Swords and Swordsmen Mike Loades,2011-03-04 A must have book for anyone who has an interest in edged weapons Loades holds the reader s full attention with each sword s story that he tells The Lone Star Book Review This magnificent book tells the story of the evolution of swords how they were made how they were used and the people that used them It doesn t claim to give comprehensive coverage but instead takes certain surviving examples as landmarks on a fascinating journey through the history of swords Each is selected because it can be linked to a specific individual thus telling their story too and giving a human interest So the journey starts with the sword of Tutankhamun and ends with the swords of J E B Stuart and George Custer Along the way we take in Henry V Cromwell and Uesugi Kenshin and there is the most detailed discussion you ll find anywhere of all of George Washington s swords The chapters on these specific swords and swordsmen are alternated with more general chapters on the changing technical developments and fashions in swords and their use The reader s guide on this historical tour is Mike Loades Mike has been handling swords most of his life as a fight arranger stuntman and historical weapons expert for TV and stage As much as his profound knowledge of the subject it is his lifelong passion for swords that comes through on every page His fascinating text is supported by a lavish wealth of images many previously unpublished and taken specifically for this book Superb the most breathtaking coverage from the earliest days to modern times Brilliant Books Monthly **Crusading and Masculinities** Natasha R. Hodgson,Katherine J. Lewis,Matthew M. Mesley,2019-03-05 This volume presents the first substantial exploration of crusading and masculinity focusing on the varied ways in which the symbiotic relationship between the two was made manifest in a range of medieval settings and sources and to what ends Ideas about masculinity formed an inherent part of the mindset of societies in which crusading happened and of the conceptual framework informing both those who recorded the events and those who participated Examination and interrogation of these ideas enables a better contextualised analysis of how those events were experienced comprehended and portrayed The collection is structured around five themes sources and models contrasting masculinities emasculation and transgression masculinity and religiosity and kingship and chivalry By incorporating masculinity within their analysis of the crusades and of crusaders the contributors demonstrate how such approaches greatly enhance our

understanding of crusading as an ideal an institution and an experience Individual essays consider western campaigns to the Middle East and Islamic responses events and sources from the Iberian peninsula and Prussia are also interrogated and re examined thus enabling cross cultural comparison of the meanings attached to medieval manhood The collection also highlights the value of employing gender as a vital means of assessing relationships between different groups of men whose values and standards of behaviour were socially and culturally constructed in distinct ways Yeats's Political Identities Jonathan Allison,1996 Collects some of the most trenchant essays of the last three decades on Yeats s politics **Sword and Pen, Or English Worthies in the Reign of Elizabeth** Walter Clinton (pseud.),1869 **Sword and Pen, Or a Young War Correspondent's Adventures (Classic Reprint)** Henry Harrison Lewis,2018-02 Excerpt from Sword and Pen or a Young War Correspondent s Adventures As yet I had not studied my written instructions very carefully While the train was waiting in the station at Chicago I glanced over the important document given me by Mr Burnett It is not necessary to quote it in detail It included a carefully prepared cipher code for cabling and also letters of introduction to certain bankers and prominent American business men in Yokohama and Shanghai The latter were to identify me in my disguise as a gilded youth in search of adventure and were written by several well known New Yorkers directors of the Press Association Everything had been foreseen and at tended to by the able president Mr Parker Even a typewritten list of the most common words in the Japan ese Chinese and Corean languages had been added This I intended to study on board the steamer while en route to Japan but I must confess I had little hope of mastering the intricate sentences Presently finding the delay growing monotonous I left the car and began to walk up and down outside In the Union Depot at Chicago the tracks are laid at a level with the oor there being no raised platforms between them as in the majority of stations Passing from one train to another is a process not unaccompanied by danger as the arrivals and departures are frequent About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Alphabetic Catalogue of the English Books in the Circulating Department of the Cleveland Public Library* Cleveland Public Library,1889 Revelation or Criminal Obedience David Grosse, **Great Western, King Class 4-6-0s** David Maidment,2020-08-30 Built by Collett in 1927 after pressure to restore the GWR s pre eminence in motive power and cope with increasing traffic post war to the Devon and Cornwall holiday resorts the thirty Kings were the final development of the Churchward Stars and the 1923 Castles and remained on top link main line duty until their final replacement by the Western class 52 diesel hydraulics in 1962 The book includes an insight into the thinking of some of Collett s senior staff at the end of the 1930s and

