ships visited their unexplored continent gradually and gradually, especially in Cuba and Mississippi. They soon discovered the sources of their navigation, and those were America's rivers the only that navigable that traverse the earth, not passing the rocks of the mountains. These people were acquainted the nature of the policy of the Spaniards. They

SKETCHES, HISTORICAL AND DESCRIPTIVE, OF LOUISIANA. AMOS. STODDARD, 2018 **Sketches, Historical and Descriptive, of Louisiana** Amos Stoddard, 1812 *Sketches, Historical and Descriptive, of Louisiana* Amos Stoddard, 1812
Sketches, Historical and Descriptive, of Louisiana, by Major Amos Stoddard... Amos Stoddard (Major.), 1812

Sketches, Historical and Descriptive, of Louisiana (Classic Reprint) Amos Stoddard, 2016-11-11 Excerpt from Sketches Historical and Descriptive of Louisiana No wonder then that Louisiana at the time of the cession was so little known to the United States They had suddenly and unexpectedly acquired a territory of which they knew not the extent they were equally unacquainted with its climates soils and productions the magnitude and importance of its numerous rivers and its commercial and other natural advantages I therefore indulge the expectation that the subsequent sketches however inaccurate or erroneous will not prove wholly unacceptable to the public particularly as no one before me to my knowledge has attempted an history and description of this territory Historians have but partially noticed that country none of their works seem to embrace in regular detail any considerable number of years they are extremely barren of events and unfortunately contain many chasms These are in part supplied from some ancient manuscript journals and other documents to which I gained access yet it is to be regretted that materials are still wanting to exhibit even the prominent historical features of Louisiana The writings of missionaries at least those I have seen and the accounts published by French officers who were employed in the country during part of the two last centuries are mostly of an uninteresting nature I am however much indebted to both dead and living authors and if I have been less solicitous to acknowledge my obligations to them than to collect and arrange the substance of their labors it was because I relucted at marginal and other references About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Sketches, Historical and Descriptive, of Louisiana** Amos Stoddard, Henry Marie Brackenridge, 1819

Historical and Descriptive of Louisiana Amos Stoddard, 2023-07-18 Originally published in 1812 this fascinating book offers a detailed look at the history and culture of Louisiana in the early 19th century Drawing on a wide range of sources including personal accounts and official government documents the author provides a vivid portrait of life in this unique and vibrant region Whether you're a history buff or just curious about the world around you this book is an informative and entertaining read This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within

the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
