Sylvia Plath And The Theatre Of Mourning

Mark Richardson

Sylvia Plath And The Theatre Of Mourning:

Sylvia Plath and the Theatre of Mourning Christina Britzolakis, 1999 The history of Plath's reception as a writer has been beset by the language of scandal Psychobiographical speculation combined with the controversy surrounding the posthumous publication of her work has dominated critical debate at the expense of her poetic achievement In new contrast Sylvia Plath and the Theatre of Mourning offers a theoretically informed yet extremely readable engagement with the texts themselves The book challenges the critical tendency to see Plath's writing in confessional terms and draws attention to the crucial and hitherto neglected dimension of self reflexivity Christina Britzolakis argues that Plath developed a theatrical conception of the speaking subject which made the work of mourning inseparable from its performance in language she shows how Plath explored the potentialities and limits of figurative language and also engaged with the legacy of modernism to arrive at this distinctive mode Interweaving close reading and theoretical reflection Sylvia Plath and the Theatre of Mourning constructs a framework of interpretation which attends to the formal complexity of the texts without detaching them either from their historical moment or from contemporary debates about language gender and subjectivity Sylvia Plath Harold Bloom, Sterling Professor of Humanities Harold Bloom, 2007 A collection of essays on poet Sylvia Plath's life and work Sylvia Plath's Fiction Luke Ferretter, 2012-05-08 The first study devoted to Sylvia Plath's fiction covering *The Bell Jar* and all of her published and unpublished short stories drawing extensively on archival material **The Bloomsbury Handbook to Sylvia Plath** Anita Helle, Amanda Golden, Maeve O'Brien, 2022-03-24 With chapters written by more than 25 leading and emerging international scholars The Bloomsbury Handbook to Sylvia Plath provides the most comprehensive collection of contemporary scholarship on Plath's work Including new scholarly perspectives from feminist and gender studies critical race studies medical humanities and disability studies this collection explores Plath's literary contexts from the Classics and the long poem to W B Yeats Edith Sitwell Ruth Sillitoe Carol Ann Duffy and Ted Hughes New insights from Plath's previously unpublished letters and writings Plath's broadcasting work for the BBC Providing new approaches to her life and work this book is an indispensable volume for scholars of Sylvia Plath **The Cambridge Introduction to Sylvia Plath** Jo Gill, 2008-09-11 Sylvia Plath is widely recognized as one of the leading figures in twentieth century Anglo American literature and culture Her work has constantly remained in print in the UK and US and in numerous translated editions since the appearance of her first collection in 1960 Plath's own writing has been supplemented over the decades by a wealth of critical and biographical material The Cambridge Introduction to Sylvia Plath provides an authoritative and comprehensive guide to the poetry prose and autobiographical writings of Sylvia Plath It offers a critical overview of key readings debates and issues from almost fifty years of Plath scholarship draws attention to the historical literary national and gender contexts which frame her writing and presents informed and attentive readings of her own work This accessibly written book will be of great use to students beginning their explorations of this important writer Censorship and the Limits of the Literary

Nicole Moore, 2015-08-27 Though literature and censorship have been conceived as long time adversaries this collection seeks to understand the degree to which they have been dialectical terms each producing the other coeval and mutually constitutive On the one hand literary censorship has been posited as not only inescapable but definitive even foundational to speech itself One the other especially after the opening of the USSR's *spekstrahn* those enormous collections of literature forbidden under the Soviets the push to redefine censorship expansively has encountered cogent criticism Scholars describing the centralised control of East German print publication for example have wanted to insist on the difference of pre publication state censorship from more mundane forms of speech regulation in democracies Work on South African apartheid censorship and book banning in colonial countries also demonstrates censorship's formative role in the institutional structures of literature beyond the metropole Censorship and the Limits of the Literary examines these and other developments across twelve countries from the Enlightenment to the present day offering case studies from the French revolution to Internet China Is literature ever without censorship Does censorship need the literary In a globalizing era for culture does censorship represent the final failed version of national control *A Companion to Twentieth-Century Poetry* Neil Roberts, 2008-06-09 In the twentieth century more people spoke English and more people wrote poetry than in the whole of previous history and this Companion strives to make sense of this crowded poetical era The original contributions by leading international scholars and practising poets were written as the contributors adjusted to the idea that the possibilities of twentieth century poetry were exhausted and finite However the volume also looks forward to the poetry and readings that the new century will bring The Companion embraces the extraordinary development of poetry over the century in twenty English speaking countries a century which began with a bipolar transatlantic connection in modernism and ended with the decentred heterogeneity of post colonialism Representation of the canonical and the marginal is therefore balanced including the full integration of women poets and feminist approaches and the in depth treatment of post colonial poets from various national traditions Discussion of context intertextualities and formal approaches illustrates the increasing self consciousness and self reflexivity of the period whilst a Readings section offers new readings of key selected texts The volume as a whole offers critical and contextual coverage of the full range of English language poetry in the last century **The Ethics of Mourning** R. Clifton Spargo, 2004-11-18 Publisher Description *The New Anthology of American Poetry* Steven Gould Axelrod, Camille Roman, Thomas Travisano, 2012-04-15 Steven Gould Axelrod Camille Roman and Thomas Travisano continue the standard of excellence set in Volumes I and II of this extraordinary anthology Volume III provides the most compelling and wide ranging selection available of American poetry from 1950 to the present Its contents are just as diverse and multifaceted as America itself and invite readers to explore the world of poetry in the larger historical context of American culture Nearly three hundred poems allow readers to explore canonical works by such poets as Elizabeth Bishop Robert Lowell and Sylvia Plath as well as song lyrics from such popular musicians as Bob Dylan and Queen Latifah Because

