Swift The Man His Works And The Age Volume Ii Doctor Swift

**D. G. Boyce, R. Eccleshall, V.
Geoghegan**

Swift The Man His Works And The Age Volume Ii Doctor Swift:

Swift: The Man, His Works, and the Age Irvin Ehrenpreis, 2023-01-15 First published in 1967 Dr Swift is the second of three volumes providing a detailed exploration of the events of Swift's life This volume begins by assessing Swift's character hopes and ambitions in 1699 It then traces his life and career up to 1714 in minute detail giving close consideration to Swift's expectations and the extent to which he felt they were fulfilled In doing so it covers Swift's movement between Ireland and England his reputation as a poet his historical writing his church preferments involvement in politics and much more including his relationships with a number of prominent social figures of the time Dr Swift is ideal for those with an interest in Swift's life and in particular his life and career between 1699 and 1714 **Swift: The Man, his Works, and the Age** Irvin

Ehrenpreis, 2021-04-20 First published in 1983 Dean Swift is the concluding book in a series of three volumes providing a detailed exploration of the events of Swift's life The third volume follows Swift's life and career from 1714 to 1745 and sets it against the public events of the age paying close attention to political and economic change ecclesiastical problems social issues and literary history It traces Swift's rise to becoming first citizen of Ireland and looks in detail at the composition publication and reception of Gulliver's Travels as well as many of Swift's other works both poetry and prose It also explores Swift's later years his love affairs with Esther Johnson and Esther Vanhomrigh his complicated friendships with Pope Lord Bolingbroke and Archbishop King and his declining health Dean Swift is a hugely detailed insight into Swift's life from 1714 until his death and will be of interest to anyone wanting to find out more about his life and works **Swift** Irvin

Ehrenpreis, 1967 **Volume 16, Tome II: Kierkegaard's Literary Figures and Motifs** Ms Katalin Nun, Dr Jon Stewart, 2015-01-28 While Kierkegaard is perhaps known best as a religious thinker and philosopher there is an unmistakable literary element in his writings He often explains complex concepts and ideas by using literary figures and motifs that he could assume his readers would have some familiarity with This dimension of his thought has served to make his writings far more popular than those of other philosophers and theologians but at the same time it has made their interpretation more complex The present volume is dedicated to the treatment of the variety of literary figures and motifs he used *Volume 16, Tome II: Kierkegaard's Literary Figures and Motifs* Katalin Nun, Jon Stewart, 2016-12-05 While Kierkegaard is perhaps known best as a religious thinker and philosopher there is an unmistakable literary element in his writings He often explains complex concepts and ideas by using literary figures and motifs that he could assume his readers would have some familiarity with This dimension of his thought has served to make his writings far more popular than those of other philosophers and theologians but at the same time it has made their interpretation more complex Kierkegaard readers are generally aware of his interest in figures such as Faust or the Wandering Jew but they rarely have a full appreciation of the vast extent of his use of characters from different literary periods and traditions The present volume is dedicated to the treatment of the variety of literary figures and motifs used by Kierkegaard The volume is arranged alphabetically by name

with Tome II covering figures and motifs from Gulliver to Zerlina Swift's Satires on Modernism: Battlegrounds of Reading and Writing G. Atkins,2012-12-17 More than three centuries later Jonathan Swift's writing remains striking and relevant In this engaging study Atkins brings forty plus years of critical experience to bear on some of the greatest satires ever written revealing new contexts for understanding post Reformation reading practices and the development of the modern personal essay **Political Discourse in Seventeenth- and Eighteenth-Century Ireland** D. G. Boyce,R. Eccleshall,V. Geoghegan,2001-05-17 This collection explores the complex political thinking of a fundamental period of Irish history It moves from the political religious and military turmoil of the seventeenth century through the years of the protestant ascendancy to the revolutionary events at the end of the eighteenth century The book addresses the basic conflicts of the age In the case of religious politics it examines the hopes anxieties and interactions of Anglicans Catholics and Presbyterians It investigates the great political issues of the day the constitutional thinkers and politicians involved in these struggles Light is thrown on the great and the good Swift and Molyneux Grattan and Lucas as well as on a huge cast of forgotten or never known figures be they royal officials lawyers clergymen landowners or popular writers A whole world of vibrant political debate is exposed *English Literature, 1660-1800* Curt Arno Zimansky,2015-03-08 The Philological Quarterly's annual bibliographies of modern studies in English neoclassical literature published originally from 1961 to 1970 are reproduced in two volumes Readers will find the same features that distinguished earlier compilations in the series inclusive listing of significant works published in each year including sections on the historical and cultural background as well as literature authoritative reviews of important works critical comments and a full index that is in itself an indispensable reference tool Originally published in 1972 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Swift** Irvin Ehrenpreis,1967 **The New Cambridge Bibliography of English Literature: Volume 2, 1660-1800** George Watson,Ian R. Willison,1971-07-02 More than fifty specialists have contributed to this new edition of volume 2 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries *The Complete Works of Sir Walter Scott* Walter Scott,1840 Irish Studies Marti D. Lee,Ed Madden,2009-10-02 Highlighting the work of both established and emerging scholars in

