Sweet Summer Growing Up With And Without My Dad

Nikki Giovanni

Sweet Summer Growing Up With And Without My Dad:

Sweet Summer Bebe Moore Campbell, 1989 The author tells of growing up in a female household with a fiercely loving mother and grandmother but spending summers with her divorced father **Sweet Summer** Bebe Moore Campbell, 1996-06-01

Sweet Summer: Growing Up with and Without My Dad Bebe Moore Campbell, 2000-06 This acclaimed memoir by the author of *Brothers and Sisters* and *Singing in the Comeback Choir* recalls the sweet summers spent with her father an extraordinary man of dreams and inspiration in the American South of the 1960s Fearlessly unveils the pain of loss and the ecstasy of love Maya Angelou Worlds of Difference Eleanor Palo Stoller, Rose Campbell Gibson, 2000

This collection of readings presents a variety of perspectives on ageing from different communities across the United States Native American Puerto Rican African American the elderly homeless white working class gay and Mexican amongst many others The readings cover topics such as life course social and psychological contexts of ageing paid and unpaid activity the American family and health **Mourning Freud** Madelon Sprengnether, 2018-02-08

Mourning Freud Madelon Sprengnether, 2018-02-08 Mourning Freud analyses Freud's experiences and theories of mourning as the basis for exploring changes in psychoanalytic theories and practices over the course of the 20th century The modernist Freud of the early 20th century has ceded to the postmodern Freud of the 21st Madelon Sprengnether examines this phenomenon from the perspective of Freud's self analysis in relation to his generation of theory the challenges and transformations wrought by feminism cultural studies and postmodernism and the speculations of contemporary neuroscience concerning the unreliability of memory She offers a significant interpretation of major biographical episodes in Freud's life arguing that Freud's inability to mourn the losses of his early life shaped his theories of mourning which in turn opened the field of pre oedipal studies to his successors enabling a host of new psychoanalytic theories such as object relations intersubjective and countertransference theories Lacanian analysis and trauma theory Many of these approaches converge on the formulation of mourning as critical to the process of ego development Through this argument Sprengnether traces the shift from modernism to postmodernism from an emphasis on mastery to vulnerability from vertical to horizontal systems of meaning making and from what is representable in words to the realm of the nonverbal Mourning Freud by exploring Freud's own struggles with mourning allows us in turn to mourn him releasing him from frozen idealization while demonstrating the relevance of his work to the 21st century **Jet**, 1998-03-30 The weekly source of

African American political and entertainment news Your Blues Ain't Like Mine Bebe Moore Campbell, 1993-08-10

Intriguing A thoughtful intelligent work The novel traces the years from the 50s to the late 80s from Eisenhower to George Bush She writes with simple eloquence about small town life in the South right after the start of the great social upheaval of the civil rights movement Campbell has a strong creative voice THE WASHINGTON POST BOOK WORLD Chicago born Amrstrong Tood is fifteen black and unused to the ways of the segregated Deep South when his mother sends him to spend the summer with relatives in rural Mississippi For speaking a few innocuous words in French to a white woman Armstrong is

killed And the precariously balanced world and its determined people white and black are changed then and forever by the horror of poverty the legacy of justice and the singular gift of love s power to heal **Encyclopedia of African American Women Writers** Yolanda Williams Page,2007-01-30 African American women writers published extensively during the Harlem Renaissance and have been extraordinarily prolific since the 1970s This book surveys the world of African American women writers Included are alphabetically arranged entries on more than 150 novelists poets playwrights short fiction writers autobiographers essayists and influential scholars The Encyclopedia covers established contemporary authors such as Toni Morrison and Gloria Naylor along with a range of neglected and emerging figures Each entry is written by an expert contributor and provides a brief biography a discussion of major works a survey of the author s critical reception and primary and secondary bibliographies Literature students will value this book for its exploration of African American literature while social studies students will appreciate its examination of social issues through literature African American women writers have made an enormous contribution to our culture Many of these authors wrote during the Harlem Renaissance a particularly vital time in African American arts and letters while others have been especially active since the 1970s an era in which works by African American women are adapted into films and are widely read in book clubs Literature by African American women is important for its aesthetic qualities and it also illuminates the social issues which these authors have confronted This book conveniently surveys the lives and works of African American women writers Included are alphabetically arranged entries on more than 150 African American women novelists poets playwrights short fiction writers autobiographers essayists and influential scholars Some of these figures such as Toni Morrison and Gloria Naylor are among the most popular authors writing today while others have been largely neglected or are recently emerging Each entry provides a biography a discussion of major works a survey of the writer s critical reception and primary and secondary bibliographies The Encyclopedia closes with a selected general bibliography Students and general readers will welcome this guide to the rich achievement of African American women Literature students will value its exploration of the works of these writers while social studies students will appreciate its examination of the social issues these women confront in their works

