

The Corporate Conscience

and the Role of Business in Society

by Harold E. Lane,
Boston University

SINCE THE FIRST recorded appearance of corporations in third-century Rome, the social responsibilities of such bodies have been a matter of controversy. Corporations are formed on the elementary principle that individuals may be more effective in achieving their purposes if they act collectively than if they remain separate. Organized in a corporation, individuals may pool their resources and thus bring far more power to bear on their chosen project. It has long been assumed, however, that power is justified only if it is accompanied by responsibility, that as one's capacity to take action expands, so too does one's obligation to act for the general welfare of society. Corporations, however, are not formed principally to serve the interests of society, but rather to serve the interests of the individuals who compose them. The seeds of controversy can scarcely be missed: The more effective a corporation becomes in realizing its aims (i.e., the more powerful it becomes), the more it must address aims and

purposes of a broader sort that at best are peripheral to its founding intent.

The modern business corporation is established to turn a profit and distribute that profit among its stockholders. It has been argued that the diversity and multiplicity of corporations in a free-market economy ultimately render the single-minded pursuit of profit a socially beneficial activity. The 18th-century economist Adam Smith, for instance, speculated that the profit seeker is "led by an invisible hand to promote an end which was no part of his intention. . . . By pursuing his own interest, he frequently promotes that of society more effectively than when he intends to promote it."¹

Since that time, both lawmakers and the public have come to believe that corporate power needs more guidance than that provided by the invisible hand of the marketplace. During the 1960s and

'70s, for example, serious doubts arose about the adequacy of the free market as a guarantor of responsible corporate behavior, in the wake of widely publicized abuses of corporate power. Efforts to shore up the market's inadequacies produced a variety of laws addressing such problems as environmental protection, equal employment opportunity, occupational health and safety, and consumer protection. Some commentators have also argued that the constructs of personal morality may reasonably be projected upon the corporation, which is, after all, conceived by the law as an entity having many of the rights of a person (e.g., it may hold property, incur obligations, inherit by succession, and receive legacies).²

This article offers a historical overview of the role of the corporation in society, and then narrows its focus to examine the record of

Harold E. Lane recently assumed the position of director of Boston University's new hospitality-administration program. He was a professor of hotel administration at Michigan State University and earlier served as a vice president of Sheraton Corporation.

The Corporate Conscience

Gary A. Maddux

The Corporate Conscience:

The Corporate Conscience David Freudberg, 1984-09 Case studies of creative problem solving for professionals facing questions of human responsibility ethics on the job suggestions on how to reduce conflicts align personal corporate objectives increase morale manage change

The Corporate Conscience David F. Linowes, 1974 Monograph on social auditing and the social role of the enterprise in the USA suggests a system of business reporting that would indicate such costs to the enterprise as those for community relations and employment opportunity programmes quality of working life pollution control measures etc References *Keepers of the Corporate Conscience* Jamie S. Gorelick, Bentley College. Center for Business Ethics, 2004 Conscience and Corporate Culture Kenneth E. Goodpaster, 2006-08-11 Conscience and Corporate Culture advances the constructive dialogue on a moral conscience for corporations Written for educators in the field of business ethics and practicing corporate executives the book serves as a platform on a subject profoundly difficult and timely Written from the unique vantage point of an author who is a philosopher professor of business administration and a corporate consultant A vital resource for both educators in the field of business ethics and practicing corporate executives Forwards the constructive dialogue on a moral conscience for corporations Offers a philosophical and practical approach to considering business ethics

Minding the Corporate Conscience James Munves, 1974 Details some of the many corporate crimes against society and describes the attempts by individuals and citizen groups to correct these abuses

Keepers of the Corporate Conscience Raymond W. Miller, 2011-10-01 **Keepers of the Corporate Conscience** Raymond Wiley Miller, 1946 **Managerial responsibility** Gary A. Maddux, 1991 **Corporate Consciousness** Cornelis Reiman, 2024-09-10 Corporate Consciousness is a book that offers a fresh perspective on business and organizational effectiveness It provides a comprehensive guide to improving workplace efficiency understanding key business concepts and achieving success through change management and corporate social responsibility It is a valuable resource for scholars students and educators and corporate executives Corporate Consciousness looks at corporations overall rather than focusing on a few business entities which allows for a broader deeper and philosophical yet practical understanding of business and the business sector particularly the fundamentals of corporate culture In effect Corporate Consciousness explains how successes and failures can be identified as well as how they can be managed in line with what a business aims to achieve

