her modern day angst into something timeless moving and unfailingly funny      **Girl on Girl** Sophie Gilbert, 2015-04-29  
Named a most anticipated book of Spring by Washington Post Harper's Bazaar Marie Claire Bustle LitHub Our Culture  
Kirkus AV Club and WNYC From Atlantic critic and Pulitzer Prize finalist Sophie Gilbert a blazing critique of early aughts pop  
culture What happened to feminism in the twenty first century This question feels increasingly urgent in a moment of cultural  
and legislative backlash when widespread uncertainty about the movement's power focus and currency threatens decades of  
progress Sophie Gilbert identifies an inflection point in the late 1990s and early 2000s when the energy of third wave and  
riot grrrl feminism collapsed into a regressive period of hyper objectification sexualization and infantilization Mining the  
darker side of nostalgia Gilbert trains her keen analytic eye on the most revealing cultural objects of the era across music  
film television fashion tabloid journalism and more What she recounts is harrowing from the leering gaze of the paparazzi to  
the gleeful cruelty of early reality TV and a burgeoning internet culture vicious toward women in the spotlight and damaging  
for those who weren't Gilbert tracks many of the period's dominant themes back to the rise of internet porn which gained  
widespread influence as it began to pervade our collective consciousness The result is a devastating portrait of a time when a  
distinctly American blend of excess materialism and power worship collided with the culture's reactionary puritanical and  
chauvinistic currents Amid a collective reconsideration of the way women are treated in public Girl on Girl is a blistering  
indictment of the matrix of misogyny that undergirded the cultural production of the early twenty first century and continues  
to shape our world today      **Digesting Femininities** Natalie Jovanovski, 2017-07-18 This volume addresses how the  
rhetoric of feminist empowerment has been combined with mainstream representations of food thus creating a cultural  
consciousness around food and eating that is unmistakably pathological Throughout Natalie Jovanovski discusses key texts  
written by women for women best selling diet books popular cookbooks produced by female food celebrities and iconic  
feminist self help texts This is the first book to engage in a feminist analysis of body policing food trends that focus  
specifically on the use of feminist rhetoric as a harmful aspect of food culture There is a smorgasbord of seemingly diverse  
gender roles for women to choose from but many encourage breaking gender norms and embracing a love of food while  
perpetuating old narratives of guilt and restraint Digesting Femininities problematizes the gendering of food and eating and  
challenges the reader to imagine what a genderless and emancipatory food culture would look like      **A Life in Balance**  
Meg Wolff, 2010-12-16 The first title in Down East Books Best Maine Food series this inspirational cookbook proves that good  
food fosters good health When conventional medical treatments couldn't stop Meg Wolff's breast cancer in 1998 doctors told  
her to prepare her soul Instead she began a diet based on whole grains vegetables and beans and started getting better Now  
vibrantly healthy Meg is living proof that changing your diet can indeed save your life This cookbook is full of Meg's easy

*Food, Feminisms, Rhetorics* Melissa A. Goldthwaite, 2017-06-19 Inspired by the need for interpretations and critiques of the varied messages surrounding what and how we eat Food Feminisms Rhetorics collects eighteen essays that demonstrate the importance of food and food related practices as sites of scholarly study particularly from feminist rhetorical perspectives Contributors analyze messages about food and bodies from what a person watches and reads to where that person shops taken from sources mundane and literary personal and cultural This collection begins with analyses of the historical cultural and political implications of cookbooks and recipes explores definitions of feminist food writing and ends with a focus on bodies and cultures both self representations and representations of others for particular rhetorical purposes The genres objects and practices contributors study are varied from cookbooks to genre fiction from blogs to food systems from product packaging to paintings but the overall message is the same food and its associated practices are worthy of scholarly attention

Winch, 2013-11-06 From Mean Girl to BFF Girlfriends and Postfeminist Sisterhood explores female sociality in postfeminist popular culture Focusing on a range of media forms Alison Winch reveals how women are increasingly encouraged to strategically bond by controlling each other s body image through the girlfriend gaze

*Confronting Animal Exploitation* Kim Socha, Sarah Jane Blum, 2013-02-06 As animal exploitation increases animal liberation issues are of growing concern as seen through the rise of veganism academic disciplines devoted to animal issues and mainstream critiques of factory farms Yet as the dialogues debates and books continue to grow the voices of street level activists not academics journalists or vegan chefs are rarely heard This volume broadens animal liberation dialogues by offering the arguments challenges inspiration and narratives of grassroots activists The essays show what animal advocacy looks like from a collective of individuals living in and around Minnesota's Twin Cities the essayists however write of issues both personal and political that resound on a global scale This collection provides a platform for rank and file activists to explain why and how they dedicate their time and what is being done for animals on a local level that can translate to global efforts to end animal exploitation
