**Switchbacks** Sid Marty,1999 In Switchbacks Sid Marty draws on his own memories and those of friends and former colleagues in relating a series of true mountain tales Among his subjects are the old guide who built a staircase up a cliff the stranded snowshoer who was rescued between rounds of beer in a Banff tavern the man who catered to hungry grizzlies an opinionated packrat with a gift for larceny and a horse named Candy whose heart was as big as a stove Along the way Marty tries to answer the kind of questions that all of us must face some day Do we really have to grow up and abandon adventure as well as youthful ideals Can the mountains draw old friends back together when politics and life styles have set them apart Sid Marty writes gracefully of the land he loves and lampoons a few bureaucrats whose policies sometimes threaten its integrity His portraits of the people and creatures that make their lives in the mountains are affectionate and respectful But above all this is a collection of engaging surprising funny and superbly told true stories by a gifted writer **Canadian**