The Cambridge Companion to African American Women's Literature Angelyn Mitchell,Danille K. Taylor,2009-04-30 The Cambridge Companion to African American Women s Literature covers a period dating back to the eighteenth century These specially commissioned essays highlight the artistry complexity and diversity of a literary tradition that ranges from Lucy Terry to Toni Morrison A wide range of topics are addressed from the Harlem Renaissance to the Black Arts Movement and from the performing arts to popular fiction Together the essays provide an invaluable guide to a rich complex tradition of women writers in conversation with each other as they critique American society and influence American letters Accessible and vibrant with the needs of undergraduate students in mind this Companion will be of great interest to anybody who wishes to gain a deeper understanding of this important and vital area of American literature **The Columbia Guide to**

Contemporary African American Fiction Darryl Dickson-Carr, 2005-12-06 In both the literal and metaphorical senses it seemed as if 1970s America was running out of gas. The decade not only witnessed long lines at gas stations but a citizenry that had grown weary and disillusioned. High unemployment, runaway inflation, and the energy crisis caused in part by U.S. dependence on Arab oil characterized an increasingly bleak economic situation. As Edward D. Berkowitz demonstrates, the end of the postwar economic boom, Watergate, and defeat in Vietnam led to an unraveling of the national consensus. During the decade, ideas about the United States, how it should be governed, and how its economy should be managed changed dramatically. Berkowitz argues that the postwar faith in sweeping social programs and a global U.S. mission was replaced by a more skeptical attitude about government's ability to positively affect society. From Woody Allen to Watergate, from the decline of the steel industry to the rise of Bill Gates, and from Saturday Night Fever to the Sunday morning fervor of evangelical preachers, Berkowitz captures the history, tone, and spirit of the seventies. He explores the decade's major political events and movements, including the rise and fall of détente, congressional reform, changes in healthcare policies, and the hostage crisis in Iran. The seventies also gave birth to several social movements and the rights revolution, in which women, gays, and lesbians, and people with disabilities all successfully fought for greater legal and social recognition. At the same time, reaction to these social movements, as well as the issue of abortion, introduced a new facet into American political life: the rise of powerful, politically conservative religious organizations and activists. Berkowitz also considers important shifts in American popular culture, recounting the creative renaissance in American film as well as the birth of the Hollywood blockbuster. He discusses how television programs such as *All in the Family* and *Charlie's Angels* offered Americans both a reflection of and an escape from the problems gripping the country.

This Woman's Work Osizwe Raena Jamila Harwell, 2016-06-07 *This Woman's Work* presents a social history and critical biography based on the life of award-winning writer Bebe Moore Campbell (1950–2006). It offers the personal story of a popular novelist, journalist, and mental health advocate. This book examines Campbell's life and activism in two periods: first as a student at the University of Pittsburgh during the 1960s Black Student Movement, and second as a mental health advocate near the end of her life in 2006. It describes Campbell's activism within the Black Action Society from 1967 to 1971 and her negotiation of the Black Nationalist ideologies espoused during the 1960s. The book also explores Campbell's later involvement in the National Alliance on Mental Illness (NAMI), her role as a national spokesperson, and the local activism that sparked the birth of the NAMI Urban Los Angeles chapter, which served Black and Latino communities (1999–2006). Adjacent to her activist work, Campbell's first novel, *Your Blues Ain't Like Mine*, connects to her emerging political consciousness related to race and gender and the concern for racial violence during the US Black Liberation period from 1950 to 1970. Similarly, Campbell's final novel, *72 Hour Hold*, is examined closely for its connection to her activism, as well as the sociopolitical commentary, emphasis on mental health disparities, coping with mental illness, and advocacy in Black communities. As a writer and activist, Campbell immersed her

readers in immediately relevant historical and sociopolitical matters This Woman s Work is the first full length biography of Bebe Moore Campbell and details the seamless marriage of her fiction writing and community activism **100 Most Popular African American Authors** Bernard A. Drew,2006-11-30 Here s a one stop resource containing 100 profiles of your favorite contemporary African American writers along with complete lists of their works Focusing on writers who have made their mark in the past 25 years this guide stresses African American writers of popular and genre literature from Rochelle Alers and Octavia Butler and Samuel Delaney to Walter Mosley and Omar Tyree with a few classic literary giants also included Short profiles provide an overview of the author s life and summarize his or her writing accomplishments Many are accompanied by black and white photos of the author The biographies are followed by a complete list of the author s published works Where can you find information about popular contemporary African American authors Web sites can be difficult to locate and unreliable particularly for some of the newer authors and their contents are inconsistent and often inaccurate Although there are a number of reference works on African American writers the emphasis tends to be on historical and literary authors Here s a single volume containing 100 profiles of your favorite contemporary African American writers along with lists of their works Short profiles provide an overview of the author s life and summarize his or her writing accomplishments Many are accompanied by black and white photos of the author The biographies are followed by a complete list of the author s published works Focusing on writers who have made their mark in the past 25 years this guide covers African American writers of popular and genre literature from Rochelle Alers Octavia Butler and Samuel Delaney to Walter Mosley Omar Tyree and Zane A few classic literary giants who are popular with today s readers are also included e g Maya Angelou Toni Morrison and Richard Wright Readers who want to know more about their favorite African American authors or find other books written by those authors students researching AA authors for reports and papers and educators seeking background information for classes in African American literature will find this guide invaluable High school and up

