Sleeping Giant Awakens David B. MacDonald, 2019-01-01 Confronting the truths of Canada's Indian residential school system has been likened to waking a sleeping giant In *The Sleeping Giant Awakens* David B MacDonald uses genocide as an analytical tool to better understand Canada's past and present relationships between settlers and Indigenous peoples Starting with a discussion of how genocide is defined in domestic and international law the book applies the concept to the forced transfer of Indigenous children to residential schools and the Sixties Scoop in which Indigenous children were taken from their communities and placed in foster homes or adopted Based on archival research extensive interviews with residential school Survivors and officials at the Truth and Reconciliation Commission of Canada among others *The Sleeping Giant Awakens* offers a unique and timely perspective on the prospects for conciliation after genocide exploring the difficulties in moving forward in a context where many settlers know little of the residential schools and

ongoing legacies of colonization and need to have a better conception of Indigenous rights It provides a detailed analysis of how the TRC approached genocide in its deliberations and in its Final Report Crucially MacDonald engages critics who argue that the term genocide impedes understanding of the IRS system and imperils prospects for conciliation By contrast this book sees genocide recognition as an important basis for meaningful discussions of how to engage Indigenous settler relations in respectful and proactive ways

Waramingo's Boys and Other Stories Judith A. Lewis, 2007-08-17 A BOLD WALKABOUT ACROSS THE LAND OF VISION IMAGINATION AND REALITY The stories in this book are a combination of my imagination vision and experiences and contacts writes storyteller Judith A Lewis about this compelling collection of 65 stories about the Australian Outback the Pacific India and traveling They came to me in vivid detail and I felt compelled to share these insights into a richer way of looking at our relationship to the Earth Her theme is the journey across landscapes through cultures or into the vivid realms of visionary experience Lewis writes evocatively about traveling in spirit and body across Aboriginal and cultural terrains from meeting kangaroo spirits to long lost fathers But she writes with equal insight and warmth about the enigmas of the heart its secrets joys aspirations and epiphanies A twelve year old girl survives an illness by communing with the waratah in bloom A traveler in Bombay is arrested by beauty amidst the frenetic urban haze Two twins separated in early childhood journey towards each other A homeless man constantly walks the highways to bury his past An Aboriginal medicine man named Waramingo meets the Dreamtime ancestors A lot of the visionary stories pertain to the land and its secrets and those who visit it from afar Lewis says I believe that the Earth is alive and awaiting our recognition as are the other dimensions that we all could inhabit I hope my stories help you remember what you already know that there is no separation that everything from stones to stars is part of us on this lovely planet

The Withered Arm and Other Stories 1874-1888 Thomas Hardy, 2006-08-31 See if she is dark or fair and if you can notice if her hands be white if not see if they look as though she had ever done housework or are milker s hands like mine So Rhoda Brook the abandoned mistress of Farmer Lodge is jealous to discover details of his new bride in The Withered Arm the title story in this selection of Hardy s finest short stories Hardy s first story Destiny and a Blue Cloak was written fresh from the success of Far From the Madding Crowd Beautiful in their own right these stories are also testing grounds for the novels in their controversial sexual politics their refusal of romance structures and their elegiac pursuit of past lost loves Several of the stories in The Withered Arm were collected to form the famous volume Wessex Tales 1888 the first time Hardy denoted Wessex to describe his fictional world The Withered Arm is the first of a new two volume selection of Hardy s short stories edited with an introduction and notes by Kristin Brady

Sleeping Giant Tamara Draut, 2018-04-17 REVISED AND UPDATED WITH A NEW PREFACE Today s working class is a sleeping giant And as Tamara Draut makes abundantly clear it is just now waking up to its untapped political power Sleeping Giant is the first major examination of the new working class and the role it will play in our economic and political future Blending moving individual narratives historical background and sophisticated analysis Draut

