Syntactic Issues In The English Imperative:

Syntactic Issues in the English Imperative Eric Potsdam, 2019-07-12 First Published in 1998 This work is an unrevised version of my 1996 University of California Santa Cruz Ph D dissertation The only changes that have been made are corrections of typographical errors minor rewording updating of references and the inclusion of an index I would like to thank Rosemary Plapp and Kristi Long for help with proofreading and preparation of the manuscript Imperative Clauses in Generative Grammar Wim van der Wurff, 2007-01-01 This volume contains ten articles exploring a wide range of issues in the analysis of the imperative clause from a generative perspective The language data investigated in detail in the articles come from Dutch English German old Scandinavian Spanish and South Slavic there is further significant discussion of data from other Germanic and Romance languages The phenomena addressed in several cases in more than one article leading to some lively debate about contentious issues include the following the nature and interpretation of imperative subjects the properties of participial imperatives clitic behavior restrictions on topicalization word order null arguments negative imperatives and imperatives in embedded clauses The volume has a substantial introduction sketching the results of earlier generative work on the topic most of it scattered across disparate outlets the issues left open by this earlier work and the contribution to further insight and understanding made by the book's articles **The Syntax of Imperatives in English and Germanic** L. Rupp, 2002-12-10 This volume examines several aspects of the syntax of imperative clauses in English and in a variety of other Germanic languages in the context of the challenge that apparent optional movement poses for the Minimalist Programme **The Syntax of Imperatives** Asier Alcázar, Mario Saltarelli, 2014-01-23 The imperative clause is one of three major sentence types that have been found to be universal across the languages of the world Compared to declaratives and interrogatives the imperative type has received diverse analyses in the literature This cutting edge study puts forward a new linguistic theory of imperatives arguing that categories of the speech act specifically Speaker and Addressee are conceptually necessary for an adequate syntactic account The book offers compelling empirical and descriptive evidence by surveying new typological data in critical assessment of competing hypotheses towards an indexical syntax of human language An engaging read for students and researchers interested in linguistics philosophy and the syntax of language **A Cognitive Linguistic Analysis of the English Imperative** Hidemitsu Takahashi, 2012-03-28 This volume offers the first comprehensive description of English imperatives made from a Cognitive Linguistic perspective It proposes a new way of explaining the meaning and function of the imperative independently of illocutionary act classifications which allows for quantifying the strength of imperative force in terms of parameters and numerical values Furthermore the book applies the theory of Construction Grammar to account for the felicity of imperatives in complex sentences The model of description explains explicitly a wide range of phenomena including frequency of use prototypical vs non prototypical uses of the English imperative and the choice between longer vs shorter directives including the imperative A Cognitive Linguistic

Analysis of the English Imperative With Special Reference to Japanese Imperatives is intended for both researchers and students interested in the English imperative and Directive Speech Acts at large and for the linguists working within the Cognitive Linguistics and or Construction Grammar approach

The Handbook of English Linguistics Bas Aarts, April McMahon, Lars Hinrichs, 2023-02-13 Second edition of this popular Handbook bringing together stimulating discussions of core English linguistics topics in a single authoritative volume includes numerous new and thoroughly updated chapters The second edition of the popular Handbook of English Linguistics brings together stimulating discussions of the core topics in English linguistics in a single authoritative volume Written by an international team of experts the chapters cover syntax methodology phonetics and phonology lexis and morphology variation stylistics and discourse and also provide discussions of theoretical and descriptive research in the field The revised edition includes new and updated chapters on English Corpus Linguistics experimental approaches complements and adjuncts English phonology and morphology lexicography and more In depth yet accessible chapters introduce key areas of English linguistics discuss relevant research and suggest future research directions An important academic contribution to the field this book Presents thirty two in depth yet accessible chapters that discuss new research findings across the field written by both established and emerging scholars from around the world Builds upon the very successful first edition published in 2006 Incorporates new trends in English linguistics including digital research methods and theoretical advances in all subfields Suggests future research directions The Handbook of English Linguistics 2nd Edition is an essential reference work for researchers and students working in the field of English language and linguistics

