*Sleep Long, My Love* Hillary Waugh, 1989-12-01 A deserted house the pathetic torso of an unknown woman and no suspects Hillary Waugh equals his classic police procedural *Last Seen Wearing* with an intriguingly adept hunt as Chief Fellows and Sgt Wilks painstakingly unearth clues where there seem to be none and find the truth the hard way [The American Police Novel](#) Leroy Lad Panek, 2015-09-17 The American police novel emerged soon after World War II and by the end of the century it was one of the most important forms of American crime fiction The vogue for either Holmesian genius or the plucky amateur detective dominated mystery fiction until mid century the police hero offered a way to make the traditional mystery story contemporary The police novel reflects sociology and history and addresses issues tied to the police force such as corruption management and brutality Since the police novel reflects current events the changing natures of crime court procedures and legislation have an impact on its plots and messages An examination of the police novel covers both the evolution of a genre of fiction and American culture in general This work traces the emergence of the police officer as hero and the police novel as a significant popular genre from the cameo appearances of police in detective novels of the 1930s and 1940s through the serial killer and forensic novels of the 1990s It follows the ways in which professional writers and police officers turned writers view the police individually and collectively The work chronicles the ways in which changes in the law and society have affected the actions of the police and shows how the protagonists of police novels have changed in gender race nationality sexual orientation and age over the years The major writers examined begin with Julian Hawthorne in the nineteenth century and include such writers as S S van Dine Ellery Queen Erle Stanley Gardner Ed McBain Chester Himes MacKinley Kantor Hillary Waugh Dorothy Uhnak Joseph Wambaugh Bob Leuci W E B Griffin and Carol O Connor

**Sleep Long, My Love. Jigsaw, Etc** Hillary Baldwin WAUGH, 1962 , *All My Love, Louie* Judy J. Cain, 2022-04-04 Judy Cain s parents survived the Great Depression and saved everything they ever had One could call them pack rats or say that they had a hoarder starter kit One day while digging through her parents belongings after they both passed away and went HOME Judy came across some very old letters All were addressed to June Larson in Minneapolis MN and were all from Louis Nelson her sweetheart and future husband During World War II Louie had written over 300 letters to June as their love was blossoming In them he expressed his love for her his calling and dream of becoming a minister and servant of the Lord his struggle with stuttering his seeming lack of faith at different points during the war and what he felt was an inability to truly pray He shielded her from the gruesomeness of the war as they fell deeper and deeper in love with each other She provided the encouragement and support for him to stay strong and true to himself This book was originally written only for her family and contained only the letters but it has grown into much more Historical contextual information photographs poems scripture verses and his Unit s history are all woven throughout the letters to help provide a context and highlight his spiritual struggle to overcome barriers to the ministry and maintain if not grow his faith during frightening and gruesome

experiences of the war in Europe If a man who felt the strong calling of God could overcome his struggles during a war then so can anyone God's power is limitless

Dove,1982 In the late 1940s and early 1950s a new kind of detective story appeared on the scene This was a story in which the mystery is solved by regular police detectives usually working in teams and using ordinary police routines This kind of narrative is customarily called the police procedural story And it is the subject of this book Though there has been numberless writers of these stories there has never been a book of criticism before     **Gumshoes** Mitzi M. a wondrous land A land of everlasting spring where willow trees grew as blades of grass A land where all the dragons of the  
world dwelt in peace filling the fragrant air with their silver song Then one day the wise men came to the emperor to warn  
him of a darkness that threatened the land and all within He must leave his palace they urged and travel to strange and  
distant places to seek a bride He must find an empress for the land who can light the dragonleaf with her touch and hear the  
silvery music of the dragons Or their song will cease forever THE BLACK JADE ROAD Long ago when it was always spring A  
road ran between what would someday be Europe and the Land of Ten Thousand Willows where sleepy dragons stretched in  
the sun It was in this age that two were bound together first by fate then by love the young Emperor Ty Sun and the Puritan  
girl Blessing Dunncaster He from a cultured land where magic and manners were one She from dark brooding Britain with  
the witch power wild in her blood Together they must fight and find their way to the Black Jade Road where each step counts  
as five and each danger ten For the pearls that are days are running low A darkness is falling over the land And the dragons  
are singing a mournful song of Death THE WILLOW GARDEN LONG AGO WHEN A SILENT SNOWFALL BLANKETED THE  
EASTERN LAND The brave young Emperor Ty Sun traveled the Black Jade Road with Blessing Dunncaster the bewitched and  
beautiful Englishwoman who would be his empress Together they made their way back to the Land of Ten Thousand Willows  
Pursuing them was the evil Darkness that felled Ty Sun's loyal followers one by one Ahead far beyond the Jade Mountains the  
Wall of Living Stone and the palaces of the god judges from Hell lay Ty Sun's once glorious kingdom now ravaged by his  
enemies Has time run out for the Dragons of the Earth Now Ty Sun and Blessing prepare for a final struggle of fearsome
