Synchronicity Promise Of Coincidence:

Synchronicity Deike Begg, 2004-06 Deike Begg explores synchronicity as signposts and the universe's call of destiny She describes in clear language how to recognize a synchronicity **Handbook of Religion and the Authority of Science** James R. Lewis, Olav Hammer, 2010-11-19 The present collection examines the many different ways in which religions appeal to the authority of science The result is a wide ranging and uniquely compelling study of how religions adapt their message to the challenges of the contemporary world **Adventures of a Soul:** Anne Newgarden, 2022-08-01 How the Paranormal Became Her New Normal I don't normally talk about this to my clients But I'll talk about it to you because you're going to be writing about people who do what I do And about what are called the invisible realms Hearing those words during her first ever psychic reading Anne Newgarden had no idea how true they would one day prove to be As a child Anne had a deep wonder lust about psychics ESP Ouija boards'ances and all things metaphysical Even as an adult struggling to forge a career as a writer and endlessly searching for love Anne maintained a keen curiosity about the paranormal But it wasn't until later in life after suffering through a painful breakup and the death of a friend that Anne's wonder lust fully ignited and she embarked on a series of adventures exploring the mystical and unexplained In **Adventures of a Soul Psychics Mediums the Mystical and Me** Anne takes readers along on a wild ride as she searches for the truth about psychics and mediums reincarnation and soul mates angels and spirit guides and for true love You'll get an inside view as she meets with top psychics for in depth readings witnesses a friend's struggle with newfound medium abilities converses with the dead discovers past lives develops startling intuitive abilities communicates with angels and spirit guides and finds a soul mate who curls her toes and heals her heart Honest poignant funny and unique **Adventures of a Soul** is part memoir part self help book and part New Age guidebook It is the inspiring story of one woman's mind blowing adventures that radically transformed her worldview and her life If you've ever been curious about the paranormal wondered what a psychic or medium reading is really like pondered life after death or lives before this one or felt there might be more to reality than what meets the eye this book is for you Reading it might just make the paranormal your new normal too *Corporate Bitch to Shaman* Evelyn Brodie, 2013-09-09 Evelyn Brodie worked as an economist in government and the City then as a live television journalist Head of Financial Communications and strategic communications consultant until undeniable experiences forced her to change her belief system I had unconsciously adopted the role of Scary Corporate Bitch which required me to suppress my femininity intuition and compassion in favour of being super rational judgemental and selfish I had absolutely no religious or spiritual beliefs Today Evelyn is a shaman Reiki Master and craniosacral therapist helping people to release the limiting beliefs of their social conditioning and step into their potential This is her story describing the esoteric experiences that forced her to change her belief system and adopt a new way of living Remote viewing re birthing and shamanic journeying led her to investigate the multi dimensional non local world of quantum physics and the new

physiological discoveries of epigenetics and psychoneuroimmunology I discovered mounting scientific evidence to support the ancient traditions of energy healing shamanism prayer and meditation This knowledge is available but not widely taught Corporate Bitch to Shaman is a popular science medicine book that covers a number of topics philosophy non locality quantum entanglement biology and consciousness It will appeal to readers interested in taking more control of their own mental physical and emotional health including expanding their range of conscious awareness Helping people to achieve their magnificence and potential is one of my life s purposes today I hope readers will be intrigued and challenged by how 21st century science is evolving to validate the ancient healing wisdoms of the indigenous peoples and mystics around the world I invite you to share my journey and hope it encourages you to go on to experience the benefits of at least some of these expanded state of consciousness for yourself

Demystifying Meaningful Coincidences (Synchronicities) Gibbs A. Williams,2010-02-15 Demystifying Meaningful Coincidences Synchronicities The Evolving Self the Personal Unconscious and the Creative Process offers an original theory of the nature of meaningful coincidences synchronicities and their practical use from a naturalistic nonsupernatural and non Jungian perspective The findings are the outgrowth of Gibbs A Williams s forty year investigation both as a professional observer of some of his synchronicity prone patients receiving psychoanalytic psychotherapy as well as of his own intimate experience of these intellectually challenging and emotionally powerful occurrences His naturalistic perspective is in marked contrast to the findings of Jung and his

followers who view these odd events as channeled messages from a transcendent realm of spiritual reality Instead Williams concludes that meaningful coincidences are the surface manifestations of an individual s unique creative process accommodating the best available resolution of a problem for a person initially feeling stuck in a seemingly intractable dilemma While his analysis robs the magic associated with only reacting to the numinous uncanny aura associated with synchronicities it nevertheless affirms a wondrous appreciation for the creative capacities of each person to order his or her own chaos Readers are treated to a rich mine of historical data novel concepts and theoretical insights drawn from speculative philosophy depth psychology and esoteric occult and spiritual traditions and they are shown how to decode their own synchronicities in order to be able to use their embedded messages for increased self awareness cohesiveness and expanding consciousness