forcefully argues that this newly energized class is far along in the process of changing America for the better Draut examines the legacy of exclusion based on race and gender that contributes to the invisibility of the new working class despite their entwinement in everyone's day to day life No longer confined to the assembly line today's working class watches our children and cares for our parents They park our cars screen our luggage clean our offices and cook and serve our meals They are us With Fight for 15 minimum wage protests popping up throughout the country and in some places winning and economic inequality being recognized as one of the defining issues of our time today's working class will soon become impossible to ignore and foolish to dismiss Sleeping Giant is the first book to tell the story of this extraordinary transformation in full and inspiring detail **The Sleeping Giant Has Awoken** Jeffrey W. Robbins, Neal Magee, 2008-04-11 Introduction by John Caputo and Afterword by Slavoj Žižek The triumph of American political conservatism in the last two decades has been paralleled by the ascendance of Christian evangelicalism More importantly the political Campaigns of 2000 and 2004 marked a convergence between these two political entities with an effectiveness never before seen in national elections On the one side conservatives have successfully set the terms of debate around so called family values and the status of religion in the public sphere On the other side evangelicals have mobilized in a new self awareness of their formidable political power and now demand representation at all levels of government Upon what fundamental ideas does this convergence rest What potential dangers does it present for the concepts of religion politics and America How secure is this alliance and what does each side sacrifice in order to sustain it Must all religion in America now become similarly engaged in the political sphere This volume is a collection of articles by a group of young scholars addressing the nexus between political conservatism evangelical Christianity and American consumerist culture The Hundred Dresses - Literature Kit Gr. 3-4 Eleanor Summers, 2014-12-23 Bring to light the hardships of bullying Offer a unique viewpoint on the hardships perseverance and acceptance experienced by a young girl Bring to the forefront topics for discussion about treating each other in a kindly manner Students share their impressions of people based on where they live and how they dress to get them into the right mindset prior to reading the story Find details in the story that set a serious tone when Miss Mason reads the note from Wanda's father Use context clues to write the meanings of the underlined vocabulary words from the book Predict how Wanda might react to Peggy and Maddie's visit after she moved Recreate a scene from the novel into a play and present it to the class Aligned to your State Standards and written to Bloom's Taxonomy additional crossword word search comprehension quiz and answer key are also included About the Novel The Hundred Dresses is a Newbery Honor winning story about a young girl who is teased and mocked by her classmates Wanda Petronski is different from the rest of the children in her class She is poor and friendless and is seated in the worse seat in the classroom Constantly teased and mocked by her classmates for wearing the same faded blue dress every day Wanda claims to own 100 dresses This obvious lie causes her peers to mock her even more resulting in her father's decision to move her to a different school Before she

leaves she enters a drawing contest where she designs 100 different dresses She moves away before realizing she has won the contest and the respect of her classmates *Children's Books and Their Creators* Anita Silvey,1995 Unique in its coverage of contemporary American children s literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations **The Mayan Magician and Other Stories** Jim Musgrave,2009-04-03 **Wake the Sleeping Giant** Theodore A. Bailey,2000-06 Wake the Sleeping Giant uses anecdotes to show why students turn off in the school system who is responsible for turning the students off and methods with which to inspire the students to turn back on Most of the difficulties which face children today do not originate in the home They arise out of The Sleeping Giant our educational system This manuscript is written for parents and teachers It not only criticizes it gives solutions While the solutions provided in this book cost little financially they challenge the teachers education administrators and parents to change their whole approach to the child One section of the book details the methods I have used to take eighth grade basic math classes from a third grade level to pre algebra in less than three months Another explains an educational game called Challenge which I developed to encourage students to read for important facts develop questions learn to find the answers for themselves and peer teach The game is fun and can be used in conjunction with any text book As can be seen nightly on local and national newscasts our children are in crises Parents politicians and educators are desperate to find ways to motivate children to read write and do math I believe that Wake the Sleeping Giant helps us come closer to that ideal A sequel is being written at this time **Roald Dahl's Scrumdiddlyumptious Story Collection** Roald Dahl,2016-11-03 Six Roald Dahl favourites come together in this very special collection Charlie and the Chocolate Factory Charlie and the Great Glass Elevator Danny the Champion of the World George s Marvellous Medicine The BFG and The Twits Complete with fun and fascinating extra material offering a sneak peek into the wonderful world of Dahl this is a collection to treasure forever **Library Journal** ,1948-07 *Personality Development Books (Set of 5 Books) The Power of Your Subconscious Mind/ Success Through A Positive Mental Attitude The Leader In You/ As A Man Thinketh (Illustrated)/ How To Awaken and Direct It* Paramahansa Yogananda,2023-10-01 Unlock your potential and cultivate personal growth with this comprehensive set of 5 books focusing on personality development Explore the power of your subconscious mind learn the principles of success through a positive mental attitude discover the leader within you delve into the illustrated edition of As a Man Thinketh and master the art of awakening and directing your mind towards success Personality Development Books Set of 5 Books The Power of Your Subconscious Mind by Joseph Murphy This transformative book explores the immense power of the subconscious mind and its influence on our thoughts beliefs and actions Joseph Murphy provides practical techniques to harness the potential of the subconscious mind to achieve personal growth success and positive change in various aspects of life Success Through a Positive Mental Attitude by
