extreme perils of their sordid love affair or could the hurt they've caused one another prove to be the final straw. Although Terrence's life was spared, the events have changed the man that Trinity once knew and loved. For Terrence, it isn't the circumstances that changed him; it's Trinity's actions. Will her decisions cause a permanent rift between these lifetime lovers? As Charice battles her indecisiveness, Ryan and Lincoln may have sealed her fate for her. As she comes to grips with what she wants, the final decision may no longer be hers to make. In part 6, the final chapter of the *Never Again: No More* series, the lives of all the men and women are forever changed as they are forced to come to terms with the consequences of their actions. And one thing is for sure: none of them will ever be the same again.

Musculoskeletal and Sports Medicine For The Primary Care Practitioner, Fourth Edition Richard B. Birrer, Francis G. O'Connor, Shawn F. Kane, 2016-01-06 Primary care practitioners are often the first medical professionals to see patients after an injury, making it critical for them to stay up to date on the latest developments in sports medicine. *Musculoskeletal and Sports Medicine for the Primary Care Practitioner* contains the most current information on major topics in sports science and clinical medicine. It is a valuable resource for primary care physicians and allied health professionals who practice, teach, and hold specialty certifications in sports medicine and related fields. The book discusses key concepts related to the diagnosis, treatment, and prevention of sports injuries. This edition adds new sections on pro-inflammatory treatments, field-side acupuncture, and brief musculoskeletal ultrasound, as well as a new chapter on wellness and video illustrations of important musculoskeletal maneuvers at www.crcpress.com. 9781482220117 The book follows the Strength of Recommendation Taxonomy (SORT), which addresses the quality, quantity, and consistency of evidence. It recommends levels of patient-oriented evidence to assist physicians in their diagnoses. Also included is a link to videos that demonstrate important musculoskeletal maneuvers used in sports medicine. As exercise and sports move beyond the realm of leisurely activity to a necessary component of good health, this book has become an important resource for all those involved in sports medicine.
