The Nanking Massacre Osamichi Higashinakano,2005 Japanese professor uses contemporary records or their lack of to show that there is no proof of a massacre in Nanking ~*The Nanking Massacre* Osami Higashinakano,1999 **A Synopsis for The Nanking Massacre** Osamichi Higashinakano,2005 **Synopsis for The Nanking Massacre** Osamichi Higashinakano,Shudo Higashinakano,2006* *Global Lynching and Collective Violence* Michael J. Pfeifer,2017-02-10 Often considered peculiarly American lynching in fact takes place around the world In the first book of a two volume study Michael J Pfeifer collects essays that look at lynching and related forms of collective violence in Africa Asia and the Middle East Understanding lynching as a transnational phenomenon rooted in political and cultural flux the writers probe important issues from Indonesia where a long history of public violence now twines with the Internet to South Africa with its notorious history of necklacing Other scholars examine lynching in medieval Nepal the epidemic of summary executions in late Qing era China the merging of state sponsored and local collective violence during the Nanking Massacre and the ways public anger and lynching in India relate to identity autonomy and territory Contributors Laurens Bakker Shaiel Ben Ephraim Nandana Dutta Weiting Guo Or Honig Frank Jacob Michael J Pfeifer Yogesh Raj and Nicholas Rush Smith *Japanese War Crimes during World War II* Frank Jacob,2018-06-08 A challenging examination of Japanese war crimes during World War II offers a fresh perspective on the Pacific War and a better understanding of reasons for the wartime use of extreme mass violence The 1937 Rape of Nanjing has become a symbol of Japanese violence during the Second World War but it was not the only event during which the Japanese used extreme force This thought provoking book analyzes Japan s actions during the war without blaming Japan helping readers understand what led to those eruptions In fact the author specifically disputes the idea that the forms of extreme violence used in the Pacific War were particularly Japanese The volume starts by examining the Rape of Nanjing then goes on to address Japan s acts of individual and collective violence throughout the conflict Unlike other works on the subject it combines historical sociological and psychological perspectives on violence with a specific study of the Japanese army seeking to define the reasons for the use of extreme violence in each particular case Both a historical survey and an explanation of Japanese warfare the book scrutinizes incidents of violence perpetrated by the Japanese vis vis theories that explore the use of violence as part of human nature In doing so it provides far reaching insights into the use of collective violence and torture in war overall as well as motivations for committing atrocities Finally the author discusses current political implications stemming from Japan s continued refusal to acknowledge its war time actions as war crimes **The Nanjing Massacre and Sino-Japanese Relations** Zhaoqi Cheng,2020-10-17 Based on extensive research on the International Military Tribunal for the Far East this book closely examines the claims and controversy surrounding the Nanjing Massacre a period of murder in 1937 1938 committed by Japanese troops against the residents of Nanjing Nanking after the capture of the then capital of the Republic of China during the Second Sino Japanese War

Focusing on weighing up arguments denying Nanjing Massacre this book considers the Japanese Illusion school of thought which contests the truth of the Nanjing Massacre claims including the death toll and the scale of the violence The Nanjing Massacre remains a controversial issue in Sino Japanese relations despite the normalization of bilateral relations and this book goes to great lengths to examine the events through comparative narratives investigating different perspectives and contributing to the debate from the extensive research of the Tokyo Trial Research Centre at Shanghai as well as volumes of Chinese and Japanese historical documents

Controversial History Education in Asian Contexts Mark Baildon, Kah Seng Loh, Ivy Maria Lim, Gül İnanç, Junaidah Jaffar, 2013-08-22 This book examines both history textbook controversies AND teaching historical controversy in Asian contexts The different perspectives provided by the book's authors offer numerous insights examples and approaches for understanding historical controversy to provide a practical gold mine for scholars and practitioners The book provides case studies of history textbook controversies ranging from treatments of the Nanjing Massacre to a comparative treatment of Japanese occupation in Vietnamese and Singaporean textbooks to the differences in history textbooks published by secular and Hindu nationalist governments in India It also offers a range of approaches for teaching historical controversy in classrooms These include Structured Academic Controversy the use of Japanese manga teaching controversy through case studies student facilitated discussion processes and discipline based approaches that can be used in history classrooms The book's chapters will help educational researchers and curricularists consider new approaches for curriculum design curriculum study and classroom research

China's Japan Policy: Learning from the Past Amrita Jash, 2023-11-03 The book establishes a linkage between perceptions and foreign policy by exploring how China's behavior towards Japan is driven by mental shortcuts The study is focused on the aspect of historical memories and how it factors in China's Japan Policy It explores the linkage between perceptions born from the past their interpretations in the present and thereby the shaping of policy behavior of China towards Japan The author delves beyond the realist and liberal interpretations of international politics which assume that states interests and material capabilities are a given in the international system thus offering a conceptual understanding of Sino Japanese relations in the twenty first century

Dark Pasts Jennifer M. Dixon, 2018-11-15 In Dark Pasts Jennifer M Dixon asks why states deny past atrocities and when and why they change the stories they tell about them In recent decades states have been called on to acknowledge and apologize for historic wrongs Some have apologized while others have silenced denied and relativized past crimes Dark Pasts unravels the complex and fraught processes through which state narratives of past atrocities are constructed contested and defended Focusing on Turkey's narrative of the Armenian Genocide and Japan's narrative of the Nanjing Massacre Dixon shows that international pressures increase the likelihood of change in states narratives of their own dark pasts even as domestic considerations determine their content Combining historical richness and analytical rigor Dark Pasts is a revelatory study of the persistent presence of the past and the politics that shape narratives of state wrongdoing
