Swords Into Plowshares:

Swords Into Plowshares Roger Burggraeve, Marc Vervenne, 1991 **Swords Into Plowshares, Volume Two** Arthur J. Laffin, 2010-05-01 On September 9 1980 the Plowshares Eight entered a General Electric plant in King of Prussia Pennsylvania and enacted the biblical command to beat swords into plowshares by hammering on the nose cones of two nuclear warheads and pouring blood on documents Since that time other small groups and individuals have entered manufacturing plants and military bases throughout the U S as well as in Australia Germany England Ireland Sweden and Holland to disarm components of nuclear and conventional weapons systems As of Spring 2003 there have been over 150 people who using hammers and other symbols have carried out over 75 plowshares and related disarmament actions This book recounts each of the actions that have occurred over the last twenty three years and includes information about the trials and sentences plowshares activists have received Photos of some of the actions and participants are also included in this chronology as well as other resources for peace and justice **Swords Into Plows** Lillian D. Gardner, 2012-01-19 Swords into Plows is the story of an Ohio boy who wanted to be a blacksmith In the nineteenth century when this story takes place it was the custom to work for someone in the trade you wanted to learn However because John s father enlisted in the Union Army John was left to take care of the farm He farmed and found some time to work at the blacksmith shop too In the three years that John s dad was fighting in the South John did a lot of thinking about war and peace facing at home the daily reality of change Having few options he chose to find his inner strength and grow in reliance on God I wrote Swords into Plows in memory of my own grandfather John Fremont Dellinger whose life somewhat parallels the story Deciding to write the story I found William Dellinger s war record As I merge historical facts with family lore about my grandfather and watch families become separated by war today it is my hope that children like John are also wondering how peace happens Lillian Gardner **Swords Into Plowshares, Volume Two** Arthur J. Laffin, 2010-05-01 On September 9 1980 the Plowshares Eight entered a General Electric plant in King of Prussia Pennsylvania and enacted the biblical command to beat swords into plowshares by hammering on the nose cones of two nuclear warheads and pouring blood on documents Since that time other small groups and individuals have entered manufacturing plants and military bases throughout the U S as well as in Australia Germany England Ireland Sweden and Holland to disarm components of nuclear and conventional weapons systems As of Spring 2003 there have been over 150 people who using hammers and other symbols have carried out over 75 plowshares and related disarmament actions This book recounts each of the actions that have occurred over the last twenty three years and includes information about the trials and sentences plowshares activists have received Photos of some of the actions and participants are also included in this chronology as well as other resources for peace and justice **Swords Into Plowshares** Inis L. Plowshares Kristen Tobey, 2016-07-28 In September 1980 eight Catholic activists made their way into a Pennsylvania General Electric plant housing parts for nuclear missiles Evading security guards these activists pounded on missile nose cones with hammers and then covered the cones in their own blood This act of nonviolent resistance was their answer to calls for prophetic witness in the Old Testament They shall beat their swords into plowshares and their spears into pruning hooks Nation shall not take up sword against nation they shall never again know war Plowshares explores the closely interwoven religious and social significance of the group's use of performance to achieve its goals It looks at the group's acts of civil disobedience such as that undertaken at the GE plant in 1980 and the Plowshares behavior at the legal trials that result from these protests Interpreting the Bible as a mandate to enact God's kingdom through political resistance the Plowshares work toward symbolic disarmament with the aim of eradicating nuclear weapons Plowshares activists continue to carry out such divine obediences against facilities where equipment used in the production or deployment of nuclear weapons is manufactured or stored Whether one agrees or disagrees with their actions this volume helps us better understand their motivations logic identity and ultimate goal

Canons in Conflict James E. Brenneman, 1997-05-29 In this new study James Brenneman confronts the issue of conflicting canons with full force incorporating insights gained from both literary and biblical disciplines on the question of canon He begins with an illuminating tour through contemporary literary theory from Hans Robert Jauss to Stanley Fish and current discussions in theology about the canon He goes on to a consideration of true and false prophecy with a detailed examination of the three apparently conflicting versions of the Old Testament swords into