Writing African American Women Elizabeth A. Beaulieu,2006-04-30 Women have had a complex experience in African American culture The first work of its kind this encyclopedia approaches African American literature from a Women s Studies perspective While Yolanda Williams Page s Encyclopedia of African American Women Writers provides biographical entries on more than 150 literary figures this book is much broader in scope Included are several hundred alphabetically arranged entries on African American women writers as well as on male writers who have treated women in their works Entries on genres periods themes characters historical events texts places and other topics are included as well Each entry is written by an expert contributor and relates its subject to the overall experience of women in African American literature Entries cite works for further reading and the encyclopedia closes with a selected general bibliography African American culture is enormously diverse and the experience of women in African American society is especially complex Women were among the first African American writers and works by black women writers are popular among students and general readers alike At

the same time African American women have been oppressed and texts by black male authors represent women in a variety of ways The first of its kind this encyclopedia approaches African American literature from a Women s Studies perspective and thus significantly illuminates the African American cultural experience through literary works Included are several hundred alphabetically arranged entries written by numerous expert contributors In addition to covering male and female African American authors the encyclopedia also discusses themes major works and characters genres periods historical events places and other topics Included are entries on such authors as Maya Angelou James Baldwin Frederick Douglass Nikki Giovanni June Jordan Claude McKay Ishmael Reed Sojourner Truth Phillis Wheatley And many others In addition the many works discussed include Beloved Blanche on the Lam I know Why the Caged Bird Sings The Men of Brewster Place Quicksand The Street Waiting to Exhale And many more The many topical entries cover Black Feminism Black Nationalism Conjuring Children s and Young Adult Literature Detective Fiction Epistolary Novel Motherhood Sexuality Spirituality Stereotypes And many others Entries relate their topics to the experience of African American women and cite works for further reading Features and Benefits Includes hundreds of alphabetically arranged entries Draws on the work of numerous expert contributors Includes a selected general bibliography Offers a range of finding aids such as a list of entries a guide to related topics and an extensive index Supports the literature curriculum by helping students analyze major writers and works Supports the social studies curriculum by helping students use literature to understand the experience of African American women Covers the full chronological range of African American literature Fosters a respect for cultural diversity Develops research skills by directing students to additional sources of information Builds bridges between African American history literature and Women s Studies

The Commercialization of Intimate Life Arlie Russell Hochschild, 2003-04-24 Looking at a series of intimate moments that affect people the author of three New York Times Notable Books offers fresh essays on how everyday lives are shaped by modern capitalism 2 charts

Working Families Rosanna Hertz, Nancy L. Marshall, 2001-09-30 Working Families is a pioneering study by scholars of great capability and insight This book is a gold mine of observations and information about new approaches to the study of work and family Arlene Daniels co editor of The Most Difficult Revolution Hertz and Marshall have pulled together an impressive collection The range of well known authors provide a broad perspective by looking at both women and men across class work site and race Working Families provides cutting edge and original contributions that go well beyond previous research on work and families Naomi Gerstel author of Families and Work The information age is transforming family life and the relationships between families the workplace and larger society Working Families moves the discussion of work and family beyond the simplistic notion of balancing by examining the complexity and diversity of everyday family life as well as the wider economic and political contexts of our current dilemmas Arlene Skolnick author of Embattled Paradise The American Family in an Age of Uncertainty The worlds of work and family in which we live our lives are ever more complex This important volume sheds lights on the issues faced by

working families at home at work and in their community Kathleen Christensen Director Program on Working Families Alfred P Sloan Foundation

A Black Philadelphia Reader Louis J. Parascandola, 2024-06-11 The relationship between the City of Brotherly Love and its Black residents has been complicated from the city's founding through the present day A Black Philadelphia Reader traces this complex history in the words of Black writers who were native to lived in or had significant connections to the city Featuring the works of famous authors including W E B Du Bois Harriet Jacobs Sonia Sanchez and John Edgar Wideman alongside lesser known voices this reader is an immersive and enriching composite portrait of the Black experience in Philadelphia Through fiction and nonfiction poetry and prose readers witness episodes of racial prejudice and gender inequality in areas like public health housing education policing criminal justice and public transportation And yet amid these myriad challenges the writers convey an enduring faith a love of family and community and a hope that Philadelphia will fulfill its promises to its Black citizens Thoughtfully introduced and accompanied by notes that contextualize the works and aid readers comprehension this book will appeal to a wide audience of Philadelphians and other readers interested in American African American and urban studies