Minding the Corporate Conscience James Munves, 1974-01-01 Details some of the many corporate crimes against society and describes the attempts by individuals and citizen groups to correct these abuses **Minding the Corporate Conscience, 1974** Council on Economic Priorities, 1974 Rating America's Corporate Conscience Steven D Lydenberg, Alice Tepper Marlin, Sean O'brien Strub, Council On Economic Priorities, 1986-01-21 **A Corporate Conscience...?** Sarah Constable, 2015 On 30 June last year the Supreme Court of the United States handed down the much anticipated *Burwell Secretary of Health and Human Services et al v Hobby Lobby Stores Inc Hobby Lobby judgment*

effectively finding that closely held corporations have a conscience This conscience so they held can be attributed to the corporation via the owners The decision has been widely criticised Some argue that it is just another example of the ever widening power of corporations Others including the dissenting judges and Justice Ruth Bader Ginsburg in particular hold concerns about its incoherence in the face of centuries of established corporations law While the decision will not directly affect Australian common law it is relevant in demonstrating a fundamental confusion regarding corporate identity Australian and US company law share a basic principle that upon incorporation a company becomes a separate legal entity to that of its registered members This principle has been undermined by the Hobby Lobby decision Further both countries share a common history of English corporations law Hobby Lobby is therefore an important insight into the discord in this area amongst judges even in the highest court of the US This case is just the tip of an ever growing iceberg of confusion surrounding the corporate form and in this essay I aim to demonstrate identify and untangle the sources of confusion

Minding the Corporate Conscience, 1978 Steven D. Lydenberg,1977 **Proceedings of the American Association for the Advancement of Science** American Association for the Advancement of Science,1908 **Visions, Values, and Corporate Hypocrisy** Kendall Williams,2021-09-11 Hypocrisy is rife in the corporate world with disastrous consequences for businesses employees and consumers Dr Williams argues that hypocrisy occurs when leaders fail to align their actions with company values resulting in widespread disillusionment that taints the entire organization He makes a bold and compelling case for authentic leadership as a legitimate and profitable business incentive where values are ethically informed and pioneered by diligent leaders Now more than ever companies have a duty and an incentive to reverse the profits before people mentality focusing instead on a people first directive Dr Williams demonstrates that profits are a natural consequence of this approach since employees are inspired to contribute their personal best when they are well treated and respected Visions Values and Corporate Hypocrisy calls for greater transparency accountability and integrity within the business discourse starting with leaders whose actions ultimately shape the culture and success of organizations Williams holds a PhD in Organizational Psychology and has a 30 year career in corporate leadership **Minding the Corporate Conscience 1980** Steven D. Lydenberg,1980 Minding the Corporate Conscience 1973 Council on Economic Priorities,1973 Law, Religion, and Health in the United States Holly Fernandez Lynch,I. Glenn Cohen,Elizabeth Sepper,2017-07-03 While the law can create conflict between religion and health it can also facilitate religious accommodation and protection of conscience Finding this balance is critical to addressing the most pressing questions at the intersection of law religion and health in the United States should physicians be required to disclose their religious beliefs to patients How should we think about institutional conscience in the health care setting How should health care providers deal with families with religious objections to withdrawing treatment In this timely book experts from a variety of perspectives and disciplines offer insight on these and other pressing questions describing what the public discourse gets right and wrong

how policymakers might respond and what potential conflicts may arise in the future It should be read by academics policymakers and anyone else patient or physician secular or devout interested in how US law interacts with health care and religion

Management by Ethics Richard H. Guerrette, 2014-12-19 Management by Ethics MBE is a reformation study of the renowned paradigm management by objectives MBO by Peter Drucker This book re focuses on how to manage companies by ethical principles with a morally developed workforce The benefit of this ethically practical paradigm MBE is that all business operations function with the total moral performance of the whole workforce from board room deliberations to work floor associations Through the operational strategies of moral development learning offered in this book the company becomes a team The marketplace changes with the interpersonal caring of managers workers and customers enjoying the MBE spirit of a trusting caring global community

While this might not be the The Corporate Conscience full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Corporate Conscience eBooks, including some popular titles.

FAQs About The Corporate Conscience Books

What is a The Corporate Conscience PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Corporate Conscience PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Corporate Conscience PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Corporate Conscience PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Corporate Conscience PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
