

THESE INMATES ARE "BUSTING OUT" AND "BREAKING OUT"

SLAMMER GIRLS is a bawdy ball and chain comedy that will make you "break out" laughing! It tells the story of Melody Campbell – a young and innocent blonde framed for the attempted assassination of the governor.

Sent to the women's penitentiary, Melody encounters a strange new life with even stranger cellmates – including an ex-hooker, a nymphomaniac and an undercover reporter dressed in drag! Knowing she'll get no favours from Candy Treat, the governor's playmate and the warden, Melody engineers a hilarious break out that will make you bust out laughing!

Slammer Girls – they'll do anything to get out!

Hollywood v. Hard Core Jon Lewis, 2002-09-01 A tale of censorship and regulation at the heart of the modern film industry In 1972 The Godfather and Deep Throat were the two most popular films in the country One a major Hollywood studio production the other an independently made skin flick At that moment Jon Lewis asserts the fate of the American film industry hung in the balance Spanning the 20th century Hollywood v Hard Core weaves a gripping tale of censorship and regulation Since the industry's infancy film producers and distributors have publicly regarded ratings codes as a necessary evil Hollywood regulates itself we have been told to prevent the government from doing it for them But Lewis argues that the studios self regulate because they are convinced it is good for business and that censorship codes and regulations are a crucial part of what binds the various competing agencies in the film business together Yet between 1968 and 1973 Hollywood films were faltering at the box office and the major studios were in deep trouble Hollywood's principal competition came from a body of independently produced and distributed films from foreign art house film Last Tango in Paris to hard core pornography like Behind the Green Door that were at once disreputable and for a moment at least irresistible even chic In response Hollywood imposed the industry wide MPAA film rating system the origins of the G PG and R designations we have today that pushed sexually explicit films outside the mainstream and a series of Supreme Court decisions all but outlawed the theatrical exhibition of hard core pornographic films Together these events allowed Hollywood to consolidate its iron grip over what films got made and where they were shown thus saving it from financial ruin