Wh-exclamatives, Imperatives and Wh-questions Simone Guessier, Ani Marchesan, Paulo Medeiros Junior, 2023-12-18 Research on left periphery phenomena has increased in the last 20 years resulting in consistent studies from a wide range of languages and a fruitful debate on the functional projections within the CP system Throughout these years important contributions have been made on Brazilian Portuguese especially on wh interrogative sentences focalization topicalization and relative clauses As for exclamative and imperative sentences however there is a considerable research gap in all grammatical levels Regarding interrogatives semantic and prosodic studies are still lacking as well as research on the acquisition and processing of these constructions This collected volume fills some of those gaps gathering studies on wh exclamatives imperatives and wh questions in Brazilian Portuguese which approach syntactical semantical and prosodic aspects of these constructions through a rich and yet unregistered set of data They also deliver novel acquisition and diachronic data that will further both the comprehension of Brazilian Portuguese grammar and the ongoing discussions on left periphery phenomena

The Syntax of Nonsententials Ljiljana Progovac, 2006-01-01 This volume brings the data that many in formal linguistics have dismissed as peripheral straight into the core of syntactic theory By bringing together experts from syntax semantics pragmatics philosophy of language language acquisition aphasia and pidgin and creole studies the volume makes a multidisciplinary case for the existence of nonsententials which are analyzed in

various chapters as root phrases and small clauses Me Me First Him worry Class in session and whose distinguishing property is the absence of Tense and with it any syntactic phenomena that rely on Tense including structural Nominative Case Arguably the lack of Tense specification is also responsible for the dearth of indicative interpretations among nonsententials as well as for their heavy reliance on pragmatic context So pervasive is nonsentential speech across all groups including normal adult speech that a case can be made that continuity of grammar lies in nonsentential rather than sentential speech

The Wiley Blackwell Companion to Syntax, 8 Volume Set Martin Everaert, Henk Van Riemsdijk, 2017-12-26
An invaluable reference tool for students and researchers in theoretical linguistics The Wiley Blackwell Companion to Syntax Second Edition has been updated to incorporate the last 10 years of syntactic research and expanded to include a wider array of important case studies in the syntax of a broad array of languages A revised and expanded edition of this invaluable reference tool for students and researchers in linguistics now incorporating the last 10 years of syntactic research Contains over 120 chapters that explain analyze and contextualize important empirical studies within syntax over the last 50 years Charts the development and historiography of syntactic theory with coverage of the most important subdomains of syntax Brings together cutting edge contributions from a global group of linguists under the editorship of two esteemed syntacticians Provides an essential and unparalleled collection of research within the field of syntax available both online and across 8 print volumes This work is also available as an online resource at www.companiontosyntax.com

The Morphosyntax of Imperatives Daniela Isac, 2015-08-20 This book studies the properties of imperative clauses in the context of a theory of Universal Grammar Daniela Isac argues that the specificity of imperative clauses cannot be the result of a unique imperative Force feature instead the type of imperative clauses can be traced back to a plurality of finer grained features such as Modality and phi features hosted by the Mod Infl and Speech Event heads among others The data are drawn from a wide range of languages including various Romance Slavic and Germanic languages as well as Finnish and Inuktitut The analysis accounts for recurrent patterns in the interaction of imperative mood with phenomena like negation restrictions on grammatical subjects and the possibility of embedding imperative clauses The approach which focuses exclusively on morphosyntactic rather than semantic features is potentially transferable to the analysis of other clause types such as exclamatives interrogatives and declaratives

Semantics - Sentence and Information Structure Paul Portner, Claudia Maienborn, Klaus von Stechow, 2019-02-19 Read this book to get a deeper understanding of a wide range of semantics research on complex sentences and meaning in discourse These in depth articles from leading names in their fields cover the core concepts of sentential semantics such as tense modality conditionality propositional attitudes scope negation and coordination The highly cited material covers questions imperatives copular clauses and existential sentences It also includes essential research on sentence types and explains central concepts in the theory of information structure and discourse structure such as topics cohesion and coherence accessibility and discourse particles