contemporary American culture transcends the borders of the continental United States the anthology also includes numerous transnational poets from Julia de Burgos to Derek Walcott Whether they are the works of oblique avant gardists like John Ashbery or direct populist poets like Allen Ginsberg all of the selections are accompanied by extensive introductions and footnotes making the great poetry of the period fully accessible to readers for the first time [Claiming Sylvia Plath](#) Marianne Egeland,2013-02-14 Over the years Sylvia Plath has come to inhabit a contested area of cultural production with other ambiguous authors between the highbrow the middlebrow and the popular Claiming Sylvia Plath is a critical and comprehensive reception study of what has been written about Plath from 1960 to 2010 Academic and popular interest in her seems incessant verging on a public obsession The story of Sylvia Plath is not only the story of a writer and her texts but also of the readers who have tried to make sense of her life and work A religious tone and a rhetoric of accountability dominate among the devoted Questing for the real or true Sylvia they share a sense of possessiveness towards outsiders or those who deviate from what they see as a correct approach to the poet In order to offer a new and more nuanced perspective on Plath's public image the reception has been organized into interpretive communities composed of critics feminists biographers psychologists and friends Pertinent questions are raised about how the poet functions as an exemplary figure and how and by whom she is used to further theories politics careers and a number of other causes Ethical issues and rhetorical strategies consequently loom high in Claiming Sylvia Plath The book may be employed both as a guide to the massive body of Plath literature and as a history of a changing critical doxa Why Sylvia Plath has been serviceable to so many and open to colonization is another way of asking why she keeps on fascinating all kinds of readers worldwide Claiming Sylvia Plath suggests a host of possible answers It includes an extensive Plath bibliography *The Princeton Encyclopedia of Poetry and Poetics* Stephen Cushman,Clare Cavanagh,Jahan Ramazani,Paul Rouzer,2012-08-26 The most important poetry reference for more than four decades now fully updated for the twenty first century Through three editions over more than four decades The Princeton Encyclopedia of Poetry and Poetics has built an unrivaled reputation as the most comprehensive and authoritative reference for students scholars and poets on all aspects of its subject history movements genres prosody rhetorical devices critical terms and more Now this landmark work has been thoroughly revised and updated for the twenty first century Compiled by an entirely new team of editors the fourth edition the first new edition in almost twenty years reflects recent changes in literary and cultural studies providing up to date coverage and giving greater attention to the international aspects of poetry all while preserving the best of the previous volumes At well over a million words and more than 1 000 entries the Encyclopedia has unparalleled breadth and depth Entries range in length from brief paragraphs to major essays of 15 000 words offering a more thorough treatment including expert synthesis and indispensable bibliographies than conventional handbooks or dictionaries This is a book that no reader or writer of poetry will want to be without Thoroughly revised and updated by a new editorial team for twenty first century students scholars and poets More

than 250 new entries cover recent terms movements and related topics Broader international coverage includes articles on the poetries of more than 110 nations regions and languages Expanded coverage of poetries of the non Western and developing worlds Updated bibliographies and cross references New easier to use page design Fully indexed for the first time

Space and Place in Children's Literature, 1789 to the Present Maria Sachiko Cecire, Hannah Field, Malini Roy, 2016-03-09 Focusing on questions of space and locale in children's literature this collection explores how metaphorical and physical space can create landscapes of power knowledge and identity in texts from the early nineteenth century to the present The collection is comprised of four sections that take up the space between children and adults the representation of real world places fantasy travel and locales and the physical space of the children's book as object In their essays the contributors analyze works from a range of sources and traditions by authors such as Sylvia Plath Maria Edgeworth Gloria Anzald a Jenny Robson C S Lewis Elizabeth Knox and Claude Ponti While maintaining a focus on how location and spatiality aid in defining the child's relationship to the world the essays also address themes of borders displacement diaspora exile fantasy gender history home leaving and homecoming hybridity mapping and metatextuality With an epilogue by Philip Pullman in which he discusses his own relationship to image and locale this collection is also a valuable resource for understanding the work of this celebrated author of children's literature

