

A detailed illustration of a fish, possibly a trout or salmon, oriented vertically with its head at the bottom. The fish's body is covered in a pattern of dark spots, and its fins are visible. Instead of a natural neck, the fish has a human necktie around its throat. The tie is dark with a light-colored, irregular pattern. The tie's knot is at the top of the frame, and the ends of the tie extend upwards, forming a large, open loop that frames the top of the title text.

therapy and tried out various religions But it wasn't until she rekindled her faith in Jesus instilled in her as a child that she began to discover the genuine transformation she longed to experience Who Told You You Were Naked is Elizabeth's uncensored story of who she was before her radical encounter with the Lord and who she is becoming as a follower of Him Leaning into the unconditional love of Jesus changed the trajectory of her life and she longs to share this life giving message so others may experience the power of a personal relationship with Jesus Christ the Anointed One This raw and honest account of one woman's transformational journey serves as a reminder to anyone caught in the tangles of mental illness stubborn addiction or with a downcast and dissatisfied outlook on life that the light of hope shines even in the darkest circumstances *The Christian Century*, 1923

Criminals, Nazis, and Islamists Vera Mironova, 2023 In *Criminals Nazis and Islamists* Vera Mironova examines conflicts and cooperation between inmates in male prisons in the former Soviet Union She begins by focusing on the earliest prisoner groups in particular the Vory criminal organization which began in the 1930s The Vory were able to develop rules norms and unique criminal ideology to ensure their monopoly in prison internal governance Not only did they establish control over inmates the Vory also successfully stood up against prison authorities to make inmates life behind bars as comfortable as possible and as a consequence ensured its own survival in power Mironova also explains how the Vory uses different methods from strikes to bloody riots to put pressure on prison leadership The fall of Soviet Union in 1990 saw an explosion of entrepreneurial criminal organizations and the Vory started losing their grip on prisons This book reviews how Islamists Neo Nazis and other major organizations behind bars across the former Soviet Union are currently challenging the Vory and what happens when they take power inside particular prisons and have to govern themselves By focusing on the margins of Russian life Mironova offers a unique perspective on the social transformations impacting both the USSR and the post Soviet space from the 1930s to the Putin era
