**African Children's Story about a Special Dog** Sir Percy Fitzpatrick, 2019-05-05 Jock Of The Bushveld is a true story by South African author Sir James Percy FitzPatrick 1 The book tells of FitzPatrick's travels with his dog Jock a Staffordshire Bull Terrier cross during the 1880s when he worked as a storeman prospector's assistant journalist and ox wagon transport rider in the Bushveld region of the Transvaal then the South African Republic Jock's mother Jess was the only dog in their camp FitzPatrick describes her as an unattractive bull terrier with a dull brindled coat black and grey in shadowy stripes She had small cross looking eyes and uncertain always moving ears she was bad tempered and most unsociable but everybody respected her Jock's father is only described as an imported dog in the book and there's an ongoing debate on whether he was an American Staffordshire Terrier or of a breed like the Bull and Terrier What followed were a string of amazing adventures across South Africa's highveld from the Lydenburg Goldfields to Delagoa Bay Maputo in which Jock had many adventures earned a reputation second to none Jock permanently lost his hearing in one of these adventures when a kudu antelope cow kicked him The main version of how Jock died is told as follows When Fitzpatrick went to live in Barberton he realised Jock was miserable living in a town and gave the dog to his friend Tom Barnett who ran a supply store in what has since become Mozambique NOTE This was the route Pretoria to Delagoa Bay which Winston Churchill used to escape from the Boers in 1900 One night when Tom Barnett called him he mistakenly shot Jock because he was thought to be the dog killing chickens on his farm He later discovered that Jock had meanwhile already killed the other intruding dog and was simply responding to his call NOTE The exact location of Jock's grave is unfortunately not officially marked or known However in 1947 Fitzpatrick's daughter Cecily Niven backtracked her father's travels according to the descriptions in Jock of the Bushveld and wrote about her findings in her book Jock Fitz published 1968 Sir James Percy FitzPatrick KCMG known as Percy FitzPatrick was a South African author politician mining financier and pioneer of the fruit industry He authored the classic children's book Jock Of The Bushveld As a politician he defended British Imperial interests before and during the Anglo Boer War      Subject Guide to Children's Books In Print, 1990-1991 R R Bowker Publishing, 1990-09      *Big Book of Best Short Stories - Specials - Children's Literature* Kenneth Grahame, L.
