John Grimley,2020-03-20 Throughout one's life from its beginning to its end one is constantly bombarded with spin by those who desire to promote products and push ideas philosophies and a multitude of faiths whether religious or secular There is only one work even since the beginning of time which is free of spin and tells it exactly as it was and is now God's inspired Word the Bible Right from the very beginning Eve put three spins on what God had told Adam She deleted the word freely she added the phrase neither shall you touch it and altered the word surely to less Yet it was Lucifer the fallen archangel in the guise of a serpent who put into motion the ultimate spin on God's word Yea has God said From then on this question has played havoc with every society down through the ages Any question of doubt concerning God's word always opposes truth and reality This book has been written to put forth a definitive answer to this insidious question In fact this question begs for an answer and not just a rhetorical one The questions raised concerning God's word itself creation salvation eschatology morality death and more are in this book and are answered with a resounding Yes God has said *The Gospel According to St John* B.