The Structure and Interpretation of

Imperatives Chung-hye Han, 2000 The legendary Greek figure Orpheus was said to have possessed magical powers capable of moving all living and inanimate things through the sound of his lyre and voice Over time the Orphic theme has come to indicate the power of music to unsettle subvert and ultimately bring down oppressive realities in order to liberate the soul and expand human life without limits The liberating effect of music has been a particularly important theme in twentieth century African American literature The nine original essays in *Black Orpheus* examines the Orphic theme in the fiction of such African American writers as Jean Toomer Langston Hughes Claude McKay James Baldwin Nathaniel Mackey Sherley Anne Williams Ann Petry Ntozake Shange Alice Walker Gayl Jones and Toni Morrison The authors discussed in this volume depict music as a mystical shamanistic and spiritual power that can miraculously transform the realities of the soul and of the world Here the musician uses his or her music as a weapon to shield and protect his or her spirituality Written by scholars of English music women s studies American studies cultural theory and black and Africana studies the essays in this interdisciplinary collection ultimately explore the thematic linguistic structural presence of music in twentieth century African American fiction

Interpreting Imperatives Magdalena Kaufmann, 2011-10-26 Imperative clauses are recognized as one of the major clause types alongside those known as declarative and interrogative Nevertheless they are still an enigma in the study of meaning which relies largely on either the concept of truth conditions or the concept of information growth neither of which are easily applied to imperatives This book puts forward a fresh perspective It analyzes imperatives in terms of modalized propositions and identifies an additional presuppositional meaning component that makes an assertive interpretation inappropriate The author shows how these two elements can help explain the varied effects imperatives have depending on their usage context Imperatives have been viewed as elusive components of language because they have a range of functions that makes them difficult to unify theoretically This fresh view of the semantics pragmatics interface allows for a uniform semantic analysis while accounting for the pragmatic versatility of imperatives

Enciclopedia de Lingüística Hispánica Javier Gutiérrez-Rexach, 2016-01-29 The *Enciclopedia de Lingüística Hispánica* provides comprehensive coverage of the major and subsidiary fields of Spanish linguistics Entries are extensively cross referenced and arranged alphabetically within three main sections Part 1 covers linguistic disciplines approaches and methodologies Part 2 brings together the grammar of Spanish including subsections on phonology morphology syntax and semantics Part 3 brings together the historical social and geographical factors in the evolution of Spanish Drawing on the expertise of a wide range of contributors from across the Spanish speaking world the *Enciclopedia de Lingüística Hispánica* is an indispensable reference for undergraduate and postgraduate students of Spanish and for anyone with an academic or professional interest in the Spanish language Spanish linguistics

Finiteness Irina Nikolaeva, 2007 This book explores the nature of finiteness one of most commonly used notions in descriptive and theoretical linguistics but possibly one of the least understood Scholars representing a variety of theoretical positions seek to clarify what it is and to establish its usefulness and limitations In doing

so they reveal cross linguistically valid correlations between subject licensing subject agreement tense syntactic opacity and independent clausehood show how these properties are associated with finiteness and discuss what this means for the content of the category The issues explored include how different grammatical theories represent finiteness whether the finite nonfinite distinction is universal whether there are degrees of finiteness whether the syntactic notion of finiteness has a semantic corollary whether and how finiteness is subject to change and how finiteness features in language acquisition Irina Nikolaeva opens the book by describing the history of finiteness and its place in current thinking and research She then introduces the chapters of the book comparing the authors perspectives and showing what they have in common The book is then divided into four parts Part I considers the role finiteness plays in formal syntactic theories and Part II its deployment in functional theories and as the subject of research in typology Parts III and IV look respectively at the finite nonfinite opposition in individual languages and at the role finiteness plays in linguistic change and linguistic development The book is written and structured to appeal to scholars and students of syntax and general linguistics at graduate level and above

The Handbook of Contemporary Syntactic Theory Mark Baltin, Chris Collins, 2008-04-15 This volume provides a comprehensive view of the current issues in contemporary syntactic theory Written by an international assembly of leading specialists in the field these 2 original articles serve as a useful reference for various areas of grammar Contains 23 articles written by an international assembly of specialists in the field The lucidly written articles grant accessibility to crucial areas of syntactic theory Contrasting theories are represented Contains an informative introduction and extensive bibliography which serves as a reference tool for both students and professional linguists

