was called by different names at different times and cultures. Yessu Yusa Asaph, Isha Natha Issa or Isa in Tibet. Asaph denotes that He healed lepers. At birth He was Immanuel, later Joshua. In Aramaic as Jesu, in Urdu as Yusu, to the Greeks as Iesus, and the Romans as Jesus. I chose to call Him Yeshus, the Help of Yahveh.

When the Sahara Was Green Martin Williams, 2023-11-07

The little known history of how the Sahara was transformed from a green and fertile land into the largest hot desert in the world. The Sahara is the largest hot desert in the world, equal in size to China or the United States. Yet this arid expanse was once a verdant, pleasant land fed by rivers and lakes. The Sahara sustained abundant plant and animal life such as Nile perch, turtles, crocodiles, and hippos, and attracted prehistoric hunters and herders. What transformed this land of lakes into a sea of sands?

When the Sahara Was Green describes the remarkable history of Earth's greatest desert, including why its climate changed, the impact this had on human populations, and how scientists uncovered the evidence for these extraordinary events. From the Sahara's origins as savanna, woodland, and grassland to its current arid incarnation, Martin Williams takes us on a vivid journey through time. He describes how the desert's ancient rocks were first fashioned, how dinosaurs roamed freely across the land, and how it was later covered in tall trees. Along the way, Williams addresses many questions: Why was the Sahara previously much wetter, and will it be so again? Did humans contribute to its desertification? What was the impact of extreme climatic episodes such as prolonged droughts upon the Sahara's geology, ecology, and inhabitants? Williams also shows how plants, animals, and humans have adapted to the Sahara and what lessons we might learn for living in harmony with the harshest, driest conditions in an ever-changing global environment. A valuable look at how an iconic region has changed over millions of years.

When the Sahara Was Green reveals the desert's surprising past to reflect on its present as well as its possible future.

Hauntings and the Eastern Bamboo Grove Hauntings and the Eastern Bamboo Grove, 2025-07-01

Hauntings and the Eastern Bamboo Grove: Short Stories of Fear, Folklore, and the Adventures is a collection of ghost stories. It is a journey through shadowed memories, whispered legends, and the unspoken truths that linger in the air of ancient lands. Born from the mist-draped valleys of Assam, the eerie sands of Rajasthan, the cursed woods of South India, and even the mythical rivers of Mahabharata and Tibet, this anthology is deeply rooted in both personal experience and regional mysticism. Each story invites you to travel not only across geographies but also across dimensions where the living meet the dead, the known meets the arcane, and love, fear, and destiny spiral together like incense smoke in a temple.

The title *Hauntings and the Eastern Bamboo Grove* is inspired by the symbolic stillness of bamboo groves found in the East, silent, swaying, and often home to unexplainable energies. Bamboo in many cultures is seen as a channel between the mortal and the spiritual. Here, it becomes the metaphorical gate to the other world, where each rustle might be a whisper from the beyond.

What makes this book different from traditional horror anthologies is its layered blend of personal paranormal encounters such as *The Storm*, *Ghost or The Flood of Shadows*, reimagined folklore and mythology like *Beneath the Serpent Waters*, cross-cultural spectral tales including Arabian ghouls, Tibetan origin myths, and more, and occult rituals.

and esoteric knowledge as seen in the Vetala Siddhi stories Every tale carries the raw earthy essence of local culture Assamese festivals temple rituals bhang sessions tribal legends and eerie urban loneliness These are not just stories to frighten They are designed to immerse to make you feel the cold breath of a ghost the ancient rage of a forest or the soft footsteps of a spirit in love

[The Patchwork Inn: A Stitch in Time](#) Audrey Valencia, **Year of the Hyenas** Brad Geagley, 2005-02-22 Year of the Hyenas is a brilliant original and unique murder mystery set in ancient Egypt at the height of that kingdom's glory and power It is at once a strikingly insightful portrait of a mysterious complex and sophisticated society reminiscent of Norman Mailer's Ancient Evenings in its wonderful detail and feel for the past and a fast paced detective story that reads like the best of twenty first century thrillers From the oldest known court transcripts in history Egyptologists have long known about the mysterious death of Ramses III involving intrigue ambition greed and crimes of passion on a huge though hidden scale In Year of the Hyenas Brad Geagley takes this event a struggle that nearly brought ancient Egypt to its knees as the backdrop for a story that is every bit as captivating as the distant civilization it resurrects At the heart of the novel is Semerket the so called Clerk of Investigations and Secrets a detective half paralyzed by problems of his own with a reputation for heavy drinking and tactless behavior toward the great the powerful and the holy a kind of Sam Spade of the ancient world deeply and dangerously addicted to the truth Hard bitten deeply flawed he is retained by the authorities to investigate what is considered an insignificant murder of an elderly insignificant Theban priestess They fail to inform him however that they don't expect him to solve the case In fact they don't want him to But Semerket is not so easily fooled and this is hardly an insignificant murder As he delves deeper for the elusive truth he uncovers a web of corruption so vast that it threatens the life of the last great Pharaoh Ramses III and the stability of the kingdom Even worse uncovering the conspiracy means more than just putting his own life on the line for unbeknownst to Semerket his adored ex wife Naia has fallen afoul of those who would bring down the reign of Ramses and he soon finds himself having to choose between saving her and saving Egypt Merging historical fact and speculation with a nail biting crime story that could be taking place in the present Year of the Hyenas is a riveting and remarkable achievement
