## **Slapstick Encyclopedia Vol 7 The Race Is On:**

Video Source Book ,2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction

Theatre Organ ,1999      *Bowker's Complete Video Directory* ,2000      **The Rough Guide to Comedy Movies** Bob McCabe,2005 This guide discusses laughter in the cinema from Airplane to Withnail and I and from John Belushi to Billy Wilder      America's Darwin Tina Gianquitto, Lydia Fisher,2014 An engaging collection of interdisciplinary essays on the distinctive qualities of America s textual engagement with Darwinian evolutionary theory especially in regard to On the Origin of Species which highlights the influence of prevalent cultural anxieties on interpretation      **Arts & Entertainment Fads** Frank W. Hoffmann, William G. Bailey,1990 The first book in a multi volume set on American fads Gives data on the entertainers art movies literature television programs and music that have captured national attention and followers in the past 200 years Each of the 120 entries examines the nature of the fad and its importance to the American scene influencing our vocabularies fashions leisure time pursuits expectations about life marketing strategies and spending habits Annotation copyrighted by Book News Inc Portland OR      *New York Magazine* ,1989-02-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      The Routledge Encyclopedia of Films Sabine Haenni, Sarah Barrow, John White,2014-09-15 The Routledge Encyclopedia of Films comprises 200 essays by leading film scholars analysing the most important influential innovative and interesting films of all time Arranged alphabetically each entry explores why each film is significant for those who study film and explores the social historical and political contexts in which the film was produced Ranging from Hollywood classics to international bestsellers to lesser known representations of national cinema this collection is deliberately broad in scope crossing decades boundaries and genres The encyclopedia thus provides an introduction to the historical range and scope of cinema produced throughout the world      On the Margins of Realism Ting Luo,2025-03-31 Realism has been endowed with a certain orthodox status as the aesthetic counterpart of China s modernization and studies of Chinese film history have largely accepted a master narrative of realism as the guiding aesthetic of mainland Chinese cinema This book argues however that alternative aesthetics to realism have always existed in Chinese cinema throughout its history from the early silent era to the new century The alternative aesthetics are closely linked to the indigenous Chinese ontology of cinema namely shadowplay yingxi The author presents an alternative account through a close examination of four distinct visual narrative and stylistic devices or themes that recur in different periods of Chinese film history the dream representation the doubling of characters the device of self reflexivity and the allegorical

construction of space By considering specific films and scenes as problematic sites where history politics and aesthetics collide this book also seeks to elucidate the relationship between cinema and the multifaceted experiences of Chinese modernity with respect to subjectivity ideology identity and nationality This book will be of interest to scholars and students of Chinese cinemas realism and modernism

*When the World Laughs* William V. Costanzo, 2020-02-03 *When the World Laughs* is a book about the intersection of humor history and culture It explores how film comedy one of the world's most popular movie genres reflects the values and beliefs of those who enjoy its many forms its most enduring characters and stories its most entertaining routines and funniest jokes What people laugh at in Europe Africa or the Far East reveals important truths about their differences and common bonds By investigating their traditions of humor by paying close attention to what kinds of comedy cross national boundaries or what gets lost in translation this study leads us to a deeper understanding of each other and ourselves Section One begins with a survey of the theories and research that best explain how humor works It clarifies the varieties of comic forms and styles identifies the world's most archetypal figures of fun and traces the history of the world's traditions of humor from earliest times to today It also examines the techniques and aesthetics of film comedy how movies use the world's rich repertoire of amusing stories gags and wit to make us laugh and think Section Two offers a close look at national and regional trends It applies the concepts set forth earlier to specific films across a broad spectrum of sub genres historical eras and cultural contexts providing an insightful comparative study of the world's great traditions of film comedy

