Everybody has bad habits emotional challenges areas of dysfunction or times when they engage in poor decision making But what can be done about inappropriate hurtful or even dangerous behaviors and habits Oftentimes well intentioned people attempt to use sheer willpower and human effort to bring about positive life changes But too often both inner strength and willpower fade and the temptations of life can become too strong and overwhelming for people to resist It turns out that the secret for successful living comes not from invoking our own inner strength and not by successfully resisting our negative impulses Instead significant life improvements can be brought about by means of transforming negative human impulses into something positive and beautiful Stop Resisting Your Sins is a step by step self help Christian guide for producing positive life changes Written in plain English the book explains recent discoveries from the field of mental health and combines these lessons with biblical principles for better living and total life transformation      **Experiment Station Record** United States. delta was founded in 2103 as a penal colony for the galaxy's antisocial criminals. Most prisoners are male and while their sentences are limited there is no way off the planet when they are released. By 2230 the non-prison population is nearly 2 000 000. 86% male. Females are highly prized and jealously protected by their husbands. But with so many men the crime of rape is common. Thus in order to satisfy the male libido and maintain order prostitution is legalized and bordellos are licensed with a small number of off-world whores. A single female can satisfy the sexual desires of a dozen or more men each day. The sex workers are protected from abuse, clients are protected from diseases and the whole industry is taxed to generate revenue. While sex between unmarried people is not a crime, sex outside of marriage with a partner who is not a whore is strictly forbidden. Although stiff fines are imposed for offenders it does little to curb unlawful sex.
