

The Nail And Other Stories

Émile Zola

The Nail And Other Stories:

"The Nail", and Other Stories Pedro Antonio de Alarcón,1997 In this book eight stories written by Pedro Antonio de Alarcon have been brought together in English for the first time The nail in The Nail is found driven into a disinterred skull and if some of the events are implausible and others incredible it is also true that there is considerable suspense and mystery The Cornet draws more heavily on historical reality with its depiction of the horror of civil war and factual detail Noteworthy for its first person narration and rapid fire dialogue The Cornet paints an episode of fraternal love and the power of the will The Orderly although set against the same Carlist War background has more to do with a military attitude than a Carlist War and describes the transformation effected in one officer by one orderly The War of Independence 1808-14 was fought against Napoleon and his attempt to place his brother Joseph on the Spanish throne After years of horrendous carnage and the Duke of Wellington's victory at Vitoria the Little Corporal renounced the Spanish crown The War of Independence stories The French Sympathizer and The Mayor of Lapeza Have been known to generations of Spanish readers especially for their theme of patriotism These two together with Long Live the Pope and The Guardian Angel extol the heroism and courage of the Spanish people The Foreigner the story of a young Pole who had been conscripted into Napoleon's army looks at Spain and two of her soldiers through the eyes of a Spanish muleteer Nail and Other Stories Laura Hird,1999 In this collection of short stories a ten year old boy uses Edinburgh buses to escape from his dysfunctional mother and her boyfriend a retarded youth tries to join a female gang a dead lesbian lover can't let go and a British soldier loses the plot **The Honour of the Army and Other Stories** Émile Zola,1901 **In the Heart of the Forest and Other Stories** Sophia Antoinette Miller,A. M. Dunne,1913 **The Secret of the Old Warehouse, And Other Stories** Imelda Rose Kaufman,2023-02-09 Jacob Malloy was a strong energetic lad of thirteen who lived with his family in the small suburb of Baytown His life was far from boring because school and church always provided plenty of activities However being of an inquisitive nature Jake was ever ready for something new and different He was intrigued by an old abandoned warehouse near the railroad tracks What it had been used for originally he had no idea but he was itching to get inside and look around Surely there must be something of interest in that old building Any chance of his being able to satisfy his curiosity however seemed nonexistent because the windows were boarded up Imagine his surprise when one Saturday on his way to his friend's house he noticed that one of the boards had come loose and was hanging by a nail This was an opportunity not to be missed He convinced his friend a rather reluctant Joe Reilly to accompany him on this adventure Together they managed to open the window and squeeze through it The boys found that though seemingly abandoned the building was not vacant Their adventure turned deadly when they were discovered and imprisoned The story shifts back and forth from them to their frantic parents and friends and the efforts made to find them There is a story within the story as friends Robert and Jonathan and their parents have an adventure of their own and make a life changing discovery *The Decapitated Chicken and Other Stories* Horacio Quiroga,2013-05-15 Tales of

horror madness and death tales of fantasy and morality these are the works of South American master storyteller Horacio Quiroga Author of some 200 pieces of fiction that have been compared to the works of Poe Kipling and Jack London Quiroga experienced a life that surpassed in morbidity and horror many of the inventions of his fevered mind As a young man he suffered his father s accidental death and the suicide of his beloved stepfather As a teenager he shot and accidentally killed one of his closest friends Seemingly cursed in love he lost his first wife to suicide by poison In the end Quiroga himself downed cyanide to end his own life when he learned he was suffering from an incurable cancer In life Quiroga was obsessed with death a legacy of the violence he had experienced His stories are infused with death too but they span a wide range of short fiction genres jungle tale Gothic horror story morality tale psychological study Many of his stories are set in the steaming jungle of the Misiones district of northern Argentina where he spent much of his life but his tales possess a universality that elevates them far above the work of a regional writer The first representative collection of his work in English *The Decapitated Chicken and Other Stories* provides a valuable overview of the scope of Quiroga s fiction and the versatility and skill that have made him a classic Latin American writer **The long exile, and other stories** graf Leo Tolstoy,1899 [The Long Exile and Other Stories](#) Leo Nikolayevich Tolstoy,2008-04-01 Count Lev Nikolayevich Tolstoy 1828 1910 was a Russian novelist essayist dramatist and philosopher as well as pacifist Christian anarchist and educational reformer *What Remains and Other Stories* Christa Wolf,1995-12 What Remains collects Christa Wolf s short fiction from early work in the sixties to the widely debated title story first published in Germany in 1990 Addressing a wide range of topics from sexual politics to the nature of memory these powerful and often very personal stories offer a fascinating introduction to Wolf s work What Remains and Other Stories is clear and farsighted The eight heartfelt stories in the book show why she has been respected as a serious author since her 1968 novel *The Quest for Christa T* Wolf uses her own experiences and observations to create universal themes about the controls upon human freedom Herbert Mitgang New York Times Christa Wolf has set herself nothing less than the task of exploring what it is to be a conscious human being alive in a moment of history Mary Gordon New York Times Book Review The simultaneous publication of these two volumes offers readers here a generous sampling of the short fiction speeches and essays that Wolf has produced over the last three decades Mark Harman Boston Globe [Dialect Tales and Other Stories](#) Sherwood Bonner,Katherine Sherwood Bonner McDowell,1990 To find more information about Rowman and Littlefield titles please visit [www rowmanlittlefield com](http://www.rowmanlittlefield.com)
