A History of Temptation

"Delightful...this is a book written from the heart,
conceived with wit and filled with enthusiasm - I loved it!"

Sunday Telegraph

Sweets A History Of Temptation

Paul Chrystal

Sweets A History Of Temptation:

Sweets Tim Richardson, 2002 We are all secretly or openly obsessed with sweet things From the very earliest human societies there is evidence that Neolithic people made sweets to modern day there is nothing more likely to get your juices flowing than a sweet

The History of Sweets Paul Chrystal, 2021-06-30 A chronicle of confectionaries throughout the centuries from honeycombs to Haribo There is much to get your teeth into within these pages Best of British Magazine We all remember sweets objects of pure delight and the endless cause of squabbles fights even hoarding and swapping a chance to gorge suck crunch and chew But they re by no means just a nostalgic thing of days past and it s not only children who love and devour sweets gobstoppers bulls eyes licorice seaside rock bubble gum and the like grown ups of all ages are partial to a good humbug or a lemon sherbet or two in the car annoyingly at the cinema or while out walking wherever and whenever the sweet is there the sweet delivers and the sweet rarely disappoints Sweets then are ubiquitous and enduring they cross age culture and gender boundaries and they have been around it seems forever This book tells the story of sweets from their primitive beginnings to their place today as a billion pound commodity with its sophisticated seductive packaging and sales advertising and marketing It explores the people s favorites past and present but there is also a dark side to sweets and this book does not shy away from the deleterious effect on health as manifested in obesity tooth decay and diabetes It delves into sweet and candy shops in supermarkets and markets retro sweet shops fudge makers vintage sweets online sweet manufacturing chocolate the grey line between sweets and medicines ancient and modern It goes round the world unwrapping sweets from different countries and cultures and it examines how immigrants from all nations have changed our own sweet world

The ^AOxford Companion to Sugar and Sweets , 2015-04-01 The Oxford Companion to Sugar and Sweets is the most ambitious and eclectic reference work of its kind a sweeping collection of nearly 600 entries on all things sweet written by 265 expert contributors In addition to learning the history of candy the evolution of the dessert course and the production of chocolate readers will discover entries on sugar of lead lead acetate prescribed for stomach troubles in the nineteenth century and castoreum beaver extract beloved by the modern food industry for the sweet taste it imparts The sheer variety of entries in this compendium is astounding peruse its wondrous variety like a kid in a candy shop

Sweets and Candy Laura Mason, 2018-04-15 With eye popping colors and shapes intense flavors and curious textures sweets and candy are beloved by people of all ages worldwide They provide minor treats lessons in economics for children and colorful giveaways to mark festivities They can be admired for beauty and novelty make ideal gifts and can even be used to woo But these seemingly inconsequential indulgences are freighted with centuries of changing cultural attitudes social and economic history emotional attachments and divergent views on the salubriousness of sugar How did confectionary become so popular Why do we value concentrated sweetness in such varied gooey forms And in the face of ongoing health debates why persist in eating sweets From marzipan pigs and nutty nougat to bubblegum and bonbons *Sweets and Candy* looks beneath the

glamour and sparkle to explore the sticky history of confectionary Methods for making sweets can be traced back to the importance of sugar in Arabic medicine and the probable origin of this practice in ancient India a place where sweetness is still important for both humans and gods Gorging on gobstoppers from these early candy antecedents to modern day delectables Laura Mason describes the bewildering and fascinating ways in which different cultures have made consumed valued and adored sweets throughout history Featuring a selection of mouthwatering illustrations and scrumptious recipes to try at home this global candy trail will delight sweet toothed foodies and history buffs everywhere **History of Chocolate**

in York Paul Chrystal, Joe Dickinson, 2012-08-24 A deliciously illustrated historical tour of England's chocolate city In the nineteenth century York was renowned for confectionery particularly chocolate Treats like Kit Kat Fruit Gums All Gold and Butterkist were made by York companies Rowntree's Terry's and M A Craven and Son This new book is the first to chart the history of chocolate and confectionery manufacture and marketing by York companies from their origins in the eighteenth century through to recent takeovers by Nestle Tangerine and Kraft Revolutionary new products such as Easter eggs in the 1870s and chocolate assortments in the 1890s are covered along with such crucial turn of the century developments as milk chocolate and the chocolate bar The significance to the industry of the Quaker movement is discussed along with an examination of the impact of the world wars and the intervening depression Fully illustrated throughout this book provides both an enlightening view of the chocolate industry from production quality control distribution and marketing to packaging design and branding as well a tasty morsel of British history **A Dark History of Sugar**