The Cambridge Companion to American Poets Mark Richardson, 2015-10-14 The Cambridge Companion to American Poets brings together thirty one essays on some fifty four American poets spanning nearly 400 years from Anne Bradstreet to contemporary performance poetry This book also examines such movements in American poetry as modernism the Harlem or New Negro Renaissance confessional poetry the Black Mountain School the New York School the Beats and L A N G U A G E poetry Its reputable host of contributors approach American poetry from perspectives as diverse as the poetry itself The result is a Companion concise enough to be read with pleasure yet expansive enough to do justice to the many traditions American poets have modified inaugurated and made their own

Encyclopedia of British Poetry, 1900 to the Present James Persoon, 2015-04-22 Presents a comprehensive A to Z reference with approximately 450 entries providing facts about contemporary British poets including their major works of poetry concepts and movements

The Future of Memory Richard Crownshaw, Jane Kilby, Antony Rowland, 2010-11-01 Memory studies has become a rapidly growing area of scholarly as well as public interest This volume brings together world experts to explore the current critical trends in this new academic field It embraces work on diverse but interconnected phenomena such as twenty first century museums shocking memorials in present day Rwanda and the firsthand testimony of the victims of genocidal conflicts The collection engages with pressing real world issues such as the furor around the recent 9 11 memorial and what we really mean when we talk about trauma

Poetry and Poetics After Wallace Stevens Bart Eeckhout, Lisa Goldfarb, 2016-11-17 This collection of essays examines the different lines that may be drawn between the work of Wallace Stevens and a wide range of poetry from the second half of the twentieth century up to

the present moment A Companion to American Gothic Charles L. Crow, 2013-09-10 A Companion to American Gothic features a collection of original essays that explore America's gothic literary tradition The largest collection of essays in the field of American Gothic Contributions from a wide variety of scholars from around the world The most complete coverage of theory major authors popular culture and non print media available **Navigating the Transnational in Modern American Literature and Culture** Tara Stubbs, Doug Haynes, 2017-03-16 This study develops the important work carried out on American literature through the frameworks of transnational transatlantic and trans local studies to ask what happens when these same aspects become intrinsic to the critical narrative Much cultural criticism since the 1990s has sought to displace perceptions of American exceptionalism with broader notions of Atlanticism transnationalism world system and trans localism as each has redefined the US and the world more generally This collection shows how the remapping of America in terms of global networks and as a set of particular localities or even glocalities now plays out in Americanist scholarship reflecting on the critical consequences of the spatial turn in American literary and cultural studies Spanning twentieth and twenty first century American poetry fiction memoir visual art publishing and television and locating the US in Caribbean African Asian European and other contexts this volume argues for a re modelling of American ness with the transnational as part of its innate rhetoric It includes discussions of travel migration disease media globalization and countless other examples of inflowing Essays focus on subjects tracing the contemporary contours of the transnational such as the role of the US in the rise of the global novel the impact of Caribbean history on American thought and vice versa transatlantic cultural and philosophical genealogies and correspondences and the exchanges between the poetics of American space and those of other world spaces Asking questions about the way the American eye has traversed and consumed the objects and cultures of the world but how that world is resistant this volume will make an important contribution to American and Transatlantic literary studies **Twentieth-Century British and Irish Poetry** Michael O'Neill, Madeleine Callaghan, 2011-01-31 Twentieth Century British and Irish Poetry This authoritative yet accessible book carries the reader deep into the rewards of modern poetry O'Neill and Callaghan combine their own subtly informed accounts of the work of leading poets with judiciously chosen extracts from classic critical studies Broad in scope deep in insight clear in historical exposition and always attentive to the verbal make up of particular poems and imaginative worlds Twentieth Century British Poetry Hardy to Mahon is at once an introduction and a revisitable archive full of sustaining guidance John Kerrigan University of Cambridge Both formally attuned and contextually alert the author editors have here selected passages from the best recent critics and interwoven them with their own informed and illuminating commentary revealing both the innovation of modern poetry and its implication within a diverse range of literary traditions Altogether the book provides an invaluable companion to one of the great ages of poetry in English Seamus Perry Balliol College Oxford Twentieth Century British and Irish Poetry Hardy to Mahon offers an accessible and imaginative guide to the criticism of

British and Irish poetry in the twentieth century The editors also supply their own stimulating readings of the poetry Through an insightful narrative which points up the major features of the poets and the chosen excerpts Michael O'Neill and Madeleine Callaghan knit together contributions by major critics including essays by a number of distinguished poet critics such as Geoffrey Hill Andrew Motion and Tom Paulin Featured poets include Hardy Yeats Eliot Owen Lawrence Auden Dylan Thomas Larkin MacDiarmid Stevie Smith Plath Heaney Mahon and many others

Ted Hughes and the Classics Roger Rees, 2009-06-04 This collection of sixteen articles written by leading specialists in Classical and English literature is an important contribution to the critical assessment of Ted Hughes one of the most popular and controversial English poets of the late 20th century The chapters are arranged broadly chronologically according to Hughes's publications and deal with different aspects of his engagement with the culture and literature of ancient Greece and Rome including translations original works classical thought and ideologies in his drama and verse Hughes is revealed as a leading figure in literary reception of the Classics in 20th century poetry a sharply intelligent and sensitive reader of some of the world's foundational texts