the eventual transformation in the latter years with redraughting and double chimneys As well as describing their design and construction the book covers comprehensively their operation and performance backed up by many recorded logs on all main GW WR routes over which they were permitted The author had close experience of the class when working at Old Oak Common between 1957 and 1962 and includes a chapter of his experiences with them including many footplate trips as a management trainee he was greeted with glee by many firemen who would hand him the shovel The book includes over 300 photographs of which 100 are in color London & North Eastern Railway 4-4-0 Tender Locomotives David

Maidment,2024-11-30 This first volume on the LNER 4 4 0 locomotives describes the design construction history operation and performance of the Great Northern Great Central and Great Eastern examples classified by the LNER at the Grouping as classes D1 D4 D5 D12 and D13 D16 respectively It covers from their emergence in the late nineteenth century to their demise in the mid or late 1950s and their performance at their peak operation times mainly in the inter war years of LNER ownership It also includes the former Midland Great Northern Railway engines that were later absorbed by the LNER as classes D52 D54 **London & North Eastern Railway 4-4-0 Tender Locomotives - North Eastern, North British,**

Great North of Scotland, L N E R David Maidment,2025-03-30 Covers the design history and performance of LNER 4 4 0 locomotives from their creation to the 1960s This second volume on the LNER 4 4 0 locomotives describes the design construction history operation and performance of the North Eastern North British Great North of Scotland and Gresley LNER built examples classified by the LNER at the Grouping as classes D17 D24 D25 D36 D38 D48 and D49 respectively It covers from their emergence in the late nineteenth century to their demise in the mid or late 1950s and early 1960s with their performance at their peak operation times mainly in the inter war years of LNER ownership Alexander the Great

from Britain to Southeast Asia Su Fang Ng,2019-04-04 No figure has had a more global impact than Alexander the Great whose legends have encircled the globe and been translated into a dizzying multitude of languages from Indo European and Semitic to Turkic and Austronesian Alexander the Great from Britain to Southeast Asia examines parallel traditions of the Alexander Romance in Britain and Southeast Asia demonstrating how rival Alexanders one Christian the other Islamic became central figures in their respective literatures In the early modern age of exploration both Britain and Southeast Asia turned to literary imitations of Alexander to imagine their own empires and international relations defining themselves as peripheries against the Ottoman Empire s imperial center this shared classical inheritance became part of an intensifying cross cultural engagement in the encounter between the two allowing a revealing examination of their cultural convergences and imperial rivalries and a remapping of the global literary networks of the early modern world Rather than absolute alterity or strangeness the narrative of these parallel traditions is one of contact familiarity and proximity unexpected affinity and intimate strangers *Communication Images in Derek Walcott's Poetry* Sadia Gill,2017-03 This book investigates the potential purpose of recurrent communication images in the poetry of Derek Walcott The recipient of the Nobel Prize for

literature in 1992 Walcott is one of the most important postcolonial poets of the 20th century His poetry delves into the dynamics of Caribbean marginalization and seeks to safeguard the paradigms characteristic of his island home Several major studies have examined themes in his poetry but the images of communication in his poetics have not been explored This book examines Walcott s poetry expressions that the poet brings into play in order to demonstrate the relevance of the Caribbean in the contemporary world firstly through a study of communication imagery and secondly through an examination of the conclusions he reaches through these means The quantitative chart demonstrates that Walcott is especially reliant upon images of communication from the 1980s Extensive textual analysis indicates that the place and contextual meaning of communication imagery for example page mirrors the historical plight of the Caribbean region likewise line expresses an identity deficit Finally this book validates that Walcott s extensive use of communication imagery in his poetry contributes to a fluid notion of self that embraces multiculturalism while maintaining the imaginary intact **Mad or Bad** David J.