Neil Buttery, 2022-06-16 A revealing history of our passion for sugar and the medical moral environmental and economic price we pay for it A Dark History of Sugar delves into our evolutionary history to explain why sugar is so loved yet is the root cause of so many bad things Europe's colonial past and the British Empire were founded and fueled on sugar as was the United States the greatest superpower on the planet and they all relied upon slave labor to produce it As this book shows the exploitation of the workers didn't end with emancipation It also reveals the detrimental impact of sugar's meteoric popularity on the environment and our health delving into our long relationship with this sweetest and most ancient of commodities Renowned food historian Neil Buttery takes a look at some of the lesser known elements of the history of sugar delving into the murky and mysterious aspects of its phenomenal rise from the first cultivation of the sugar cane plant in Papua New Guinea in 8000 BCE to its integral part of the cultural fabric of life in the West at whatever cost The dark history of sugar is one of exploitation of slaves and workers of the environment and of the consumer Wars have been fought over it and it is responsible for what is potentially the planet's greatest health crisis And yet we cannot get enough of it for sugar and sweetness has cast its spell over us all it is comfort and we reminisce fondly about the sweets cakes puddings and fizzy drinks of our childhoods with dewy eyed nostalgia The very word sweet is used as a synonym for good and innocent In this book Neil Buttery argues that sugar is nothing of the sort Sweet Chronicles: A Journey Through the History of Indian Sweets Samata Dey

Bose,2024-05-01 The book delves into the rich history of Indian sweets tracing their origins from ancient times to modern day delicacies Through cultural anecdotes and culinary insights it explores how sweets evolved as symbols of celebration tradition and innovation in Indian society 19 co authors talked about 20 different sweets and shared the history behind them after making research on the respective sweets **First Catch Your Weka** David Veart,2013-10-01 Analyzing more than 150 years of recipes and cookbooks this study chronicles the culinary history of New Zealand looking at curious dishes such as boiled calf s head and stewed liver with macaroni to the more traditional favorites such as homemade jams and chutneys It explores what makes New Zealand cooking distinctive and examines how the culture has changed from the prevalence of whitebait and mussels in the 1920s to the arrival of Asian influences in the 1950s and finally to the modern emphasis on fresh ingredients and fusion cooking Sugar Heritage and Tourism in Transition Lee Jolliffe,2013 This book examines the sugar and tourism relationship in the context of globalization by identifying destination transitions from sugar to tourism It profiles the role of sugar in colonization enslavement decolonization and postcolonial tourism offering examples of sugar heritage in tourism from Europe the Caribbean South America Asia and North America *Chocolate* Paul Chrystal,2013-01-20 Kit Kat Turkish Delight Creme Egg Rolo and All Gold they are all as much a part of British life as were the companies that made them and which led the chocolate revolution in the nineteenth century Rowntree s Fry s Cadbury s Mackintosh and Terry s This book charts the history of chocolate manufacture marketing and consumption in Britain from its origins in the eighteenth century It then describes the golden age from 1900 to the 1970s and the subsequent US and Swiss invasions spearheaded by brands such as Mars Toblerone and Nestl s Milky Bar including the takeovers by Nestle and Kraft **New Statesman** ,2002 **Country Life** ,1912 **Business Archives** ,2004 **Country Life Illustrated** ,2002 **The Literary Review** ,2003 **Psychology and history of philosophy** Alexander Bain,1872 *Teach Now! History* Mike Gershon,2014-05-09 Being taught by a great teacher is one of the great privileges of life Teach Now is an exciting new series that opens up the secrets of great teachers and step by step helps trainees to build the skills and confidence they need to become first rate classroom practitioners Written by a highly skilled practitioner this practical classroom focused guide contains all the support you need to become a great history teacher who inspires and motivates students to critically and creatively explore the past Combining a grounded modern rationale for learning and teaching with highly practical training approaches rooted in the realities of the classroom the book guides you through all the different aspects of history teaching offering clear straightforward advice on classroom practice lesson planning and working in schools Teaching and learning planning assessment and behaviour management are all covered in detail with a host of carefully chosen examples used to demonstrate good practice and show how to facilitate outstanding historical enquiry There are also chapters on dealing with pressure excelling in observations finding the right job and succeeding at interview Throughout the book there is a great selection of ready to use activities strategies and techniques which will help put you on the fast track to success in the

classroom and ensure your students are doing the very best learning possible Covering everything you need to know this book is your essential guide as you start your exciting and rewarding career as an outstanding history teacher **A Pioneer Outline History of Northwestern Pennsylvania** William James McKnight,1905 **The British National Bibliography** Arthur James Wells,2005 Cultural Perspectives on Sweets in Children's Literature and Media Sabine Planka,Corina Löwe,2025-04-25 Our language is full of sweet terms to describe situations a bittersweet moment things popcorn brain behaviour to have a sweet tooth or even loved ones sweetie sweetheart honey that are originally not linked to food What seems to be common to almost all cultures is reflected in the fact that we humans are born with a taste for sweets and that sweets have shaped our cultures and our language This has also been reflected in children s literature and media This is the starting point for this invaluable collection of essays which deals specifically with sweets and the spectrum of hedonistic and regulated indulgence in different cultures and media for children The contributions analyse classics of children s literature but also more recent texts and other media such as magazines films television programmes and computer games Cultural Perspectives on Sweets in Children s Literature and Media creates a kaleidoscope of the various functions of sweets and their significance for children s culture thus providing an overview of the diversity of the subject

Sweets A History Of Temptation Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Sweets A History Of Temptation**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve to the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
