British Union Catalogue of Orchestral Sets Tony Reed, 1989 **British Union Catalogue of Orchestral Sets** International Association of Music Libraries, Archives, and Documentation Centres. United Kingdom Branch, 1982 The Complete Penguin Stereo Record and Cassette Guide Edward Greenfield, Robert Layton, Ivan March, 1984 This book finds this familiar group of highly respected critics having compiled a very useful survey of classical music on compact discs and cassettes The authors discuss the artistic merits and sound quality of each recording in evaluations that are extremely perceptive and educational Audiophiles will be happy to know that the authors indicate whether or not the recording has been recorded digitally or remastered from an analog original Those on a budget will appreciate the inclusion of bargain priced editions And music lovers in general attempting to navigate the maze of CDs currently available will find this work indispensable Hans Von Bülow Kenneth Birkin, 2011-07-07 A detailed study of the life of one of the most important and influential musical figures of the nineteenth century BBC Music Library Catalogues: Piano and organ catalogue. [pt.] 1. Composers, A-K; [pt.] 2. Composers, L-Z British Broadcasting Corporation. Music Library, 1965 **Ballet Music** Matthew Naughtin, 2014-07-17 Musicians who work professionally with ballet and dance companies sometimes wonder if they haven t entered a foreign country a place where the language and customs seem so utterly familiar and so bafflingly strange at the same To someone without a dance background phrases and terms boy s variation pas d action apoth ose simply don t fit their standard musical vocabulary Even a familiar term like adagio means something guite different in the world of dance Like any working professional those conductors composers rehearsal pianists instrumentalists and even music librarians working with professional ballet and dance companies must learn what dance professionals talk about when they talk about music In Ballet Music A Handbook Matthew Naughtin provides a practical guide for the professional musician who works with ballet companies whether as a full time staff member or as an independent contractor In this comprehensive work he addresses the daily routine of the modern ballet company outlines the respective roles of the conductor company pianist and music librarian and their necessary collaboration with choreographers and ballet masters and examines the complete process of putting a dance performance on stage from selection or existing music to commissioning original scores to staging the final production Because ballet companies routinely revise the great ballets to fit the needs of their staff and stage audience and orchestra ballet repertoire is a tangled web for the uninitiated At the core of Ballet Music A Handbook lies an extensive listing of classic ballets in the standard repertoire with information on their history versions revisions instrumentation score publishers and other sources for tracking down both the original music and subsequent musical additions and adaptations Ballet Music A Handbook is an invaluable resource for conductors pianists and music librarians as well as any student scholar or fan of the ballet interested in the complex machinery that works backstage before the curtain goes up The Penguin Guide to Compact Discs Yearbook, 1995 Edward Greenfield, Ivan March, Robert Layton, 1995 A supplement to