Stoogeology Peter Seely, Gail W. Pieper, 2007-05-15 In the world of slapstick comedy few are more beloved than the Three Stooges Throughout their 190 short films they consistently delivered physical verbal and situational comedy in new and creative ways Following the trio from outer space to ancient Rome this volume provides an in depth look at their comedy and its impact on twentieth century art culture and thought This analysis reveals new insights into the language literary structure politics race gender ethnicity and even psychology of the classic shorts It discusses the elements of surrealism within the Stooges films exploring the many ways in which they created their own reality regardless of time and space The portrayal of women and minorities and the role of the mistake in Stooges works are also addressed Moreover the book examines the impact that the Columbia Studios style and the austerity of its Short Subjects Department had on the work of the Three Stooges films that ironically have outlasted more costly and celebrated productions *The Psychology of Humor* Jon Roenneklein, 2002-02-28 This work traces the origins and evolution of the concept of humor in psychology from ancient to modern times with an emphasis on an experimental empirical approach to the understanding of humor and sense of humor In addition to more than 3 000 important citations and references pertaining to the history theories and definitions of the concept of humor this reference guide contains more than 380 recent post 1970 annotated entries on the psychology of humor in its bibliographic section The book describes various psychological nonpsychological and philosophical theories and definitions of humor and focuses on the methodological concerns of psychologists regarding the scientific investigation of humor The bibliography is organized under 10 categories including Bibliographies and Literature Reviews of Humor Cognition and Humor Methodology and Measurement of Humor and Social Aspects of Humor Vaudeville on the Diamond David M. Sutera, 2014-01-09 Over the last couple of decades minor league baseball games have shown substantial attendance figures with more than forty one million spectators in both 2010 and 2011 With all the high tech live streaming fast paced entertainment available to consumers what is it about minor league baseball that still holds appeal with today s audiences With access to major league games broadcast on countless cable networks what draws fans to small stadiums to watch obscure players struggle to make the big time Sports historian David M Sutera set out to answer these questions by visiting fourteen minor league baseball parks around the country In *Vaudeville on the Diamond* Sutera discusses the lure of minor league baseball with fans players and team representatives examining how teams have survived and thrived in today s competitive entertainment world Combining interviews with game day observations Sutera argues that minor league baseball s key to survival lies in the creation of on and off field attractions that invoke the traditions of vaudeville with their unique and quirky spectacle From inviting fans to participate in dizzy bat competitions and races against the mascot to featuring Star Wars theme nights and monkeys riding border collies teams have created a multifaceted form of entertainment that transcends the game itself Part study and part travelogue *Vaudeville on the Diamond* features numerous photographs of on field entertainment showcasing the vaudevillian side of minor league baseball A light hearted and engaging look at the minor

leagues this book will appeal not only to scholars and students of popular culture sports and leisure studies and sports management but to all fans of baseball and minor league sports

The Cinema of Attractions Reloaded Wanda Strauven, 2006 Twenty years ago noted film scholars Tom Gunning and Andr Gaudreault introduced the phrase cinema of attractions to describe the essential qualities of films made in the medium's earliest days those produced between 1895 and 1906 Now The Cinema of Attractions Reloaded critically examines the term and its subsequent wide ranging use in film studies The collection opens with a history of the term tracing the collaboration between Gaudreault and Gunning the genesis of the term in their attempts to explain the spectacular effects of motion that lay at the heart of early cinema and the pair's debts to Sergei Eisenstein and others This reconstruction is followed by a look at applications of the term to more recent film productions from the works of the Wachowski brothers to virtual reality and video games With essays by an impressive collection of international film scholars and featuring contributions by Gunning and Gaudreault as well The Cinema of Attractions Reloaded will be necessary reading for all scholars of early film and its continuing influence

Down from the Attic John T. Soister, Henry Nicolella, 2016-06-22 Much has been written and rewritten about classic horror and science fiction films like Nosferatu and Metropolis as well as not so classic pictures like Bride of the Monster and The Hideous Sun Demon Yet some genre films have fallen through the cracks The 24 films some elusive some easily found on YouTube examined in this book all suffered critical neglect and were prematurely stacked in the attic The authors bring them back into the light beginning with Der Tunnel 1915 about the building of a transatlantic tunnel and ending with The Emperor's Baker The Baker's Emperor 1951 a bizarre Marxist take on the Golem legend A variety of thrillers are covered Fog 1933 Return of the Terror 1934 Forgotten Faces 1928 along with such sci fi leaps into the future as The Sky Ranger 1921 High Treason 1929 and Just Imagine 1930 Early adaptations include The Man Who Laughs 1921 The Monkey's Paw 1923 Hound of the Baskervilles 1937 and Sweeney Todd 1928 Rare stills and background material are included in a discussion of Hispanic vintage horror The career of

exploitation auteur Bud Pollard The Horror 1933 is examined