Meaningful Coincidences Bernard Beitman, 2022-09-06 A comprehensive exploration of the potential of coincidences to expand our understanding of reality and inspire psychological interpersonal and spiritual growth Scientific and Medical Network s Annual Book Prize for 2022 Presents a complete catalog of coincidence patterns with numerous illustrative examples Defines the many uses and potential pitfalls of coincidences and highlights the situations in which they are most likely to occur Explores the range of explanations for coincidences including the psychosphere as the medium through which many coincidences take place Each of us has more to do with creating coincidences than we think In this broad exploration of the potential of coincidences to expand our understanding of reality psychiatrist Bernard Beitman M D explores why and how coincidences synchronicity and serendipity happen and how to use these common occurrences to inspire psychological interpersonal and spiritual growth Through a complete catalog of coincidence patterns with numerous illustrative examples Dr Beitman clarifies the relationship between synchronicity and serendipity and dissects the anatomy of a coincidence He defines coincidence types through their two fundamental constituents mental events and physical events He analyzes the many uses of meaningful coincidences as well as their potential problems He explains how you will see patterns guiding your life decisions and learn to expect that coincidences are more likely to occur during life stressors as well as times of high emotion and strong need which helps you be ready to use them when they occur Exploring the crucial role of personal agency individual thought and action in synchronicities and serendipities Dr Beitman shows that there s much more behind these occurrences than fate or randomness

Life-Changing Synchronicities Bernard Beitman, 2025-05-06 Tells the author s personal stories of unlikely coincidences showing how synchronicity can be identified and evolve in one s own life Explores how recognizing synchronicity and serendipity can help individuals find their life purpose accelerate their spiritual and interpersonal development and positively impact their lives Builds on the work of Carl Jung on the significance of synchronicity In *Life Changing Synchronicities* pioneering psychiatrist Bernard Beitman M D explores the experience and ramifications of meaningful coincidences including how synchronistic happenings came to define his own life Building on Carl Jung s groundbreaking work on this phenomenon Beitman applies new insights on coincidence synchronicity serendipity

and related phenomena to the contemporary age ultimately helping readers begin to better identify patterns of synchronicity in their own lives find deeper meaning and more consciously align with their personal life path and goals The unlikely trajectory of the author s own life reveals the strange and counterintuitive nature of synchronicity From Wilmington Delaware to 1960s era San Francisco Beitman explores his experience with precognition and telepathy while playing high school football his life as a psychiatric medical school student and hippie in Haight Ashbury and his rise to become head of psychiatry at University of Missouri Columbia Medical School while developing The Coincidence Project As well as providing questions for readers to reflect on throughout the book Beitman provides additional tools to illustrate synchronicity offering insightful comments and principles in each section to synthesize useful reflections that serve as a guide for readers own coincidence diaries

Synchronicity M. D. Faber, 1998-10-30 Synchronistic events can be explained fully in naturalistic terms They comprise an instance of the uncanny as they return the individual subjectively to a period when the world as the good parent was sympathetically attuned to the individual's wishes and requirements Jung invoked the spiritual or the supernatural or the paranormal to explain synchronicity rather than exploring the early stages of human existence Faber offers a critique of Jung's theory of synchronicity that develops an alternative to demystify synchronistic happenings by explaining them in purely naturalistic terms The book's larger purpose is to demystify Jung's archetypal psychology and to explain the whole Jungian approach to human behavior in naturalistic terms Because Jung's psychology is ultimately religious in nature the book touches generally upon the implications of religion and religious conduct The book offers the reader an opportunity to ponder the psychological nature of synchronicity either as a spiritual occurrence with paranormal overtones or as a return of the repressed a mnemonic trace of events that actually transpired in the life of the individual

The Varieties of Spiritual Experience David B. Yaden, Research Director at the Marcus Institute of Integrative Health Andrew Newberg, 2025-08-22 This book explores scientific breakthroughs on spiritual experiences from the fields of psychology and neuroscience beginning with an account of William James's foundational work before turning to cutting edge research using neuroimaging psychedelics and large surveys Illustrated with examples of spiritual experiences drawn from a diverse set of personal accounts this book provides the basis for a scientifically informed contemporary understanding of these mysterious and deeply meaningful moments
