Swiftie the Magician Herbert Gold,1974 *Swiftie the Magician* Herbert Gold,1975 **Not Dead Yet** Herbert Gold,2011-08-01 An upbeat memoir to savor and admire Still Alive proves that in your later years you can still be going strong and having fun Old age is a shipwreck Charles de Gaulle once observed Not so says Herb Gold in this lively often hilarious memoir of his first seven decades He is clearly enjoying every moment to its fullest This is a book about how time overtakes us how reminiscence loss hope pain success failure the lifelong accumulation of dreams and reality crowd about us with every passing day Combining a fascinating selection of people places and key events from a long life into the alembic of his ever fertile imagination Gold has distilled gold from his uncanny ability to recall conversations anecdotes atmosphere and telling detail By turns wickedly funny Prostate surgeries and hysterectomies are not immediately visible at art gallery openings and touching It s harder to learn how to laugh alone Still Alive in this age of overheated memoirs will surely find its way to a grateful audience both young and young at heart *She Took My Arm As If She Loved Me* Herbert Gold,2025-09-23 Tracker of lost memories and lost souls the veteran San Francisco private eye Dan Kasdan manages along his way from the 1960s to the 1990s to find Priscilla the love of his life only to lose her Kasdan urged on by Priscilla also finds himself entangled with Karim the sleek pornographer and drug dealer who insists that only Dan is the right person to handle his transfers of cash and drugs All three Kasdan Priscilla and Karim want more than what ordinary life can afford them Herbert Gold s *She Took My Arm As If She Loved Me* is the story of the risks of love and age played out against the turbulence of America s great metropolitan village where freedom is no more easily come by than anywhere else *Novel Competition* Evan Brier,2024-04-16 *Novel Competition* describes the literary and institutional struggle to make American novels matter between 1965 and 1999 As corporations took over the book business Hollywood movies popular music and other forms of mass produced culture competed with novels as never before for a form of prestige that had mostly been attached to novels in previous decades In the context of this competition developments like the emergence of Rolling Stone magazine regional publishers Black studies programs and New Hollywood became key events in the life of the American novel Novels by Truman Capote Ann Beattie Toni Cade Bambara Cynthia Ozick and Larry McMurtry among many others are recast as prescient reports on and formal responses to a world suddenly less hospitable to old claims about the novel s value This book brings to light the story of the novel s perceived decline and the surprising ways American fiction transformed in its wake **Daughter Mine** Herbert Gold,2025-06-25 Dan Shaper bachelor translator for the San Francisco courts is a man who has worn the same raincoat for fifteen years eats the same breakfast in the same coffeeshop every morning occasionally sees a few long time men friends and vaguely regrets a handful of former women lovers In the sixties and seventies Shaper was where the action was San Francisco where else and joined in the festivities if moderately But that was a long time ago There are those who have drug flashbacks even years after they ve been using Shaper has escaped those thanks to his

moderation But into his relatively Spartan life now comes a flashback of another kind a nineteen year old daughter whose existence he never suspected Her mother was an overnight acquaintance whom with some effort he manages barely to recall The daughter s name is Amanda and her phone call sends Shaper s drab gray existence into dazzling Technicolor Amanda arrives trailing a motley band of associates a con man who explains his activities on his gypsy heritage except that he may not have one his blatantly seductive daughter Amanda s boyfriend D Wayne a streetsmart and usually genial black giant The con man owns what he has named The Yerba Buena Foundation dedicated to helping businessmen relieve stress his daughter well she runs the place D Wayne is the house s security man Others turn up segueing from various areas of Shaper s life Amanda part typical teenager part young receptacle of ancient wisdom is currently employed as a therapist at the Foundation Shaper plunges into this personal mosh pit like a repentant sinner at a river baptism the shock of his plunge awakening him to the realization that there s more in life than was dreamt of in his philosophy Gold has been blessing readers with his contemplation of the human condition for many years In this novel his lovely humor and deep understanding illuminates how a man walking a barren highway may react when fate suddenly shoves him onto an unpaved rutted dirt road
