Feminist Bookstore News, 1997 *Girls in Power* Laura Fingerson, 2006-08-10 A consideration of menstruation in the lives of teenage girls and in the lives of teenage boys **The Curse** Karen Houppert, 2000-05-24 A provocative look at the way our culture deals with menstruation *The Curse* examines the culture of concealment that surrounds menstruation and the devastating impact such secrecy has on women's physical and psychological health Karen Houppert combines reporting on the potential safety problems of sanitary products such as dioxin laced tampons with an analysis of the way ads movies young adult novels and women's magazines foster a menstrual etiquette that leaves women more likely to tell their male colleagues about an affair than brazenly carry an unopened tampon down the hall to the bathroom From the very beginning industry generated instructional films sketch out the parameters of acceptable behavior and teach young girls that bleeding is naughty irrepressible evidence of sexuality In the process confident girls learn to be self-conscious teens And the secrecy has even broader implications Houppert argues that industry ad campaigns have effectively stymied consumer debate research and safety monitoring of the sanitary protection industry By telling girls and women how to think and talk about menstruation the mostly male dominated media have set a tone that shapes women's experiences for them defining what

they are allowed to feel about their periods their bodies and their sexuality **Voices and Echoes** Jo-Anne Elder,Colin O'Connell,Canadian Corporation for Studies in Religion,1997-10-15 Every time we raise our voices we hear echoes Jo Anne Elder from the Foreword Through short stories journal entries and poetry the women in Voices and Echoes explore the changing landscape of their spiritual lives Experienced writers such as Lorna Crozier Di Brandt and Ann Copeland as well as strong new voices appear to speak to each other as they draw from a wealth of personal resources to find a way to face life's questions and discover meaning in their lives There is something familiar about these stories and poems they echo those we've heard before and those we've half forgotten Whether they search for a voice in a world where men monopolize or journey into painful memories to free the self from the past they do not despair they do not end Individual entries become the whole story an unending story of rebirth and reaffirmation The book begins with an illuminating foreword that introduces readers to the cultural and philosophical background of many of the stories and concludes with the reflections of scholars writers and artists that are intended to provoke further discussion **Resources in Education** ,1998 Encyclopedia of Women's Folklore and Folklife: M-Z Liz Locke,Theresa A. Vaughan,Pauline Greenhill,2009 Topics covered include Abortion Banshee Barbie Doll Best Friend Cinderella Courtship Cowgirl Cyber culture Erotic Folklore Folk Photography Glass Ceiling Hair Hip Hop Culture Rap Lesbian and Queer Studies Marriage Menstruation Muslim Women's Folklore Photocopy Lore Quilt making and many more In addition there are entries on women's folklore and folklife in 15 regions of the world such as the Caribbean Central Asia the Middle East and Western Europe Entries provide cross references and cite works for further reading and the encyclopedia closes with a selected bibliography of print and electronic resources Students learning about history world cultures religion and spirituality healing and traditional medicine and literature will welcome this companion to the daily life of women across time and continents **FEATURES AND BENEFITS** 4 substantial overview essays survey the present state of scholarship on women's folklore and folklife around the world *Here All Dwell Free* Gertrud Mueller Nelson,2006-06-01 Every human being lives a fairy tale an unconscious myth that works on us shapes us and points to our truth Often the story is filled with danger and foreboding The good news is for those who examine it closely the story also carries with it balm and healing *Here All Dwell Free* is an in depth exploration of two classic fairy tales that have particular significance for women The Handless Maiden will resonate in a special way with women who feel powerless in the contemporary world In a similar way Briar Rose is about falling asleep and waking of abandonment and allowing oneself to be discovered by love While the stories recounted here may be ancient they speak to us today in unmistakable symbolic language inviting us to enter them live them and be made whole again **Changing Learning, Changing Lives** Barbara Gates,Susan Klaw,Adria Steinberg,1979 The Standard Vacation Bible School Courses; Florence M. Waterman,1922
