

Sybarite Among the Shadows

What if the Beast returned and you were not sure if he was the best or worst thing that had ever happened to you?

It is June 11, 1936. A driver encounters with Alister Crowley launches Dylan Thomas on an adventure whose first stop is the opening of the Surrealist Exhibition. With Thomas is his mentor Victor Neuburg, the Great Beast's lapsed apprentice. In the bohemian hotspots of Piccadilly and Soho they connect with Nina Hammett, Augustus John, Wyndham Lewis, Tom Deibus, King Edward VIII and Wallis Simpson, as well as Crowley himself. Once more in the shadow of the Beast, Neuburg confronts the terrifying magic of his youth and then something far more menacing – a Crowley-orchestrated MI5 plot to avert the abdication. *Sybarite among the Shadows* is an exhilarating work of fiction with tightly-woven fact at its core.

Alister Crowley at his best in all his usual and dark magic glory – a manipulator, unburdening, lecher, yet compelling character. Fiction could hardly have invented him: he is a gift of a character to any novelist & Richard McNeff has accepted him, unraveled the parcel and given him his head. – Martin Booth

*A very clever idea, filled out with wit and style and an excellent sense of the times – Silverstar
Plot by Buchan; characters by Burdley; setting Art Deco – Affinity is better than – Wirewood*

Richard McNeff was born in Hampshire. He has worked internationally in education and the art world. Since first writing for IT, poems, stories and articles by him have appeared in a broad range of publications. Contact with associates of Crowley inspired the widely-published short story out of which the present work grew (www.richardmcneff.co.uk)
