Drawing for Beginners Jasmina Susak, How to draw in a nutshell by popular pencil artist Jasmina Susak This book is about drawing for beginners and it is helpful to those interested in developing basic knowledge and skills It is concise clear very easy to understand and well written in a friendly way filled with encouragement and complemented with a lot of illustrations This book features verbal and visual explanations which make the learning much easier and with better results The author contends that drawing and shading are skills that anyone can develop through patience and a lot of time spent practicing your drawing even with little to no special talent for it Why should you choose this book over the hundred others of the same topic Because the author will teach you to draw realistic lifelike drawings and to give life to your drawings instead of making flat lifeless drawings Because the author is a self taught artist who can tell you about her own experience and what she has gone through instead of repeating the curriculum that she would have learned in school if she had attended any art school Because the author won't tell you Add some shading that you can read in plenty of how to draw books by other authors but she will explain to you in detail how to do it and how she does it with no further questions Because through this book you won't just learn how to draw a cube or cylinder that no one needs but the things that you will want to draw for yourself or for the people around you animals human faces every day objects 3D drawings and more Because the author will explain to you what she has realized through her years spent on drawing so that you don't have to think about how to do something but immediately to start doing it saving you time on studying and searching for the answers on the Internet Because the author will encourage you to keep on drawing and inspire you so that you will never want to stop doing it In this book you will find a lot of tips and tricks to kick start your artwork and help you to achieve stunning results Enjoy learning

The Top Books of the Year Sketching For Beginners The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. Sketching For Beginners : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Sketching For Beginners : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
