American South Since its debut in 1996 The Oxford American's more or less annual Southern Music Issue has become legendary for its passionate and wide ranging approach to music and for working with some of America's greatest writers These writers from Peter Guralnick to Nick Tosches to Susan Straight to William Gay probe the lives and legacies of Southern musicians you may or may not yet be familiar with but whom you'll love being introduced or reintroduced to In one creative fresh way or another these writers also uncover the essence of music and why music has such power over us To celebrate ten years of Southern music issues most of which are sold out or very hard to find the fifty five essays collected in this dynamic wide ranging and vast anthology appeal to both music fans and fans of great writing
