intended for use with individuals and groups but you will discover that in a group one persons memories will trigger another s and so what seems like a small topic can last for the whole session as we all try to tell our personal tales While the content has a UK bias it also covers the major world events of the decades but I have included a blank page for each year for you to record your own personal landmarks and achievements and also those of your local town or community specialising in older adults mental health to a deeper level *Library of Congress Catalogs* Library of Congress, **About 100 Books : a Gateway to Better Intergroup Understanding** ,1965 **The Publishers' Trade List Annual** ,1965 **Dictionary Catalog of the Harris Collection of American Poetry and Plays, Brown University Library, Providence, Rhode Island** Brown University.