Irish studies this collection brings together fifteen essays working at the intersection of two important and developing fields of Irish studies gender studies and cultural geography Developed from papers first presented at a regional meeting of the American Conference for Irish Studies in South Carolina in 2006 not only does this work suggest the importance of linking gender and geography but it also suggests in the range of literary and historical topics the rich interdisciplinary nature of Irish studies at present Central to all of the essays is an attention to intersections of gender and sexual identity formation with the politics of place and space Although considerations of geographic space have long been staples of Irish cultural studies especially in relation to political identities these pieces suggest the critical importance of linking spatial and geographic analysis more clearly to ongoing examinations of gender and sexuality From institutions such as the Magdalen laundries and the prison to the domestic garden and home across urban and rural landscapes from the Dublin GPO to a St Patty s festival in the southern United States this book examines the local and human contexts of identity formation and performance

Complete Works Sir Walter Scott,1853

Reading Swift's Poetry Daniel Cook,2020-08-13 Poets are makers etymologically speaking In practice they are also thieves Over a long career from the early 1690s to the late 1730s Jonathan Swift thrived on a creative tension between original poetry making and the filching of familiar material from the poetic archive The most extensive study of Swift s verse to appear in more than thirty years Reading Swift s Poetry offers detailed readings of dozens of major poems as well as neglected and recently recovered pieces This book reaffirms Swift s prominence in competing literary traditions as diverse as the pastoral and the political the metaphysical and the satirical and demonstrates the persistence of unlikely literary tropes across his multifaceted career Daniel Cook also considers the audacious ways in which Swift engages with Juvenal s satires Horace s epistles Milton s epics Cowley s odes and an astonishing array of other canonical and forgotten writers

A.U.M.L.A. ,1971

General Catalogue of Printed Books British Museum. Department of Printed Books,1969

The Genres of Gulliver's Travels Frederik N. Smith,1990 A reevaluation of Swift s masterpiece and a test of the usefulness of examining a text through the perspective of genre Gulliver is explored from the standpoint of picaresque history novel children s literature illustrated book scientific prose science fiction philosophical treatise and satire

Censorship and Conflict in Seventeenth-Century England Randy Robertson,2015-10-20 Censorship profoundly affected early modern writing Censorship and Conflict in Seventeenth Century England offers a detailed picture of early modern censorship and investigates the pressures that censorship exerted on seventeenth century authors printers and publishers In the 1600s Britain witnessed a civil war the judicial execution of a king the restoration of his son and an unremitting struggle among crown parliament and people for sovereignty and the right to define liberty and property This battle sometimes subtle sometimes bloody entailed a struggle for the control of language and representation Robertson offers a richly detailed study of this censorship contest and of the craft that writers employed to outflank the licensers He argues that for most parties victory not diplomacy or consensus was the ultimate goal This book

differs from most recent works in analyzing both the mechanics of early modern censorship and the poetics that the licensing system produced the forms and pressures of self censorship Among the issues that Robertson addresses in this book are the workings of the licensing machinery the designs of art and obliquity under a regime of censorship and the involutions of authorship attendant on anonymity Armchair Sailor Collection Various,2014-02-13 Oxford World s Classics brings you a collection of the best voyages in literature Take a journey of your own through the eyes of beloved literary characters in this set which includes Gullivers Travels The Adventures of Tom Sawyer Robinson Crusoe Moby Dick and Three Men in a Boat and Three Men on the Brummel Catch up on the classics you will remember for a lifetime About the Series For over 100 years Oxford World s Classics has made available the broadest spectrum of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities voluminous notes to clarify the text up to date bibliographies for further study and much more **The Publishers Weekly** ,1911
