Sketches In His Own Key:

Keys to Drawing with Imagination Bert Dodson, 2017-06-28 Draw with Confidence and Creativity New in paperback Creativity occurs in action It is not a trait it is something you do To be creative you need to engage in the art making process When you are in the flow you shift out of the future and into the present making connections generating variations and surrendering to the process This ten year edition of Keys to Drawing With Imagination is a course for artists in how to take something do something to it and make something new Bert Dodson author of the best selling Keys to Drawing more than 250 000 copies sold presents fun techniques and mind stretching strategies to get you drawing better and more imaginatively than you ever have before In every section he offers you basic guidelines that help you channel your creative energies in the right direction Before you know it you ll lose yourself in the process enjoying the experience as you create something gratifying and worthwhile The subjects covered in this hands on book are as vast as the imagination itself Through 58 strategies 36 exercises and 13 step by step demonstrations you ll explore how to Take your doodling from mindless to masterful Create your own reality by crumbling melting or breaking objects Flip the familiar on its ear to create something utterly original Experiment with visual paradox and metaphor Tell vivid stories through the details in your drawings Play with patterns to create captivating compositions Build your drawings by borrowing ideas from different cultures Develop a theme in your work Along the way Dodson offers you priceless advice on the creative process culled from his 70 years of drawing and teaching For additional inspiration and encouragement he includes the work of 30 other outstanding artists including R Crumb and Maya Lin So what are you waiting for Grab this book and start drawing You ll be amazed at what you can create Note to readers This book is a 10 year anniversary paperback reprint of the Keys to Drawing with Imagination hardcover edition 2006 *Sketches New and Old, Illustrated, V1*, 2020-09-28 *The Greatest Cult Television Shows of All Time* Christopher J. Olson, CarrieLynn D. Reinhard, 2020-05-29 Reaching back to the beginnings of television The Greatest Cult Television Shows offers readers a fun and accessible look at the 100 most significant cult television series of all time compiled in a single resource that includes valuable information on the shows and their creators While they generally lack mainstream appeal cult television shows develop devout followings over time and exert some sort of impact on a given community society culture or even media industry Cult television shows have been around since at least the 1960s with Star Trek perhaps the most famous of that era However the rise of cable contributed to the rise of cult television throughout the 1980s and 1990s and now with the plethora of streaming options available more shows can be added to this categorization Reaching back to the beginnings of television the book includes such groundbreaking series as The Twilight Zone and The Prisoner alongside more contemporary examples like Crazy Ex Girlfriend and Hannibal The authors provide production history for each series and discuss their relevance to global pop culture To provide a more global approach to the topic the authors also consider several non American cult TV series including British Canadian and Japanese shows Thus Monty Python

s Flying Circus appears alongside Sailor Moon and Degraasi Junior High Additionally to move beyond the conception of cult as a primarily white heteronormative fanboy obsession the book contains shows that speak to a variety of cult audiences and experiences such as *Queer as Folk* and *Charmed* With detailed arguments for why these shows deserve to be considered the greatest of all time Olson and Reinhard provide ideas for discussion and debate on cult television Each entry in this book demonstrates the importance of the 100 shows chosen for inclusion and highlights how they offer insight into the period and the cults that formed around them