Korean Syntax and Semantics EunHee Lee, 2019-01-10 Korean has proven to be an invaluable language to theoretical linguists providing abundant examples of and counterexamples to key theoretical issues at the forefront of modern linguistic theories Exploring the Korean language from both a syntactic and semantic perspective this book provides an up to date linguistic analysis of its structure combining Minimalist Syntax with accompanying compositional formal semantics EunHee Lee's detailed chapters cover the core architecture and phenomena of Korean looking at the lexical layer the functional layer nominal structure movements and complex clauses A broad range of empirically and theoretically important phenomena are discussed enabling students and professional linguists alike to understand the workings of the language in current theoretical frameworks The book also includes discussion questions exercises and a list of further reading to solidify the theoretical concepts stimulate thinking and develop the ability to analyze Korean using theoretical tools

The Oxford Handbook of Modality and Mood Jan Nuyts, Johan van der Auwera, 2016 This handbook offers an in depth and comprehensive state of the art survey of the linguistic domains of modality and mood An international team of experts in the field examine the full range of methodological and theoretical approaches to the many facets of the phenomena involved Following an opening section that provides an introduction and historical background to the topic the volume is divided into five parts Parts 1 and 2 present the

basic linguistic facts about the systems of modality and mood in the languages of the world covering the semantics and the expression of different subtypes of modality and mood respectively The authors also examine the interaction of modality and mood mutually and with other semantic categories such as aspect time negation and evidentiality In Part 3 authors discuss the features of the modality and mood systems in five typologically different language groups while chapters in Part 4 deal with wider perspectives on modality and mood diachrony areality first language acquisition and sign language Finally Part 5 looks at how modality and mood are handled in different theoretical approaches formal syntax functional linguistics cognitive linguistics and construction grammar and formal semantics

The clausal syntax of German Sign Language Fabian Bross, 2020 This book presents a hypothesis based description of the clausal structure of German Sign Language DGS The structure of the book is based on the three clausal layers CP IP TP and VoiceP The main hypothesis is that scopal height is expressed iconically in sign languages the higher the scope of an operator the higher the articulator used for its expression The book was written with two audiences in mind On the one hand it addresses linguists interested in sign languages and on the other hand it addresses cartographers

Clitics in Greek Marios Mavrogiorgos, 2010 This monograph investigates the morpho syntactic and other properties of clitic pronouns in Greek and offers a grammar of proclisis and enclisis in light of Chomsky's 1995 2001a 2005 Minimalist Program It explores the nature of clitics as syntactic topicalizers which are probed by structurally higher verbal heads to which they move and into which they incorporate morpho syntactically A theory is advanced according to which cliticization derives from syntactic agreement between the phi features of a clitic pronoun and a phase head v in the case of proclisis and CM in the case of enclisis Incorporation of the clitic into its host is argued to depend on two factors i e the fact that the clitic only contains a subset of the features of its host and the fact that the edge of the host is accessible Also the syntax of strong pronouns and their relation to clitics of negated imperatives of surrogate imperatives and of free clitic ordering in Greek enclisis are also discussed This monograph would appeal to syntacticians and morphologists as well as to those interested in Greek and more generally in clitic syntax

Eventually, you will entirely discover a supplementary experience and endowment by spending more cash. yet when? attain you undertake that you require to acquire those all needs taking into account having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will lead you to understand even more going on for the globe, experience, some places, when history, amusement, and a lot more?

It is your definitely own times to take steps reviewing habit. in the middle of guides you could enjoy now is **Syntactic Issues In The English Imperative** below.

Syntactic Issues In The English Imperative Introduction

In today's digital age, the availability of Syntactic Issues In The English Imperative books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Syntactic Issues In The English Imperative books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Syntactic Issues In The English Imperative books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Syntactic Issues In The English Imperative versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Syntactic Issues In The English Imperative books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Syntactic Issues In The English Imperative books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Syntactic Issues In The English Imperative books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Syntactic Issues In The English Imperative books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Syntactic Issues In The English Imperative books and manuals for download and embark on your journey of knowledge?

FAQs About Syntactic Issues In The English Imperative Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Syntactic Issues In The English Imperative is one of the best book in our library for free trial. We provide copy of Syntactic Issues In The English Imperative in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Syntactic Issues In The English Imperative. Where to download Syntactic Issues In The English Imperative online for free? Are you looking for Syntactic Issues In The English Imperative PDF? This is definitely going to save you time and cash in something you should think about.
